## ACKNOWLEDGEMENTS

International Institute for Population Sciences, established in 1956 as a demographic training centre and subsequently declared as a 'Deemed to be University' in 1985, has grown, over the period, as a research-intensive university with over 500 students pursuing graduate programs in the broader area of Population Sciences. IIPS completes another successful academic year 2022-23.

The progress of various nationally important studies over the last year has been commendable. The National Family Health Survey-5 (NFHS) has been completed with a national level dissemination and NFHS-6 field survey preparation is nearly complete. Eight studies providing important information on various aspects of health and demography are completed during 2022-23. IIPS students and faculty has an enviable records of publication in high impact journals during the same period.

The Ministry of Health and Family Welfare has provided all the necessary support as in the previous years. I would like to place on record my sincere gratitude to **Dr. Mansukh Mandaviya ji**, Hon'ble Union Minister for Health and Family Welfare, and the President, General Council, IIPS for his keen interest and support in all the activities of the Institute. I would like to acknowledge **Dr. Bharati Pawar ji**, Minister of State for Health & Family Welfare for her steady support for all the activities of the Institute. I am extremely grateful to **Shri Rajesh Bhushan**, Secretary to the Government of India, Ministry of Health and Family Welfare and Vice-President, General Council, and Chairperson of the Executive Council for his constant support and engagement in the activities of the Institute. I would also like to express my appreciation and sincere thanks to, Shri. Jaydeep Kumar Mishra, AS&FA, Shri. Ashish Srivastava, former AS&FA, and Smt. Roli Singh, former AS&MD (NHM) for their support and motivation in various activities of the Institute. The Statistics Division led by Shri. Sukh Ram Meena, Director General (Stats), Smt. Reena Singh, Chief Director (Stats), Shri. Kal Singh, former Director General (Stats), Smt. Sandhya Krishnamurthy, former Director General (Stats), Shri. P. Manoj Kumar, former Chief Director (Stats), Ms Anjali Rawat, Dy. Director General, Ms Nidhi Satija, Director (Stats), Mr. Amrit Lal Jangid, Joint Director (Stats), Ms. Manvi Agrawal, Deputy Director (Stats), and other supporting colleagues are guiding all activities and extending all their support for the smooth functioning of the Institute.

The members of the various statutory bodies, General Council, Executive Council, Standing Finance Committee, Academic Council, and Board of Studies and Research deserve special thanks for guiding us in all the important academic and administrative matters of the Institute.

I also acknowledge with thanks Central Public Works Department for their assistance in improving the infrastructure of the Institute particularly the New Infrastructure Development Project. I would appreciate the support of various funding agencies for supporting several of our research and training activities. I am also grateful to Dr. Umesh Shenoy, Dr. (Mrs.) Rohini Ambekar and Mrs. Natasha R. Surani for providing necessary medical care and counselling support to our staff and students.

I would like to place my sincere thanks to all the members of faculty, staff, and students for their hard work and dedication in all the activities of the Institute. I am confident that the Institute will achieve greater leaps in the coming years with the dedicated efforts of the faculty, staff, and students as well as with the support from the Ministry of Health and Family Welfare, Government of India.

**Dr. K. S. James**  
Director and Sr. Professor

## **(Deemed to be University)**

**(An Autonomous Organisation of Ministry of Health and Family Welfare, Govt. of India)**

The Institute has completed 67 years of its glorious existence and 38 years as a “Deemed to be University”. I am happy to report the activities of the Institute for the academic year 2022-23.

Since its inception in 1956, IIPS had been at the forefront of conducting training programmes in Population Studies for trainees from various countries in Asia and the Pacific region. The programme was initially funded by the UNESCAP and later by the UNFPA. Through one-year programme, the Institute offered a “Certificate in Population Studies (CPS)” which was later re-designated as “Diploma in Population Studies (DPS)”. Institute has trained personnel from various countries of Asia and the Pacific region, under this programme who occupy key positions in the field of population, health and development in government departments, universities and in international organizations. List of students who have completed the different teaching programmes of the Institute over the years and by country is presented in Tables A & B of the Appendix-1.

In August 1985, IIPS was awarded the status of a Deemed University and in 1986, the Institute started awarding its own Ph.D. degree in Population Studies. Till date, the Institute has awarded Ph.D. degree to 419 candidates including 11 foreign candidates.

In 1988-89, the Institute started a one-year degree course entitled “Master of Population Studies (MPS)”. Till date, the Institute has awarded the MPS degree to 878 students. The Institute introduced Masters programme through distance learning mode in 1994-95, and 496 students have been awarded degree through distance learning till date.

From the academic year 2002-03, the Institute started a degree course in Master of Philosophy (M.Phil.) in Population Studies, and to date 637 students have been awarded the degree.

From the academic year 2009-10, IIPS has launched a two-year degree course, viz. M.A / MSc in Population Studies for undergraduate students desiring to pursue graduate programme in population studies. In the year 2013-14, the Institute introduced another two-year degree course, viz. Master of Science in Biostatistics and Epidemiology, which was later renamed as Master of Science in Biostatistics and Demography (MBD).

IIPS also awards Diploma in Health Education Promotion (DHPE), a Post Graduate Diploma in Community Healthcare (PGDCH) and Post Graduate Diploma in Hospital Management (PGDHM). These courses are conducted by the National Institute of Public Health and Research, Mumbai, affiliated to IIPS. The one-year Diploma in Health Education (DHE) was initiated in August 1987 and later renamed as Diploma in Health Promotion Education (DHPE) in 2001-02. So far 710 students including 28 foreign students have been awarded DHPE. The PGDCH was started in 2006-07 and to date 67 students have received diploma.

The Institute functions can be classified under categories of teaching, training, research, consultative services and documentation. The Institute has eight academic departments with well qualified faculty members. The details of the teaching departments, Faculty members, and Group A officers is presented in Appendix II.

## I. TEACHING PROGRAMMES

### 1. REGULAR COURSES

During the academic year 2022-23, the Institute offered the following regular courses: (a) Doctor of Philosophy in Population Studies/Biostatistics & Demography (Ph.D.), (b) Master of Arts / Science in Population Studies (M.A/M.Sc.), (c) Master of Science in Biostatistics and Demography (MBD), (d) Master of Population Studies (MPS), (e) Diploma in Health Promotion Education (DHPE), and (f) Post Graduate Diploma in Community

Healthcare (PGDCH). Apart from these programmes, the Institute also offers M.A. in Population Studies through distance learning and a postdoctoral fellowship programme. The following table provides a summary of the courses offered, number of students awarded diploma/degree and number of students enrolled during the academic year 2022-23.

Degree/ Diploma	No. of Students Awarded degree in 2022-23	Course Coordinator	List of Students awarded degree/ enrolled
Ph.D. Degree in Population Studies/Bio-Statistics and Demography	33	Prof. S.K. Singh	Awarded Degree: Appendix III– 1 Pursuing: Appendix IV-1A to 1C
Master of Arts/Science (M.A./M.Sc.) in Population Studies (Duration- 2 Years)	33	Dr. Manoj Alagarajan Dr. Reshmi R. S	Awarded Degree: Appendix III– 2 Enrolled: Appendix IV– 2
Master of Science in Biostatistics and Demography (MBD) (Duration- 2 Years)	32	Dr. Dilip T. R Dr. Kaushalendra Kumar	Awarded Degree: Appendix III– 3 Enrolled: Appendix I– 3
Masters of Population Studies (MPS) (Duration- 1 Year)	42	Dr. Harihar Sahoo Dr. Suresh Jungari	Awarded Degree: Appendix III– 4
Diploma in Health Promotion Education (DHPE) (Duration- 1 Year)	21	Dr. Amol Ade	Awarded Degree: Appendix III– 5
Post Graduate Diploma in Community Health Care (PGDCHC) (Duration- 1 Year)	15	Dr. Sudhir Wanje	Awarded Degree: Appendix III– 6

Master of Arts (M.A.) in Population Studies(Distance Mode)	23	Prof. Nandita Saikia	Awarded Degree: Appendix III– 8
Post-doctoral Fellowship (Non- degree)	3	Prof. S. K Singh	Pursuing: Appendix IV-4

### **i. Doctor of Philosophy in Population Studies (Ph.D.)**

The Institute has well qualified faculty to guide students admitted to the Ph.D. programme through a highly competitive process that involves their previous academic records, online entrance test, proposal writing, followed by personal interview.

