MISSION AND VISION OF THE INSTITUTE

Mission Statement

The Institute will strive to be a centre of excellence on all population and relevant issues through high-quality education, teaching and research. This will be achieved by (a) creating competent professionals, (b) generating and disseminating scientific knowledge and evidence, (c) collaboration and exchange of knowledge, and (d) advocacy and awareness.

Vision Statement

To position IIPS as a premier teaching and research institution in population sciences responsive to emerging national and global needs based on values of inclusion, sensitivity and rights protection.

Director & Sr. Professor (Additional Charge)

ABOUT THE INSTITUTE

The International Institute for Population Sciences (IIPS) Mumbai, formerly known as the Demographic Training and Research Centre (DTRC) till 1970, was established in July 1956 under the joint sponsorship of the Government of India, Sir Dorabji Tata Trust, and the United Nations. The Institute is under the administrative control of the Ministry of Health and Family Welfare, Government of India.

The Institute serves as a regional centre for Training and Research in Population Studies for the ESCAP region. The Institute was re-designated to its present title in 1985 to facilitate the expansion of its academic activities and was declared as a 'Deemed University' in August 14, 1985 under Section 3 of the UGC Act, 1956 by the Ministry of Human Resource Development, Government of India. This recognition has facilitated the award of degrees by the Institute itself and paved the way for further expansion of the Institute as an academic institution. The faculty members and the supporting staff belong to diverse interdisciplinary background with specialisation in some core areas of population sciences, trained in India and abroad.

The Institute is the hub of population and health related teaching and research in India, playing a vital role for planning and development of the country. During the past years, students from different countries of Asia and the Pacific region, Africa and North America have been trained at the Institute. The alumni of the Institute are occupying prestigious positions at reputed national and international organisations, universities, research institutes and non-governmental organisations.

The Institute offers Post-Graduate, Doctoral, and Post-Doctoral courses, admission to which for the academic session 2025-2026 is announced hereby. After completing the course, students of all programmes are well prepared for: (i) admission to higher degree programmes in the best universities of the world; (ii) a good career in teaching & research; (iii) multi-disciplinary professional career; or (iv) independent consultant and specialist in health and development sectors.

Student Support & Facility:

CAMPUS LIFE

Our campus provides an ideal environment for young minds to explore new ideas, encourage creativity and independent thinking. The activities and resources here are centered around a health and wellness lifestyle. At IIPS, students will be part of the diversity along with international exposure and will have a new experience of learning.

HOSTELS

The Institute has two hostels for accommodating students admitted to various courses. Hostel rooms are furnished and have adequate living and working space. Mess facilities are available in the hostel and a canteen is also functioning on the campus. All selected students for Master Programmes are eligible for on campus hostel accommodation.

LIBRARY

The IIPS Library was established in 1956, the same year as the University; since then, it has become a key resource centre for students, scholars, and researchers in the field of population studies.

It offers many resources to support our institute's educational learning and research needs. The Library has about 88,000 books, 20,000 bound periodicals, 17,000 reprints, and 650 audio-visual materials, and it subscribes to over 320 journals (Print + online). The Library receives 17 newspapers daily. There are about 30,000 research articles from the core journals and edited books indexed and made available through the Online Public Access Catalogue (OPAC).

The Library has a unique collection of census volumes published in the 1872 pre-independence period till the latest Census 2011. These are all digitized and made available in PDF format.

In addition to providing access to physical resources, the Library also offers a wide range of information services such as Current Awareness service, Selective Dissemination of Information service (SDI), Document Delivery Service, New arrivals, Inter-Library Loan, Photocopy facilities, Reference Service and Institutional repository and so on.

The library is a part of **One Nation One Subscription (ONOS)** which provides access to 30 prominent e-journals/databases and it also has access to some of the best e-resources and databases, **such as JSTOR, SCIENCE DIRECT, SCOPUS, Wiley, INDIASTAT, UN Database**, etc., and other leading publishers' online collections relevant to health and population sciences.

The Library provides remote access through iProx21 to access online databases, journals and Institutional repositories to its authorized users.

The IIPS library has an institutional membership with **INFLIBNET, DELNET, IASLIC**, etc. The Institute is an active member of **INFLIBNET-Shodhganga**. The Library have access to Drillbit Software for Plagiarism checking to ensure research integrity.

The Library is fully automated. It uses an RFID (Radio Frequency Identification) facility for the issue/return of books, journals, and reprints. The Library has a reading hall with a seating capacity of 100+ individuals equipped with comfortable furniture, study carrels, centralized air conditioning, and a Wi-Fi facility.
