

ADMISSION BULLETIN 2021-2022

International Institute for Population Sciences

(Deemed to be University)

Govandi Station Road, Deonar, Mumbai – 400088

Phone: +91 - 022 – 42372433/42372468

MISSION AND VISION OF THE INSTITUTE

Mission Statement

"The Institute will strive to be a centre of excellence on all population and relevant issues through high quality education, teaching and research. This will be achieved by (a) creating competent professionals, (b) generating and disseminating scientific knowledge and evidence, (c) collaboration and exchange of knowledge, and (d) advocacy and awareness.

Vision Statement

"To position IIPS as a premier teaching and research institution in population sciences responsive to emerging national and global needs based on values of inclusion, sensitivity and rights protection."

Date:
Mumbai

DIRECTOR & SENIOR PROFESSOR

ABOUT THE INSTITUTE

The International Institute for Population Sciences (IIPS) Mumbai, formerly known as the Demographic Training and Research Centre (DTRC) till 1970, was established in July 1956 under the joint sponsorship of Sir Dorabji Tata Trust, the Government of India, and the United Nations. The Institute is under the administrative control of the Ministry of Health and Family Welfare, Government of India.

The Institute serves as a regional centre for Training and Research in Population Studies for the ESCAP region. The Institute was re-designated to its present title in 1985 to facilitate the expansion of its academic activities and was declared as a 'Deemed University' in August 14, 1985 under Section 3 of the UGC Act, 1956 by the Ministry of Human Resource Development, Government of India. The recognition has facilitated the award of recognized degrees by the Institute itself and paved the way for further expansion of the Institute as an academic institution. The faculty members and the supporting staff belong to diverse interdisciplinary background with specialisation in some core areas of population sciences, trained in India and abroad.

The Institute is the hub of population and health related teaching and research in India, playing a vital role for planning and development of the country. During the past years, students from different countries of Asia and the Pacific region, Africa and North America have been trained at the Institute. The alumni of the Institute are occupying prestigious positions at reputed national and international organisations, universities, research institutes and non-governmental organisations.

The Institute offers six different Post-Graduate, Doctoral, and Post Doctoral courses, admission to which for the academic session 2021-2022 is announced hereby. After completing the course, students of all programmes are well prepared for: (i) admission to higher degree programmes in the best universities of the world; (ii) a good career in teaching & research; (iii) multi-disciplinary professional career; or (iv) independent consultant and specialist in health and development sectors.

4. Duplicate I-Card Fee	110.00
5. Hostel Accommodation Charges (Per month)	440.00
6. Re-Examination Fee (Per paper)	550.00
7. Re-evaluation Fee (Per paper)	550.00
8. Thesis re-submission Fee	550.00
Note: (i) 50% Concession on Tuition Fees for foreign students from SAARC countries. (ii) For foreign students (other than SAARC countries), the fee for the first and second year will be USD 2000	

* **Refund Rules:** If any student desires to withdraw admission **on or before the stipulated time** as mentioned on the Institute's website, the refund of course fee will be done after deducting the Admission Fees paid at the time of online registration. If any student withdraws admission **after the stipulated time** mentioned on the Institute's website, no fee will be refunded.

4. DOCTOR OF PHILOSOPHY IN POPULATION STUDIES / BIO-STATISTICS AND DEMOGRAPHY (Ph.D)

Applications are invited for admission to **Doctor of Philosophy (Ph.D.) in Population Studies/Bio-statistics and Demography** during the academic session 2021-2022 to commence from **July 01, 2021**.

No. of Fellowships: As per availability of GOI fellowships. In addition, UGC-JRF and other fellowship holders will be considered for admission as per availability of seats.

Eligibility: Candidates having M.Phil. in Population Studies, M.Phil in Bio-statistics & Demography, Master of Population Studies (MPS), MA/MSc in Population Studies, M.Sc in Bio-statistics & Demography from a recognized university with at least 55% (50% for reserved candidates) of aggregate marks/equivalent grade are eligible to apply. Students who have qualified UGC/CSIR-JRF or any other national level fellowship are encouraged to apply for this programme. Eligible foreign candidate can also apply for admission, provided they secure financial support from any outside agency/government.

