(Sub: To postpone the M.Phil. examination)

Dear Sir

As you know, we have NET exam on 5th of November 2017 and the 1st semester exams are scheduled on 8th and 10th of November. It would be very kind of you to postpone the exam scheduled on 8th of November to 13th of November. As NET and semester exams, both are equally important for us as we have already begun our academics in research and most of us are preparing for the same. So it will be very much helpful for us if the semester exam could be postponed to the above mentioned date.

Thanking You

Hopefully