This academic year, 33 students have completed all the requirements for the award of Ph.D. degree. Appendix III-1 provides the list of successful candidates receiving the degree in this academic year for the award of the Ph.D. degree.

A total of 182 students are pursuing Ph.D. Of them, 63 are recipients of the Government of India Research Fellowship, 87 are recipients of the UGC Fellowship, eight from NFSC Fellowship, three from NFOBC Fellowship and 14 students without fellowship. 13 students have submitted their thesis, and 13 students have presented their Synopsis. The details of the PhD students are presented in Appendix IV.

**Prof. S. K. Singh is the coordinator.**

### **ii. Master of Arts/Science (M.A/M.Sc.) in Population Studies**

The course is of two years' duration. This academic year 33 students qualified for the award of the degree. The list of students receiving M.A. / M.Sc. degree is given in Appendix III-2.

The 30 students currently enrolled for the programme (2022-24) is presented in Appendix IV.

**Dr. Manoj Alagarajan and Dr. R. S. Reshmi are the coordinators.**

### **iii. Master of Science in Biostatistics and Demography (MBD)**

The course is of two-years duration. This academic year 32 qualified for the award of the degree The list of students receiving MBD degree for this academic year is given in Appendix III-3.

The 31 students currently enrolled for the program (2022-24) is presented in Appendix IV.

**Dr. T. R. Dilip and Dr. Kaushalendra Kumar are the coordinators.**

### **iv. Master of Population Studies (MPS)**

Holders of a Master's Degree from any recognized universities in relevant social science subjects are eligible for admission to the Master of Population Studies course. In this academic year, 41 students were admitted to MPS with the Government of India fellowship and 42 qualified including one student from the previous year for the award of the degree. The list of students receiving the MPS degree for this academic year is given in Appendix III-4.

**Dr. Harihar Sahoo and Dr. Suresh Jungari are the coordinators.**

**v. Diploma in Health Promotion Education (DHPE)**

This course is of one-year duration. During the current academic year, 21 students have successfully completed the course and qualify to get the degree. The list of students receiving DHPE for this academic year is given in Appendix III-5.

**Dr. Amol Ade is the coordinator.**

**vi. Post-Graduate Diploma in Community Health Care (PGDCH)**

This course is of one-year duration. During the current academic year, 15 students have successfully completed the course and qualify to get the degree. The list of students receiving PGDCH in this academic year is given in Appendix III-6.

**Dr. Sudhir Wanje is the coordinator.**

**vii. Post-Doctoral Fellowship (PDF)**

Four students are presently pursuing post-Doctoral training and their details are presented in the Appendix IV.

**Prof. S. K. Singh is the coordinator.**

**2. DISTANCE LEARNING COURSES**

The Institute has been recognized by the Distance Education Council for offering MA in Population Studies through Distance Learning.

**a. M. A. in Population Studies (DISTANCE LEARNING)**

On the recommendation of University Grants Commission, the Institute has started M.A. in Population Studies course from the academic year 2017-18. Earlier it was known as Masters of Population Studies (MPS). During this year, 23 students have completed all the requirements for the award of M.A degree (Distance Learning). Appendix III-9 provides the list of successful candidates receiving the degree in this academic year for the award of the M.A and MPS (DL). Currently 264 students are enrolled in this programme.

In view of overwhelming demand from other countries, the course is now open to students from countries in the ESCAP region.

**Prof. Nandita Saikia is the Head, CDOE of distance learning courses.**

**DISSERTATION**

The dissertation constitutes a crucial part of the teaching programme of the Institute, as it contributes significantly to the development of research potential of the students. Towards the end of the course, all students enrolled in various courses at the Institute are required to prepare a dissertation under the guidance of a faculty supervisor. The students present their dissertations in a specially organized Student-Faculty Seminar. Appendix V (Tables A, B, C, D, E, F and G) provides list of dissertations presented by the students during the current academic year (2022-23).

## Awards / Medals

### 1. GOLD MEDAL

A student whose overall performance is adjudged to be the best in the M.A/M.Sc. programme is awarded the **Prof. Asha A. Bhende Gold Medal**. A student whose overall performance is adjudged to be the best in the M.Sc. programme in Bio-Statistics and Demography (MBD) is awarded the **Prof. S. Mukerji Gold Medal**. A student, whose overall performance is adjudged to be the best in the

MA (Distance Learning) programme, is awarded the **Prof. K. Srinivasan Gold Medal**. A student, each from DHPE and PGDCH and PGDHM programmes, whose overall performance is adjudged to be the best, is awarded the **IIPS Gold Medal**. A student from MPS programme, whose overall performance is adjudged to be the best, is awarded the **Dr. C. Chandrasekaran Gold Medal**.

### 2. SILVER MEDAL

IIPS Silver medals are awarded to students whose overall performance is ranked as the second best, in the respective programme –M. A

/M.Sc., MBD, MPS, DHPE, PGDCH, and M.A. (Distance learning).

### 3. BEST PAPER / DISSERTATION / THESIS

A student from MA/M.Sc. & MBD, whose term paper is rated as best is awarded the Best Dissertation Award. A student from MPS programme, whose term paper is rated as the best, is awarded the **Dr. J. R. Rele Award**. This award is based on the content of the Seminar Paper, presentation and defense skill of the

student while presenting the paper at the **Student–Faculty Seminar**. A Ph.D. scholar is awarded **Dr. P. N. Mari Bhat Gold Medal** adjudged based on the quality of the thesis. This award has been instituted in memory of Prof. P. N. Mari Bhat by his Family.

## II. TRAINING PROGRAMS

IIPS has a well-established Short Term Training Program (STTP) Unit. The unit periodically organizes training programs for the professionals, teachers from universities/colleges, research scholars, NGOs, Government officials and students from India and abroad. The training programs are usually of one to two-weeks duration addressing contemporary and relevant themes related to population, health, development, methods of data collection, analysis of large survey data, application

of statistical software etc.

This academic year, the unit has organized three training programs.

**Coordinators:** Prof T.V. Sekher and Dr. Dipti Govil are the Coordinators and Dr. M. V. Vaithilingam, and Ms. Irin Solomon are the research staff in the STTP unit. The following training programmes were organized during the academic year 2022-23.

### Training program on “Demographic Concepts and Techniques”

International Institute for Population Sciences and the Registrar General & Census Commissioner, India jointly organized a one-week training program for the ORGI officers on “**Demographic Concepts and Techniques**” from April 03<sup>rd</sup>-08<sup>th</sup>, 2023 at IIPS. The training program was conducted for the Group ‘A’ officers of the ORGI. 23 participants attended the training program. Prof. T. V. Sekher, Training Program Coordinator, IIPS, welcomed the participants and the ORGI officials. Prof. K. S. James, Director,

IIPS, chaired the inaugural session. Shri. Sanjay, Additional Registrar General of India, inaugurated the workshop. Shri S. Dasgupta and Shri. A.N. Rajeev, Deputy Registrar Generals also spoke on the occasion. Shri M.M. Pandey

and Dr. Gopal Agarwal (ORGI) coordinated the training program and accompanied the trainees to IIPS. The program was organized on different topical sessions which included lectures by IIPS faculty, and computer applications. The resource persons were Prof. Aparajita Chattopadhyay, Dr. Dipti Govil, Dr. Illias K. Sheikh, Prof. S. K. Mohanty, Dr. Manas Pradhan, Prof. Chander

Shekhar, Dr. Guru Vasishtha, Prof. H. Lhungdim, Prof. Sayeed Unisa, Dr. Suryakant Yadav, Prof. Nandita Saikia, Prof. K. C. Das, Prof. Archana K. Roy, Prof. Usha Ram, Dr. Kaushalendra Kumar, Prof. T. V. Sekher and Prof. R. Nagarajan. The training program covered topics such as Population and age-sex structure, Concepts and measurements of Fertility, Mortality and Morbidity, Population projection methods, Concepts and measures of Urbanisation and Migration, Life Table and its Applications, Population Policies and programs, Population and Development. The participants

were given certificate.