Candidate who have already passed the qualifying examination and those who have already appeared/shall be appearing in the final qualifying examinations are eligible to apply. However, admission of the candidate will be cancelled if s/he fails to furnish the final examination result by **September 30, 2021**.

The upper age limit is **30 years** as on **June 30, 2021**. Marks and age will be relaxed for candidates belonging to SC/ST/OBC/PWD/EWS categories as per Government of India rules.

Duration: Two years' full time to a maximum of six years. Duration is specified for thesis submission and not for fellowship.

Fellowship: Government of India Fellowships @ Rs. 31,000/- per month for 1st and 2nd years and Rs. 35,000/- per month for 3rd and 4th years available for the Indian students who have qualified NET for Lectureship in Population Studies or its inter-disciplinary subjects conducted by the UGC. Such Ph.D. fellowship also carries a contingency grant of Rs. 10,000/- per year for the first two years and Rs. 20,500/- for the third and fourth year. However, the candidates without NET qualification shall be awarded fellowship @ Rs. 12,000/- per month for the 1st and 2nd years, and Rs. 14,000/- per month for the 3rd and 4th years, with a contingency grant of Rs. 10,000/- per year. In addition, UGC-JRF and other fellowship holders will also be considered for admission.

Selection Criteria: The admission to Ph.D. programme is through a three-stage process; Online Entrance Test, research proposal writing, and personal interview. The Online Entrance Test will consist of objective type questions of multiple choices. The syllabus of Online Entrance Test will consist of questions on English, Logical Reasoning, Statistics, Mathematics, Bio-statistics, Research Methodology, Population Studies, Demography and Epidemiology. The test venue will be notified in the Admit Card. Based on the performance in the Online Test, shortlisted candidates will be called for research proposal writing and personal interview at IIPS. Final selection will be based on the weighted average of scores of Online Test, research proposal and personal interview. The Institute will not bear any travel expense of the candidates called for the test/personal interview.

Reservation: Reservation for SC/ST/OBC/PWD/EWS will be considered as per the Government of India norms.

Date of Online Entrance Test: April 10, 2021.

Registration for Admission Test and Processing Fee: All eligible candidates are required to register online by visiting the Institute's website www.iipsindia.ac.in during **February 08, 2021 to March 18, 2021**.

The non-refundable processing fee is **Rs. 1000/-** for General category, **Rs. 500/-** for OBC (Non-Creamy Layer) and **Rs. 500/-** EWS category, **Rs. 250/-** for SC/ST/PWD category. Processing fee will not be charged from the foreign candidates while submission of application forms.

The hard copy of the online application form along with supporting documents should reach to **"The In-charge, Academic Section, International Institute for Population Sciences, Govandi Station Road, Deonar, Mumbai-400088"** on or before **March 24, 2021**.

Course Fees: If any student desires to withdraw admission after paying the course fees, the refund of course fees will be as per the Institute's rule.

The Institute reserves the right to decide the number of seats to be filled in. The Institute also reserves the right to change/alter certain rules at any time.

ADMISSION NOTICE - ACADEMIC YEAR 2021-2022

The International Institute for Population Sciences, an autonomous organization established in 1956 under Ministry of Health & Family Welfare, Government of India, invites applications for admission to the following courses for the Academic Year 2021-2022. The passed out students from this Institute holds reputable positions in various Government/development organizations in India/Abroad.

REGULAR COURSES

► Master of Arts/Science in Population Studies (M.A./M.Sc)

Eligibility: Candidates with a Bachelor's degree from a recognized university in India or abroad in any subject with a minimum of 55% (50% for reserved candidates) of aggregate marks/equivalent grade in all subjects will be eligible for admission. **Admitted candidates will be eligible for Government of India fellowship of Rs. 5000/- p.m.**

► Master of Science in Biostatistics and Demography (M.B.D.)

Eligibility: Candidates having B.A./B.Sc. degree in Bio-statistics or Health Statistics or Mathematics or Statistics or having B.A./B.Sc. degree with two full papers on Mathematics or Statistics from a recognized university in India or abroad with a minimum of 55% (50% for reserved candidates) of aggregate marks/equivalent grade will be eligible for admission. **Admitted candidates will be eligible for Government of India fellowship of Rs. 5000/- p.m.**

► Master of Population Studies (M.P.)