### Training Programme on “Survey Methods and Data Analysis of NFHS-5”

The Hands on Training Programme on “Survey Methods and Data Analysis of NFHS-5” was a four-day workshop organized by the Ministry of Health and Family Welfare, Government of India, Short Term Training Program Cell, IIPS in collaboration with Department of Demography, University of Kerala, Thiruvananthapuram during 16-19 November, 2022. Prof. Laxmi Kant Dwivedi, Professor, Department of Survey Research & Data Analytics, IIPS, led the workshop and two research scholars of IIPS, Ms. Anjali Bansal and Mr. Somnath Jana, assisted during workshop. Around 50 research scholars/faculty members attended the workshop, including 5-10 post-graduate students. Dr. Anil Chandran S., Head, Department of Demography, University of Kerala, began by introducing the objective of workshop. He welcomed Prof. K.S. James, Director & Sr. Professor, IIPS, Shri. P. Manoj Kumar, Chief Director (Statistics Division), Ministry of Health and Family Welfare, GoI, Prof.

T.V Sekher, Coordinator of Short Term Training Program, IIPS, Prof. Laxmi Kant Dwivedi, and thanked them for conducting the workshop. He also welcomed Dr. Gabriel Simon Thattil, Director of the Internal Quality Assurance Cell, University of Kerala and Prof. P.M. Nair, Emeritus Professor of the Department of Demography. The participants were taught how NFHS-5 has been designed and computation of weight in NFHS. The estimation of fertility and mortality indicators were also discussed including Multivariable regression analysis. Importance of application of survey weight was also presented in workshop.

## Training Programme on 'Survey Methods & Data Analysis of Large-Scale Sample Surveys'

The International Institute for Population Sciences, Mumbai (IIPS) in collaboration with Regional Medical Research Centre (ICMR-RMRC) Bhubaneswar organized a five-day Hands-on Training Programme on 'Survey Methods & Data Analysis of Large Scale Sample Surveys' from 15<sup>th</sup> March to 19<sup>th</sup> March 2023, at ICMR-RMRC Bhubaneswar. Dr. Sanghmitra Pati, Director ICMR-RMRC, Bhubaneswar inaugurated the workshop and introduced the

resource persons Prof. Usha Ram and Prof. L K Dwivedi to the participants.

23 participants attended the workshop. Prof. Usha Ram and Prof. L K Dwivedi conducted the workshop and Mr. Prakash Kumar and Mr. Somnath Jana assisted in the hands on exercises.

### III. SYMPOSIUM, MEMORIAL LECTURES, SEMINARS, WORKSHOPS & WEBINARS

#### A. Symposium

##### Symposium on the International Day of Older Persons- 2022

Centre for Ageing Studies of IIPS organized a symposium on the International Day for Older Persons on 3<sup>rd</sup> October 2022. The theme for this year was *“Resilience of Older Persons in a Changing World”*.

The speakers in the symposium were Mr. Mathew Cherian, (Board Chair, CARE India and former CEO, HelpAge India), Dr. Sundeep Salvi, (Director, Pulmocare Research and Education (PURE) Foundation, Pune) and Prof. Asha Banu Soletti, (Dean, Tata Institute of Social Sciences, Mumbai). Prof. K.S. James, Director & Sr.

Professor, IIPS, chaired the symposium and talked about the relevance of the theme and Prof. T.V. Sekher, Head, Centre for Ageing Studies, welcomed everyone to the symposium and introduced the guest speakers. Mr. Mathew Cherian in his speech talked about the interventions undertaken by the Government and

Supreme court for the elderly. According to him, the most important and critical intervention in old

age is good health followed by children to look after the elderly. As Helpage International Ambassador on ageing, Mr. Cherian shared his many experiences in dealing with ageing issues. Dr. Sundeep Salvi discussed on ageing and health problems. Dr. Salvi said there are various biological mechanisms that have been responsible to the ageing process. Further he talked about the determinants of healthy ageing such as cognitive training, exercise, diet, spiritual life and counselling. Prof. Asha Banu Soletti focused her talk on mental health and its implication for elderly. Along with healthcare, it is also important to understand how families are equipped and prepared to take care of senior citizens. Prof. Banu further talked about the

factors influencing mental health of older persons in individual as well as community level. The

presentations were followed by question-answer session. The symposium ended with a formal vote of thanks by Prof. R. Nagarajan, Associate Head, Centre for Ageing Studies. Nearly 200 persons (faculty, students and researchers and

NGO representatives from Mumbai) Participated in the symposium. The recording of the symposium can be accessed at: [Symposium - YouTube](#)

### **World Population Day Symposium and India Launch of United Nations World Population Prospects – 2022**

On the occasion of World Population Day, the Publications Cell of IIPS organized the World Population Day-2022 Symposium and the India launch of the United Nations World Population Prospects-2022. Prof. Vegard Skirbekk, Professor, Columbia Aging Center, Columbia

University, Prof. U. S. Mishra, Professor, Department of Bio-Statistics and Epidemiology, IIPS and Dr. Rajeshwari Chandrasekar, Head,

UNICEF, Maharashtra were the eminent speakers for the Symposium. Prof. K. S. James,

Director IIPS, chaired the session and Prof. T. V. Sekher, Coordinator, welcomed the gathering and introduced the program.

Prof. Vegard Skirbekk, made his presentation on “Social and biological drivers of low fertility”. He said that the social factors are the primary drivers of low and late fertility. Lower mortality, education, higher costs of childbearing, skill biased technological change, the changing role of women and alternative time use have contributed to changes in reproductive behavior. He also pointed out that most likely future events (pandemics, economic downturns, environmental catastrophes, technological breakthroughs offsetting labour) may depress the fertility further. As part of the World Population Day celebrations,

the United Nations World Population Prospects 2022 was launched in India and the recorded speech of Dr. John Wilmoth, Director, UN Population Division, was played. He talked about

the six key messages from the world population prospects-2022. It was followed by Prof. U S Mishra's comments on the major findings of world population prospects-2022. He talked about the imbalance in population distribution trends and the population stabilization. He concluded by

saying population prospects is quite important in formulating indicators. Dr. Rajeshwari Chandrasekar in her speech, reminded the audience that despite all the challenges, the world population day offers a moment to celebrate human progress. We have advanced in health with extended life spans, reduced maternal mortality and child mortality. Technological innovations have eased our lives and has connected us more than ever. The symposium was followed by the declaration of winners of the essay writing completion, organized as part of the

world population day. Students from various colleges and universities in Mumbai city participated in the Essay writing competition. The cash prizes and certificates were distributed to the winners.

Following are the winners:

Graduate Students:

1. Ms. Shravani Mhaisala, Ramnarain Ruia Autonomous College, Mumbai
2. Ms. Tulsi Panda, Dr. BMN College of Home Sciences, Mumbai

Post-graduate Students:

1. Ms. Akshita Vikani, Tata Institute of Social Sciences, Mumbai
2. Ms. Varsha Rani, International Institute for Population Sciences, Mumbai

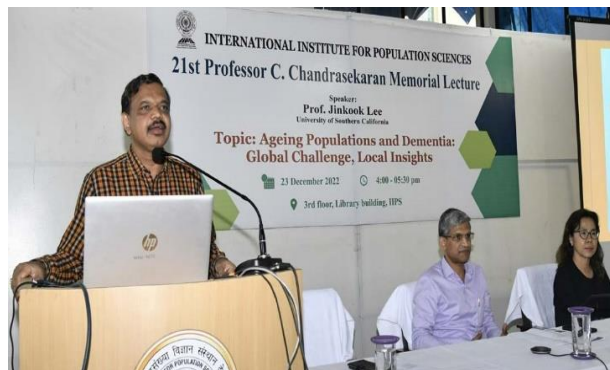

Nearly 300 participants attended the programme. Dr. Dipti Govil, proposed the formal vote of thanks.

The recording of the program is available and the link is given below. [World Population Day Symposium and Launch of World Population Prospects-2022 at IIPS - YouTube](#)

## B. Memorial Lectures

### 21<sup>st</sup> Prof. C. Chandrasekharan Memorial Lecture

International Institute for Population Sciences (IIPS) organized the 21<sup>st</sup> Prof. C. Chandrasekharan Memorial Lecture on 23<sup>rd</sup> December 2022 on hybrid mode. The Memorial

Lecture series is held annually in the memory of **Prof. C. Chandrasekharan**, former Director of IIPS. Prof. Chandrasekharan developed the well-known Chandra-Deming formula to provide better estimates of vital events which is the backbone of the Sample Registration System, India, that collects data on vital events. He was the President of the International Union for the Scientific Study of Population (IUSSP) during 1969 to 1973. Prof. Chandrasekharan was instrumental in initiating and conducting the well-known Mysore Population Study in the early fifties, which was jointly undertaken by the Government of India and the United Nations. Prof. Chandrasekharan was a pioneer in Indian

demography. **Prof. T.V. Sekher**, Coordinator of Publications Cell, welcomed the participants and spoke in brief about Prof. C. Chandrasekharan and his contributions. He also introduced the guest speaker Prof. Jinkook Lee. **Prof. K. S. James**, Director and Sr. Professor, IIPS, chaired the session and highlighted the importance of ageing in India and the need to study dementia among elderly. **Dr. Jinkook Lee** is a Research

Professor of Economics and the Program Director of Global Aging, Health, and Policy at the Center for Economic & Social Research, University of Southern California. She has led the development of an international data harmonization project, the Gateway to Global Aging Data (g2aging.org), which is a platform for population survey data on aging from many countries around the world. She has co-led the development and implementation of the Longitudinal Aging Study in India (LASI) and is the principal investigator of the Harmonized Diagnostic Assessment of Dementia for the Longitudinal Aging Study in India (LASI-DAD), an interdisciplinary project on dementia and cognitive aging. She delivered the lecture on the topic **“Ageing Populations and Dementia: Global Challenge, Local Insights”**. During the

presentation Prof. Lee discussed on the dramatic growth in the World's older population. Further she explained on dementia and stressed upon the fact that age is the strongest known risk factor for dementia. It has been noted that more women expect to live with dementia than men. Prof. Lee explained on the findings of the Harmonized Diagnostic Assessment of Dementia for the Longitudinal Study of Aging in India, (LASI-DAD), a HCAP study in India. After her presentation, the question-answer session was followed. Dr. Dipti Govil, Coordinator of the Publications Cell, proposed the formal vote of thanks. The lecture

was attended by over 250 participants physically and 30 joined online. The video recording of the lecture is available at: [The 21st. Professor C. Chandrasekaran Memorial Lecture at IIPS delivered by Prof. Jinkook Lee, USC - YouTube](#)

### 12<sup>th</sup> Prof. Asha A. Bhende Memorial Lecture

International Institute for Population Sciences (IIPS) organized the 12<sup>th</sup> Prof. Asha A. Bhende Memorial Lecture on 21<sup>st</sup> February 2023. The

Memorial Lecture series is held annually in the memory of Prof. Asha A. Bhende, former Director of IIPS. Prof. Bhende was an accomplished academican and a prolific writer. Her book "Principles of Population Studies" co-authored with the late Prof. Tara Kanitkar of IIPS has had 20 editions over the years. Prof. Bhende worked as a consultant to many international and national organizations. She was a Board member of the Foundation for Research in Health Systems and National Association for the Blind, and a

Chairperson of the Ashish Gram Rachana Trust, Indian Institute of Health Management, Pachod, Maharashtra. Her book on her life, titled "Majhya Jagaat Mi" (In my own world, am I) was published. Prof. Bhende was a unique combination of artistic talent and academic brilliance, who is remembered with respect and affection. **Prof. T.V. Sekher**, Coordinator of Publications Cell, welcomed the participants and spoke in brief about Prof. Asha A. Bhende and her contributions. He also introduced the guest

speaker Prof. Angel M. Foster. **Prof. K. S. James**, Director and Sr. Professor, IIPS, chaired the session. **Dr. Foster** is a Professor in the

Faculty of Health Sciences at the University of Ottawa, Canada. She holds a doctorate from the University of Oxford in Middle Eastern Studies, an MD from Harvard Medical School, and both master's and bachelor's degrees from Stanford University. Dr. Foster is a global abortion researcher and leads projects in 22 countries in Asia, Africa, Europe, the Middle East, and North America. She has authored more than 100 articles and co-edited three books. She delivered

her lecture on the topic ***“Abortion, politics, and the pill that promised to change everything: The global journey of mifepristone”***. During the presentation Prof. Foster gave a brief history of mifepristone and misoprostol and an overview of abortion worldwide. She further discussed on the regulations on mifepristone in the US. Prof. Foster explained on the studies and researches she has done in different parts of the world like Tunisia, Poland, Thailand, Pakistan etc. using telemedicine logs, community based distribution

of the medication, expanding it to rural areas of the country and the outcomes from all these initiatives. The goal is to have Mifegymiso available directly from pharmacists in at least one province by 2025. After her presentation, the question-answer session was followed. Dr. Dipti Govil, Coordinator of the Publications Cell, proposed the formal vote of thanks. The lecture was attended by over 250 participants physically. The video recording of the lecture is available at: [The 12th Prof Asha A Bhende Memorial Lecture delivered by Prof Angel Foster, on 21st Feb 2023 @ IIPS - YouTube](#)

### 15<sup>th</sup> Prof. P. N. Mari Bhat Memorial Lecture

International Institute for Population Sciences (IIPS) organized the 15<sup>th</sup> Prof. P. N. Mari Bhat Memorial Lecture at IIPS on 2<sup>nd</sup> March 2023. The Memorial Lecture series is held annually in the memory of Prof. P. N. Mari Bhat, former Director of IIPS. Prof. Bhat had a very distinguished academic career. He obtained his Ph.D. in Demography from University of

Pennsylvania under the guidance of Dr. Samuel Preston, a renowned mathematical demographer. Prior to joining IIPS as its Director in 2005, Dr. Bhat worked as a Professor at the Institute of Economic Growth, Delhi, as Director of PRC at Dharwad, and as Associate Professor at Centre for Development Studies, Trivandrum and also at ISEC, Bangalore.

His research works reflected a unique combination of statistical acumen and social science perspectives in demographic research. He was pioneer in providing fertility and mortality estimates for colonial India and for the early decades of independence. For a detailed discussion on Prof. Bhat's research contribution to Indian demography, see "P.N. Mari Bhat: An Intellectual Tribute" by M. Das Gupta, S.H. Preston, V. Rao and T.V. Sekher, Economic and Political Weekly, Vol. XLII (36), 2007.

**Prof. K. S. James**, Director and Sr. Professor, IIPS,

chaired the session. **Prof. T.V. Sekher**, Coordinator of Publications Cell, welcomed the participants and spoke in brief about Prof. P.N. Mari Bhat and his research contributions. He also introduced the guest speaker **Prof. Lalit Dandona**. Professor Lalit Dandona is a Distinguished Research Professor, Public Health Foundation of India and Professor of Health Metrics Sciences, Institute for Health Metrics and Evaluation, University of Washington, Seattle, USA. Prof. Dandona is Director of the India State-

Level Disease Burden Initiative, which is a collaboration between PHFI, ICMR and IHME and over 100 institutions across India and several global partners. Besides health and disease measurement and its application to policy, the research of Prof. Dandona's teams in India over the past 25 years includes a wide range of population-based studies and health system assessments. Prof. Dandona serves on the International Advisory Board of The Lancet and on the editorial boards of several other journals. He has published widely in peer-reviewed journals, and has served as scientific reviewer for

over fifty journals and various international granting agencies. Prof. Dandona's profile has been published in The Lancet. He received the inaugural BioMed Central Research Award in Medicine, and he is included in the Stanford Mendeley Database of top global scientists. He has served as a technical expert in public health and policy for governments, academic institutions, international organizations and funding agencies. Prof. Dandona received his medical training at the All India Institute of Medical Sciences, the Johns Hopkins University and the University of Maryland, and public health training at the Johns Hopkins University. He delivered his lecture on the topic "**Estimation of Subnational Demographic and Disease Burden Trends in India: Opportunities, Challenges, and Capacity Building**". After his presentation, the question-answer session was followed. Dr. Dipti Govil,