Eligibility: Candidates having M.A./M.Sc. degree from a recognized university in India or abroad with a minimum of 55% (50% for reserved candidates) of aggregate marks/equivalent grade in the subjects - Anthropology, Bio-statistics, Development Studies, Economics, Geography, Health Statistics, Mathematics, Population Studies, Political Science, Population Education, Psychology, Rural Development, Social Work, Sociology, and Statistics will be eligible for admission OR If applicant has other Master Degree (other than above) and at least two years of work experience in Population and Health related field. **Admitted candidates will be eligible for Government of India fellowship of Rs. 5000/- p.m.**

► Doctor of Philosophy in Population Studies / Bio-statistics & Demography (Ph.D.)

Eligibility: Candidates having Masters in Population Studies (MPS), M.A./M.Sc. in Population Studies, M.Sc. in Biostatistics & Demography, M.Phil. in Population Studies, M.Phil. in Bio-statistics & Demography, M.Phil. in Biostatistics from a recognized university in India or abroad with at least 55% (50% for reserved candidates) or aggregate marks/equivalent grade are eligible to apply.

Please see IIPS website for Government of India fellowship details.

► Part-time Ph.D. Programme

Eligibility: The part-time Ph.D. programme shall be opened to candidates with Master's degree and at least five years of work experience after Master's Degree in the field of Population Studies/Demography/Public Health in academic institutions/central and state governments/research and development organizations, who are unable to pursue the doctoral programme in full-time mode. The applicants for part-time Ph.D. programme shall be exempted from appearing for the online entrance test. They will be selected based on the offline written test and personal interview.

► Post-Doctoral Fellowship (P.D.F.) (offline admission procedure)

Eligibility: Candidates having Ph.D. degree in Population Studies or related areas such as Health, Gender, Development and Social Sciences with publications in peer reviewed journals/edited books are eligible to apply. The duration of the programme is one year. The post-doctoral programme allows Ph.D. holders to continue the training as researcher and gain skills and experience that will prepare them for academic career. This fellowship will provide an opportunity to pursue additional research, teaching and have good publications. **Admitted candidates will be eligible for Government of India's post-doctoral fellowship of Rs. 50,000/- plus HRA p.m.**

Candidates appearing for final semester exams can also apply. The online admission portal will be active from February 08, 2021 to March 18, 2021. For details, please refer to "Admission Bulletin 2021-2022" on Institute's website.

ABOUT THE INSTITUTE

The International Institute for Population Sciences (IIPS) Mumbai, formerly known as the Demographic Training and Research Centre (DTRC till 1970), was established in July 1956 under the joint sponsorship of Sir Dorabji Tata Trust, the Government of India, and the United Nations. The Institute was declared as 'Deemed to be University' on August 19, 1985 under Section 3 of the UGC Act, 1956 by the Ministry of Human Resource Development, Government of India.

The objective of the Institute is to train persons from India and foreign countries in the field of Population Science, Demography and allied subjects. The Institute has trained many students from ESCAP region including Africa and North America. IIPS alumni are occupying prestigious positions in National and International Research Organizations like WHO, UNICEF, UNFPA, UNAID, Universities, Development Agencies and Non-Governmental Organizations. IIPS also provides services of research, evaluation, training, consultation to government departments, international organization and public corporations.

VISION AND MISSION OF THE INSTITUTE

VISION

To position IIPS as a premier teaching and research institution in population sciences responsive to emerging national and global needs based on values of inclusion, sensitivity and rights protection

MISSION

The Institute will strive to be a centre of excellence on all population and relevant issues through high quality education, teaching and research. This will be achieved by

- (a) creating competent professionals,
- (b) generating and disseminating scientific knowledge and evidence,
- (c) collaboration and exchange of knowledge, and
- (d) advocacy and awareness

RESEARCH AND FACULTY

IIPS undertakes scientific research on population problems that are of special importance to India and other countries. IIPS is playing a vital role in the planning and development of the country by generating valuable health and development indicators at the district, state and national levels through nationwide large-scale sample surveys at regular intervals, funded by the Government of India, UN agencies, and other development partners. The finding of the research work and data generated by the surveys of IIPS are used in India as well as researchers around the globe.