Coordinator Publications Cell, proposed the formal vote of thanks. The lecture was attended by over 250 participants physically. The video recording of the lecture is available at: [The 15th Prof. P N Mari Bhat Memorial Lecture, delivered by Prof. Lalit Dandona, on 2 March 2023 @ IIPS - YouTube](#)

### Dr. B. R. Ambedkar Memorial Lecture

Dr. B.R. Ambedkar Memorial Lecture was held on 20th April 2022 at IIPS. Prof. Bhalchandra Mungekar, a former member of the Planning Commission and former Vice-Chancellor, University of Mumbai delivered the lecture on "Relevance of Ambedkar's thoughts in contemporary India." Prof. K. S. James, Director, International Institute for Population Sciences (IIPS) chaired the lecture. Dr. R. B. Bhagat, Professor and Head, Department of Migration and Urban Studies, IIPS, was the discussant for the lecture. Prof. Bhalchandra Mungekar highlighted the contributions of Dr. Ambedkar in shaping the socio-economic policies of India. He quoted the shastras and argued that everything in the society is dominated by the way the men think, and views of women often ignored. The relevance of Dr. B. R. Ambedkar's thoughts for

contemporary India is beyond our imagination. One of the significant contributions of Dr. B.R. Ambedkar to Indian society being the understanding and analysis of caste, untouchability, gender, and social equality. He also encouraged young scholars to think rationally and sensibly when understanding society.

Prof. K. S. James said that Dr. Ambedkar had left his mark across the disciplines, including economics, law, political science, and even population studies. Prof. R. B. Bhagat said that the thoughts of Dr. Ambedkar and Mahatma Gandhi are equally crucial and relevant in the current age. Large number of participants, both from the Institute and from outside, attended the program.

## IUSSP Laureate Award for Prof. K. Srinivasan

**Professor Krishnamurthy Srinivasan**, former Director of the International Institute for Population Sciences and National Fellow, Indian Council for Social Science Research, was selected as the International Union for the Scientific Study of Population (IUSSP) Laureate for the year 2023. A leading academician in the field of demography, Prof. Srinivasan is the first Indian to have received this award. The IUSSP Laureate award is conferred every year on those individuals who have made notable strides in the advancement of demography and population sciences. IUSSP is a global network of scientists and researchers working to promote the scientific study of the population. This award recognizes his outstanding contributions to the field of demography, as a researcher, a teacher and in the evaluation of family planning programs.

As Director of the International Institute for Population Sciences (IIPS) for more than 14 years, Professor Srinivasan played a crucial role in shaping demographic teaching and research in Asia. Under his leadership, India initiated the Demographic Health Survey (DHS) - known as the National Family Health Survey (NFHS) - in 1990, considered the largest demographic and health survey in the world. He was a member of the National Statistical Commission. He was also visiting professor at Australian National University and University of North Carolina, USA. Prof. Srinivasan was the Executive Director of the Population Foundation of India, New Delhi (1995-

2002). A career spread over six decades, and in many institutions in India and abroad, starting from Gandhigram Rural Institute

of Health and Family Welfare in Tamil Nadu, Population Center at Bangalore, IIPS in Mumbai, PFI, New Delhi and UNESCAP in Bangkok, Prof. Srinivasan played many roles with his distinct mark as a teacher, researcher, institution builder and advisor to many Governments and organizations. Laureate award ceremony was held on 9<sup>th</sup> March 2023. Dr. Shireen Jejeebhoy, President, IUSSP, chaired the event. Those who spoke on the occasion about Dr. Srinivasan's career and achievements include: Prof. T.V. Sekher, Prof. Amy Tsui, Prof. Tim Dyson, Prof. Alaka Basu, Prof. Frans Willekens, Prof. Sureeporn Punpuing, Dr. Sanjay Kumar, Prof. K. S. James, Prof. P. M. Kulkarni, Dr. K.M. Sathyanarayana, Prof. Sayeed Unisa and Dr. Padmavathi Srinivasan. ## **C. Seminars**

### **IIPS National Seminar 2023**

#### **75 Years of India's Demographic Changes: Process and Consequences**

To commemorate the 75 years of India's independence, International Institute for Population Sciences (IIPS) and Institute for Social and Economic Change (ISEC) jointly organized the XXVII IIPS National Seminar 2023 on the theme of "75 years of India's Demographic Changes: Process and Consequences" at ISEC, Bengaluru during 23-25 Feb 2023. The seminar began with a welcome address by Prof. D. Rajasekhar, Director and HAG Professor, ISEC, Bangalore. Prof. K.S. James, Director and Senior Professor of IIPS presented on the genesis and relevance of the seminar theme. The seminar was inaugurated by Shri. T.K. Anil Kumar, IAS, Principal Secretary, Health and Family Welfare Department, Karnataka. The session was chaired by Padma Shri Prof. Sukhadeo Thorat, former chairman of the UGC and Chairperson of the Board of Governors, ISEC. The seminar also felicitated Prof. K. Srinivasan, who became the first Indian to receive the prestigious 2023 IUSSP Laureate Award. The inaugural session ended with the formal vote of thanks by Prof. H. Lhungdim, IIPS. The seminar brought together a diverse group of experts from all over India and seven foreign countries to discuss the demographic changes that have occurred in India and their implications. The seminar consists of 4 plenary sessions, 15 technical sessions and 2 poster sessions. The plenary sessions deliberated on four themes: a) 75 Years of India's Demographic Change: Processes and

Consequences, b) Nutritional Issues in Karnataka: Policies and Programmes, c) Maternal and Neonatal mortality transition framework in India and States, and d) Population Research Centre's Vision: Past to Future. In addition, a total of 84 papers were orally presented in 15 technical sessions touching upon various themes such as Demographic and Health Transition, Mortality Transition, Fertility and Family Planning, Child Health & Education, Morbidity and Quality of Life, Maternal Health, Internal Migration, South Asia Migration by SALAM, Findings from Swabhimaan Intervention Study, Nutrition & Health, Livelihood and Healthcare, Elderly Wellbeing and Health. Fifty-five papers were presented in two poster sessions and the three best posters were awarded for each session. The seminar was successfully concluded on 25th February with a formal vote of thanks by Ms B. P. Vani on behalf of the organizing committee. The seminar was organized under the patronage of Prof. K.S. James Director & Sr. Professor, IIPS and Prof. D. Rajasekhar Director, ISEC. Coordinators of the seminar from IIPS were Prof. H. Lhungdim Prof. Archana K. Roy Prof. Dhananjay Bansod Dr. Dilip T.R. Dr. Pradeep Salve from IIPS and from ISEC were Prof. T. S. Syamala Dr. Lekha Subaiya Ms. B. P. Vani. Seminar Secretariat team were Mr. Manish Kumar Ms. Priya Mudaliar Ms. Sheetal Zore Mr. Devendra Kumar Yadav from IIPS.

## Visit of University of Southampton students to IIPS

Ten undergraduate students and 3 faculty and research staff from the University of Southampton visited IIPS during March 20-24 as a part of their field trip. During their visit, visitors got a unique opportunity to observe NFHS-6 mapping and household listing in Mumbai. They also got an opportunity to visit the field site of the IIPS LoSMINM study located in Raigarh district of Maharashtra. The NFHS-6 and LASI teams interacted with the visitors on their respective studies. Students also got an opportunity to conduct qualitative interviews with the PhD

students and project staff of IIPS.

## Memorandum of Cooperation

The International Institute for Population Sciences (IIPS) and the National Institute of Population and Social Security Research (IPSS), Japan, signed a Memorandum of Cooperation (MoC) on March 8 2023 at IIPS for promoting joint teaching and collaborative research. The MoC was signed by Prof. K.S. James, Director & Senior Professor, IIPS and Dr. Reiko Hayashi, Deputy Director-General, IPSS.

## Guest Lecture

The Centre for Ageing Studies of IIPS organized a guest lecture on 30<sup>th</sup> January 2023 by **Prof. Laishram Ladu Singh**, Vice - Chancellor, Bodoland University, Kokrajhar, Assam & former Officiating Director, IIPS. The lecture was on "Basics of NTA and NTTA". The lecture mainly focused on understanding generational economy for ageing population through National Transfer Account (NTA) and counting

women and elderly work through National Time Transfer Account (NTTA). The lecture was attended by more than 50 Ph.D. students and faculty members. Few Ph.D. scholars and faculty are currently working on NTA data Sets for their research. Prof. T. V. Sekher, Head, Centre for Ageing Studies welcomed the speaker and Dr. Preeti Dhillon proposed vote of thanks.

The Short-Term Training Program Cell of IIPS organized a guest lecture on 23<sup>rd</sup> January 2023 by **Prof. Abhiroop Mukhopadhyay**, Professor, Indian Statistical Institute (Delhi). The lecture was on the topic - “Empirical Analysis: A Primer”. The lecture mainly answered questions like “Does Access to Modern Contraception lead to worsening sex ratios?” and How do we identify such “causal” relations? The lecture briefly introduced to use of multivariate regression models to problems of causal inference. It explored the concept of what an “experiment” means for social scientists and how to interpret regressions as the first step to experimental design. The lecture also introduced students to

the idea behind two popular experimental Designs-Difference in Difference (DID) and Panel Data identification. The lecture was attended by 52 PhD scholars and Master students. Prof. T. V. Sekher, Co-ordinator, STTP, introduced the speaker and coordinated the program.

## **D. Workshops**

### **Hands-on Workshop on “Use of Gridded Population Data”**

The GENDER Project of IIPS along with INED, France organized a two-day hands-on workshop on 'Use of Gridded Population Data' at IIPS during September 6-7, 2022. The training programme was attended by 40 young faculty members and PhD students. The instructors for the workshop were Dr. Ankit Sikarwar and Dr. Valerie Golaz (both from INED, France). The Coordinators of the GENDER project are Prof.

K.S. James, Prof. Abhishek Singh, and Dr. Kaushalendra Kumar. The GENDER Project is funded by the Bill and Melinda Gates Foundation.

### **Workshop on “Harmonization of Ageing Data around the World”**

The Centre for Ageing Studies and Short-Term Training Programme (STTP) Cell of the International Institute for Population Sciences (IIPS) jointly organized a one-day workshop on “Harmonization of Ageing Data around the World” on 07th November, 2022 at ICT centre, IIPS. 48

participants from various universities/research institutes attended the workshop. The resource persons were Prof. Jinkook Lee, Director, Program on Global Ageing, Health, and Policy, University of Southern California, Ms. Sandy Chien, Director of Data Management, University

of Southern California and Ms. Sarah Petrosyan, Programmer, University of Southern California.

The Gateway to Global Aging Data (<https://g2aging.org>) is a platform for population survey data on ageing around the globe. The Gateway has done harmonization of LASI, HRS, MHAS, ELSA, SHARE, CHARLS, KLoSA, JSTAR, TILDA, MARS and CRELES datasets, with which researchers can undertake comparable studies across countries. The workshop was organized to enhance the researchers' capability to utilize the harmonized HRS-family datasets by providing them hands on training. The workshop discussed on the Health and Retirement Studies (HRS) across 41 countries and also covered the Harmonized Cognitive Assessment Protocol (HCAP). The

afternoon session was on the introduction to the gateway to global ageing data which was followed by practical classes. Prof. K. S. James, Director, IIPS, inaugurated the workshop. Prof. T. V. Sekher, Head, Centre for Ageing Studies, IIPS outlined the workshop programme and introduced the resource persons. Prof. Jinkook Lee spoke about the increasing need for comparative research and the importance of cross-country data sets to understand many dimensions and implications for population ageing. Those who successfully completed the workshop were given certificates. The recording of the workshop can be accessed at: [Workshop on Harmonization of Ageing Data - YouTube](#)

### Workshop on “Health Programmes and Impact Evaluation Methods”

Indian Health Economics and Policy Association (IHEPA) and International Institute for Population Sciences (IIPS) jointly organized a workshop on “**Health Programmes and Impact Evaluation Methods**” from March 20-24, 2023 at IIPS. 29 participants mostly PhD scholars and young faculty members from various universities attended the workshop. Prof. T. V. Sekher, Workshop Coordinator, welcomed the participants. Prof. K. S. James, Director, IIPS,

inaugurated the workshop. Dr. Subrata Mukherjee, Secretary, IHEPA gave an outline of

the workshop. Prof. U. S. Mishra, President of Indian Health Economics and Policy Association (IHEPA) and International Institute for Population Sciences (IIPS) jointly organized a workshop on **“Health Programmes and Impact Evaluation Methods”** from March 20-24, 2023 at IIPS. 29 participants mostly PhD scholars and young faculty members from various universities attended the workshop. Prof. T. V. Sekher, Workshop Coordinator, welcomed the participants. Prof. K. S. James, Director, IIPS, inaugurated the workshop. Dr. Subrata Mukherjee, Secretary, IHEPA gave an outline of the workshop. Prof. U. S. Mishra, President of IHEPA, spoke about the activities of the association. The workshop was organized on different topical sessions which included lectures by subject experts. The resource persons were Prof. U. S. Mishra, Dr. Subrata Mukherjee, Prof. Lakshmi Lingam, Prof. L.K. Dwivedi, Dr. Bharti Nandwani, Prof. Chander Shekhar, Dr. T. R. Dilip, Prof. Amar Jesani, Dr. Rudra Narayan Mishra and Dr. William Joe. The workshop discussed on the contemporary health issues and state-of-the-art research tools and techniques. The decisions of how various health policies and programmes

should be designed, and resources be spent on them must be informed by an understanding of how well these policies and programmes produce their desired outcomes. The workshop provided a rigorous overview of the tools and techniques to evaluate the causal effect of health policies and programmes. The tools and techniques included randomised control experiments and quasi-experiments such as difference-in-difference, regression discontinuity, propensity score matching and instrumental variables. The participants got an exposure on how to design and conduct an evaluation study, how to interpret evaluation results, read evaluation research carefully and understand the advantages and limitations of each method.

### **Workshop on “Introduction to Python programming”**

Department of Survey Research and Data Analytics had successfully conducted a five days hands-on training workshop on “Introduction to Python programming” held during 1-5 March 2023 at ICT lab, IIPS, Mumbai. This training workshop was the first offline workshop in the series of upcoming workshops of the department. The workshop was designed to give participants

an overview of the basics of the python programming and to provide a practical, hand-on approach to learning. The workshop covered various topics starting from a brief overview of the Python interpreter, vector, list, dictionaries, tuples, string manipulation, file handling, function module, regular expression, numpy and panda's

library and data visualization using matplotlib library. A total of 29 participants which includes master's students, research scholars, and working professionals from different universities and organizations across the country attended and successfully completed the workshop.

### **PRC Scientific & Advisory Committee Meeting & Workshop on Large Scale Data Analysis**

International Institute for Population Sciences and Ministry of Health and Family Welfare, Govt. of India jointly organized the PRC Scientific & Advisory Committee Meeting & Workshop on Large Scale Data Analysis for the PRC staffs from March 27<sup>th</sup>-29<sup>th</sup>, 2023 at IIPS. The meeting of PRC Scientific and Advisory Committee (PSAC)

was held on 27<sup>th</sup> March 2023. The PSAC meeting was held in hybrid mode and was chaired by Prof. K. S. James, Director & Sr. Professor, IIPS. Ms. Anjali Rawat, DDG (Stat.) and Shri.Kumar Sundaram, Director (Stat.), members of Project Management Unit and other officials were present. The pan India studies of AWS 2022-23

were discussed in the meeting. The state reports of the study-Menstrual health and hygiene among adolescent girls in climate vulnerable areas of India were presented and discussed in the meeting. Representation of all Population Research Centres participated in the deliberations. On the second day, the workshop was conducted on the topic NFHS: Methodology & Data Analysis and the sessions were taken by

Prof. Abhishek Singh, Prof. Chander Shekar and Prof. Laxmi Kant Dwivedi. The next day, the workshop was on the topic Longitudinal Ageing Study in India (LASI): Methodology & Data Analysis. The session was taken by Prof. T. V. Sekher and LASI team.