The IIPS faculty belong to diverse inter-disciplinary background working across fields to address major issues of population, demography and health and teaching the next generation of inter-disciplinary researchers. The faculty conduct and inspire innovative research that interconnect traditional disciplinary boundaries with novel areas of research in population and related fields.

ACADEMIC PROGRAMMES

IIPS enrolls full-time master and research students by conducting online test in different cities of India. Direct admission is given to foreign nationals who are eligible for different courses. The research opportunities for the students are just endless at IIPS. All students enrolled in the master and research courses prepare for their term paper, dissertation and thesis under the supervision of a faculty member.

MASTER OF ARTS/SCIENCE IN POPULATION STUDIES (M.A./M.Sc.)

Eligibility: Candidates with a Bachelor's degree from a recognized university in India or abroad in any subject, with a minimum of 55% marks (50% for reserved candidates) of aggregate marks/equivalent grade in all subjects will be eligible for admission. The duration of the course is two years. The MA/M.Sc in Population Studies is designed to train the students in the study of the size, distribution, structure and health of human population. After successful completion of the course, the students will be acquainted with both qualitative and quantitative knowledge in the field of population studies including survey research that will enable them to pursue careers in government organizations, non-governmental health and development organizations, academic institutions and private organizations.

Admitted candidates will be eligible for GOI fellowship of Rs.5000/- p.m.

MASTER OF SCIENCE IN BIO-STATISTICS AND DEMOGRAPHY (MBD}

Eligibility: Candidates having B.A./B.Sc. degree in Bio-statistics or Health Statistics or Mathematics or Statistics or having B.A./B.Sc. degree with two full papers on Mathematics or Statistics from a recognized university in India or abroad with a minimum of 55% (50% for reserved candidates) of aggregate marks/equivalent grade in all subjects will be eligible for admission. The duration of the course is two years. The M.Sc in Biostatistics and Demography is designed to train the students in the development and application of statistical methods to a wide range of topics in Biology in relation to Population Studies. After successful completion of the course, the acquired knowledge and skill prepare the students to work in a wide variety of challenging positions in the fields of public health, life sciences and survey research.

Admitted candidates will be eligible for GOI fellowship of Rs.5000/- p.m.

MASTER OF POPULATION STUDIES (M.P.S.)

Eligibility: Candidates having M.A./M.Sc. degree from a recognized university in India or abroad with a minimum of 55% (50% for reserved candidates) of aggregate marks/equivalent grade in the subjects; Anthropology, Bio-statistics, Development Studies, Economics, Geography, Health Statistics, Mathematics, Population Studies, Political Science, Population Education, Psychology, Rural Development, Social Work, Sociology, and Statistics will be eligible for admission. Candidates having Master degree, other than subjects specified above and having at least two years of experience in Population and Health related field are also eligible to apply. The duration of the course is one year. The Master of Population Studies is designed to train students in the studies of the size, distribution, structure and health of human population. After successful completion of the course the students will be acquainted with both qualitative and quantitative knowledge in the field of Population Studies and related areas that will enable them to pursue careers in government organizations, non-governmental health and development organizations, academic institutions and private organizations.

Admitted candidates will be eligible for GOI fellowship of Rs.5000/- p.m.

DOCTOR OF PHILOSOPHY IN POPULATION STUDIES/BIO-STATISTICS AND DEMOGRAPHY (P.HD}

Eligibility: Candidates having Masters in Population Studies (MPS), M.A./M.Sc in Population Studies, M.Sc in Biostatistics and Demography, M.Phil. in Population Studies, M.Phil. in Biostatistics and Demography, M.Phil in Bio-Statistics from a recognized university in India or abroad with at least 55% (50% for reserved candidates) of aggregate marks/equivalent grade are eligible to apply. The duration of the course is 4-6 years. The Ph.D in Population Studies/Bio-statistics & Demography is designed to train the students in population theories, advanced research methodology and big data analysis

and their application in the research areas of the students' choice. After successful completion of the course, the students will be acquainted with research knowledge and skills that will enable them to pursue careers as researchers, project managers, teachers and consultants in government organizations, non-governmental health and development organizations, academic institutions and private organizations. Please see IIPS website for Government of India fellowship details.