### **Workshop on “Nutrition, Health and Hygiene in Mess & Hostel”**

IQAC and IIPS Administration jointly organized a workshop on “Nutrition, Health and Hygiene in Mess & Hostel” from 20-26<sup>th</sup> July 2022 for the mess and hostel staff. The resource persons were Dr. Umesh M. Shenoy, Mrs. Natasha R. Surani and Dr. Rohini V. Ambekar. The programme had sessions on Maintenance on hygiene standards in hostels and mess, nutrition requirement for students, special concerns of girl students staying inside/outside IIPS campus etc.

### **Workshop on “Ethics and Integrity in Social Sciences and Health Research”**

The Short-Term Training Programme (STTP) Cell of the International Institute for Population Sciences (IIPS) organized a 5-days workshop on “Ethics and Integrity in Social Sciences and Health Research” during 04-08 April, 2022, on virtual platform. 25 participants from various

universities/research institutes attended the workshop. The workshop was organized on different topical issues which included lectures by subject experts, group discussions, case studies, etc. The resource persons were Dr. Amar Jesani, Independent Researcher (Bioethics, Public

Health), Dr. Sunita Sheel Bhandewar, Director, Health Ethics and Law Institute, Forum for Medical Ethics and Society, Dr. Mala Ramanathan, Professor, Achutha Menon Centre for Health Science Studies, SCTIMST, Thiruvananthapuram, Dr. Anant Bhan, Global Health Researcher and Lead, Sangath, Dr. Usha Ram, Professor, IIPS, Prof. Lakshmi Lingam, Dean, School of Media and Cultural Studies, TISS, Mumbai, Dr. Tara Korti, Assistant Professor, TISS, Mumbai and Dr. Dipti Govil,

Assistant Professor, IIPS. The workshop discussed on the existing national and international principles and guidelines on ethics that may enable participants to design and execute social and health research with ethical reasoning. The workshop also covered the ethical issues involved at different stages of research. Prof. K. S. James, Director, IIPS, inaugurated the workshop. Prof. T. V. Sekher outlined the workshop programme. Those who successfully completed the workshop were given certificates.

### **Workshop on “India Ageing Report-2022”**

Integrating Ageing Research in Policy and Programs Project of IIPS organized a workshop on India Aging Report-2022 during 6-7 May 2022 at Institute for Social and Economic Change (ISEC), Bangalore. Dr. Sanjay Kumar, UNFPA India, Prof. P.M. Kulkarni, Former Professor JNU, Dr. G. Giridhar, Independent Consultant, Prof. K.S. James, Director and Sr. Professor, IIPS, Dr. Harihar Sahoo, IIPS, Dr. Dipti Govil, IIPS, participated in the workshop. The draft chapters

of India Aging Report were extensively reviewed and the action plan of the project was discussed.

### **Workshop on Qualitative Research and Data Analysis**

A five-day qualitative research and data analysis workshop was organized during 6-10th March 2023. A total of 30 participants from reputed

universities and institutions across the country attended this offline workshop at the ICT unit on all five days. The participants were a good mix of

Ph.D. scholars and experienced researchers. The workshop aimed to conceptualize qualitative research, formulate problem statements and research questions, study qualitative approaches and design a qualitative study, acquaint qualitative data collection techniques and management, and analyze qualitative data using Anthropac, NVivo, and Atlas.ti, and write an article/report based on a qualitative study. The resource persons were Prof. TV Sekher, Prof. Usha Ram, Dr. Dipti Govil, and Dr. Manas Ranjan Pradhan.

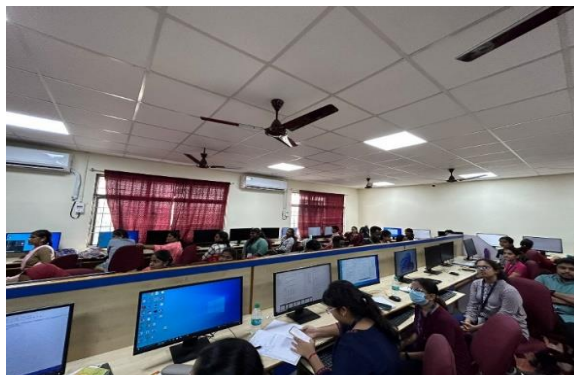

### **Faculty Development Program and Workshop on Design and Analysis of National Family Health Survey**

The Faculty Development Program and Workshop on Design and Analysis of National Family Health Survey (NFHS)-5 was a five-days workshop organized by Short Term Training Program Cell, IIPS in collaboration with SRM Institute of Science and Technology, Chennai during 6-10 March, 2023.

Dr. Benson Thomas, Associate Professor, School of Public Health, SRMIST, began by introducing the objectives of the workshop. He welcomed Prof. K.S. James, Director & Sr. Professor, IIPS, Lt. Col (Dr) A. Ravi Kumar, Pro.

Vice-Chancellor (Medical), SRMIST, Dr. Hari Singh, Dean, School of Public Health, SRMIST, Prof. T.V Sekher, Coordinator of Short-Term Training Program, IIPS, Dr. M. Bagavandas, Prof. and Head, Centre for Statistics, SRMIST, Dr. A. Duraisamy, Dean, Science and Humanities, SRMIST. Prof. Laxmi Kant Dwivedi, Department of Survey Research & Data Analytics, IIPS led the workshop and two research scholars of IIPS, Mr. Saurabh Singh and Mr. Somnath Jana provided teaching assistance during the workshop. Around 65 research scholars/ PG students and faculty members attended the workshop.

## IV. PROJECT RELATED ACTIVITIES

### Longitudinal Ageing Study in India (LASI):

#### First Meeting of the TAC of Longitudinal Ageing Study in India (LASI), Wave-2

Ministry of Health and Family Welfare, Govt. of India has constituted the Technical Advisory Committee (TAC) to guide the second wave of the Longitudinal Ageing Study in India (LASI). LASI wave 1 was undertaken during 2017-18 covering all States and Union Territories of India. LASI is India's first and the world's largest longitudinal ageing survey, examining the health, economic and social well-being of India's growing elderly population. IIPS is the nodal institution for implementing LASI in collaboration with the Harvard T.H Chan School of Public Health (HSPH) and the University of Southern California (USC). The first meeting of the newly constituted TAC was held in 26<sup>th</sup> August 2022 at New Delhi under the chairmanship of Prof. Arvind Pandey and co-chaired by Prof. Sulabha Parasuraman. Shri. Manoj Kumar, Chief Director (Stat.), MoHFW, welcomed the participants and emphasised the need and relevance of LASI. Prof. K. S. James, Director, IIPS, spoke about the

present stage of LASI activities. Prof. T. V. Sekher made a detailed presentation of LASI wave 1 survey and methodology and the changes suggested in wave-2 survey. TAC deliberated on various aspects of wave-2 survey and also constituted two sub committees to look into aspects of questionnaires and biomarkers. Those who attended the meeting included Mrs. Sandhya Krishnamurthy (DG, Stats.). MoHFW, Prof. A. B. Dey, Prof. Mathew Varghese, Prof. M.H. Suryanarayana, Prof. S. Siva Raju, Prof. S. Irudaya Rajan, Ms. Roli Khare and IIPS faculty co-ordinator.