PART-TIME PH.D PROGRAMME

Eligibility: The part-time Ph.D programme shall be open to candidates with Master's degree and at least five years of work experience after Master's degree in the field of Population Studies/Demography/Public Health in academic institutions/central and state governments/research and development organizations, who are unable to pursue the doctoral programme in full-time mode. The applicants for part-time Ph.D programme shall be exempted from appearing for the online entrance test. They will be selected based on the offline written test and personal interview conducted by the Ph.D Admission Committee of the Institute. The Pre-PhD course work (six months duration) shall be compulsory for the candidates admitted to the Ph.D programme under part-time mode. Total duration of part-time Ph.D programme shall be for a minimum of four years (including course work) and maximum of six years.

POST-DOCTORAL FELLOWSHIP (P.D.F.) [offline admission procedure]

Eligibility: Candidates having Ph.D degree in Population Studies or related areas such as health, gender and development.
Desirable: Publications in peer reviewed journals/edited books.
The duration of the programme is one year. The post-doctoral programme allows PhD holders to continue the training as researcher and gain skills and experience that will prepare them for academic career. This fellowship will provide an opportunity to pursue additional research, teaching and have good publications.
Admitted candidates will be eligible for GOI fellowship of Rs.50000/- plus HRA p.m.

ALL CANDIDATES APPEARED/APPEARING FOR FINAL EXAMS CAN ALSO APPLY.
THE ONLINE ADMISSION PORTAL IS ACTIVE FROM FEBRUARY 08, 2021 TO MARCH 18, 2021.
DATE OF ONLINE ENTRANCE EXAM: APRIL 10, 2021
For further details please refer Admission Bulletin 2021-2022 on Institute's website.

SHORT-TERM COURSES AND WORKSHOPS

Institute conducts short term courses on Population and Health for the Government officials, researchers, and NGOs at regular interval by charging nominal fees.

Other Academic and Extension Activities

IIPS organizes workshops, seminars, conferences, guest and memorial lectures. Students go for field trips, also get exposure to national and international seminars and conferences. Every year around 20-30 students participate at international conferences outside India. Faculty and students publish more than a hundred research papers annually in the peer-reviewed journals.

FACILITIES AND SERVICES

Campus Life

Campus life at IIPS is about more than receiving a degree. Here, students will be part of the diversity of India along with international exposure and have a new experience of learning. IIPS has 24 x 7 internet facility with Wi-Fi connectivity in classrooms, hostels and library. All classrooms have AC and LCD facility. Various cultural and social events are organized for the faculty, staff and students at the Institute.

Information & Communication Technology Unit

The Institute has two state-of-the art Computer Lab facilities inter-connected by LAN system. It is equipped with latest computer facilities along with LCD, printer, scanner, and sound system. The facilities are extensively used for teaching and research, by faculty, non-teaching staff and students. The ICT unit provides various computing packages & Datasets.

Library

The Institute maintains an excellent computerized and centrally air-conditioned library with recent books on population and related disciplines. The library has more than 25 online databases. The entire collections can be read through remote access. Library subscribes to the following databases: Science Direct, JSTOR, SCOPUS, INDIASTAT, SPRINGER, EPW Research Foundation, etc.

Hostel

The Institute has two hostel buildings having 84 rooms: a six-storey with lift facility and a three-storey, for accommodating all students admitted to various courses. Hostel facility is available for Master courses only. Hostel rooms are attached with Bath & WC. All hostellers join a common mess managed by students. Apart from this, canteen facility is also available.

Social Security and Support

The Institute supports the students with the following social security and support i.e., Gender Amity Committee, Anti Ragging Committee, Grievance Cell of Staff and Students, and SC/ST/PWD/OBC/EWS Cells.

Medical Facilities

The Institute has a Health Centre for students and staff, regularly visited by well-qualified medical doctors on all working days. A counsellor is also available.

Placement Cell

After completing the course, students of all programmes are well prepared for:
(i) admission to higher degree programmes in the best universities of the world,
(ii) a good career in teaching & research,
(iii) multi-disciplinary professional career, and
(iv) independent consultants.
The Institute has Placement Cell that functions under two faculty coordinators which facilitates the placement of students with potential recruiters (national and international development organizations, NGOs, etc.)

Connectivity

IIPS is well connected globally by the International airport at Mumbai, long distance and local trains, buses and private transport facilities.