### National Family Health Survey (NFHS) – 5

#### Release of NFHS-5 National Report

As part of the Swasthya Chintan Shivir organized by MoHFW in Tent City, Kevadia, Gujarat during 5-7 May, 2022, the NFHS-5 National Report was released by Dr. Mansukh L. Mandaviya, H'ble Union Minister for Health and Family Welfare on 5 May, 2022. Subsequently, IIPS conducted the National Dissemination Workshop in Delhi on 5-6 August, 2022. **A two-day national dissemination workshop on NFHS-5 findings**

Release of NFHS-5 National Report by Union Minister Dr. Mansukh Mandaviya

**was organized jointly by the Ministry of Health & Family Welfare and the International Institute for Population Sciences, on 5<sup>th</sup> and 6<sup>th</sup> August 2022 at Hotel Ashok, New Delhi.**

Shri Rajesh Bhushan, Secretary, MoHFW, GOI inaugurated the grand event along with Smt. Roli Singh, AS & MD, NHM, Smt. Sandhya Krishnamurthy, DG & Shri P. Manoj Kumar, CD from Statistics Division, GOI. Director & Professor K. S James, Prof. S K Singh, Prof. Hemkothang Lhungdim, Prof. Chander Shekhar, Prof. L.K. Dwivedi, and Dr. Sarang Pedgaonkar from IIPS were present. More than 250 participants

**Two-day national dissemination workshop on NFHS-5 findings on 5<sup>th</sup> and 6<sup>th</sup> August 2022 at New Delhi**

attended the workshop from national & international organizations which included delegates and representatives from MoHFW, WHO, MoSPI, UNFPA, RGI, JNU, ICMR, IPE Global, WCD, PFI, IUSSP, ICRW, AIIMS, IIT, etc. Some important highlights from the survey findings that need to be focused on were: With the rise in institutional births across the country, there is also a concerning increase in Cesarean section births, Obesity is an emerging concern among all age groups, the need in improving resources for marginalized populations, covering mental health dilemmas, existing son preference, creating more awareness about early breastfeeding and suitable dietary habits for infants, and menstrual protection. The Ministry of

Health & Family Welfare, Government of India, and the International Institute for Population Sciences (IIPS), jointly organized a one-day **Regional Dissemination Workshop on the findings of National Family Health Survey-5 (2019-21) on 23<sup>rd</sup> April 2022** at the Hotel Lords Plaza, Jaipur. Nearly 120 participants attended the Workshop, who were mainly health officials from the three states, and invitees from PRCs

**State report release by Ms A. Jorwal, IAS, Mission Director (Incharge), NHM, Govt. of Rajasthan**

(Delhi and Madhya Pradesh), and representatives from UNFPA, UNICEF, WHO, WASH, IIHMR, NGOs, Media, etc. The Inaugural session of the Workshop started with the lighting of the ceremonial lamp by the dignitaries, followed by Welcome Address from Prof. Chander Shekhar, Coordinator, NFHS-5. Shri P. Manoj Kumar, Chief Director (Statistics),

**Prof. K.S. James, Director, IIPS, delivering Keynote address**

MoHFW, Govt. of India, gave Introductory speech and spoke about the coverage and content of the NFHS-5. Prof. K S James, Director, IIPS delivered the Keynote Address by emphasizing the importance of NFHS-5 findings in policy framing and program evaluation at the district, state and national levels. Ms. Anupama Jorwal, IAS, Mission Director NHM (In-charge), Govt. of Rajasthan, delivered the Inaugural Address and underlined the achievements of Rajasthan in maternal and child health indicators and expressed her gratitude to MoHFW and IIPS for choosing Rajasthan for the regional workshop. She also released the reports of three states in the presence of officials. In the first Technical session, “Importance of NFHS-5 findings for policy marking, especially in the context of Sustainable Development Goals”, was presented by Shri P. Manoj Kumar, Chief Director (Stats), MoHFW. Dr. S. Ghosh, Addl. Commissioner, MoHFW, Govt. of India presented key highlights of RMNCH+A for three states in the region and their districts. Prof. Chander Shekhar talked about issues emerging in the area of Household Environment, Maternal Health, Fertility and Family Planning. Prof. L.K. Dwivedi presented findings on Child Health & Nutrition in the region. The last presentation of this session was made by Dr. S. Pedgaonkar on Adult health, NCD's, Women empowerment & Domestic Violence showing the situation in three states. Two panel discussions were also organized. The first one was chaired by Shri Manoj Kumar, Chief Director (Stats) and Dr. Sumita Ghosh where two state level officials from each state were asked to speak about the RMNCH+A programmes in view of NFHS-5 results. The second panel was chaired

by Prof. Dharendra Kumar, IIHMR, Jaipur. This panel consists of Ms. Nidhi Satija, Joint Director (Stats.), MoHFW, Govt. of India, representative of UNFPA, representative of UNICEF and Media Social Activist, Ms. S. Mathur. The workshop ended with formal vote of thanks by Dr. Sarang Pedgaonkar. The Ministry of Health & Family Welfare, Government of India, and the International Institute for Population Sciences (IIPS), organized a **one-day Regional Dissemination Workshop on National Family Health Survey (2019-21) on 19th April, 2022** at Assam Administrative Staff College, Guwahati.

**One-day Regional Dissemination Workshop on National Family Health Survey (2019-21) on 19th April, 2022**

Around 140 participants attended the programme from 8 North-Eastern states. Dr. Harsh Mangla, Director NHM, Assam, was the chief guest on the occasion. Dr. Sumita Ghosh, Add Commissioner (CH/AH/RBSK), MoHFW also graced the event. From IIPS, Prof. Hemkothang Lhungdim, Prof. Laxmikant Dwivedi and Dr. Sarang Pedgaonkar were the presenters and Smt. Sandhya Krishnamurthy, Mr.P. Manoj Kumar and Ms. Nidhi Satija from MoHFW were present. For the South zone, the **workshop was organized in KTDC Mascot Hotel, Thiruvananthapuram, Kerala on 27th May, 2022**. Nearly 110 participants attended the Workshop, mostly health officials from the 5

southern states and 3 UTs. Dr. Bharti Pravin Pawar, Hon'ble Minister of State for Health & Family Welfare, GOI graced the occasion. Dr.

Govt. of Odisha were special invitees. Director & Sr. Professor K. S James, Prof. S K Singh, Prof. Hemkothang Lungdim, Prof. L.K. Dwivedi, Smt. Sandhya Krishnamurthy, and Ms Vaishali from IIPS and MoHFW, respectively were there. Some prominent observations from the workshop were: Prevalence of high blood pressure showed a similar pattern by gender but increases with age across the Eastern states. Spousal Violence can be seen the highest in Bihar from this zone. Jharkhand is yet to achieve a replacement level Fertility. Son preference can be seen least in West Bengal in this region. On **23<sup>rd</sup> & 24<sup>th</sup>**

**September, 2022, A two-day training workshop on the Survey Methods and Estimation in NFHS was jointly organized by the Ministry of Health & Family Welfare and the International Institute for Population Sciences at New Delhi.** The training workshop was designed with the objective that participating officers/staff to deliberate on sampling strategies designed, indicator development, and data quality. Also, discussing estimates derived from NFHS and their methodological comparison with various other data sources like NSSO, SRS etc. NFHS dissemination was also organized at the

regional conference of the Indian Association for the Study of Population (IASP) held at the University of Kashmir, on 29<sup>th</sup> September, 2022. Prof. S K Singh, Prof. Hemkothang Lhungdim, Prof. Chander Shekhar, and Prof. L.K. Dwivedi were made presentation on “Accelerating Health and Wellness in J&K: Evidence from NFHS-5”. Dissemination aimed to help health officials to strategize important policy decisions for intervention at the grass root level, and to gain helpful insights on district-level performance. Key indicators from NFHS-5 which are aligned with SDGs and hence, the results will track the progress made and will help the government to plan in achieving the SDGs by 2030.

#### **NFHS-6 Pretest:**

Since NFHS will be providing indicators at the district level, the sample size will be much bigger,

making it a mammoth task for data collection. In each selected household, three different types of schedules (household, woman and man) will be canvassed based on predefined eligibility criteria. woman and man) will be canvassed based on predefined eligibility criteria. In addition, the

**Formal inauguration of pretest by Dr. Minakshi Joshi, Principal, CASFOS by lighting of lamp**

clinical, anthropometric and biochemical testing (CAB) will be done for individuals in these households, again, based on predefined eligibility criteria. As CAB component involves collection of blood samples and data on biomarkers, it is important to understand the reactions of respondents to the range of tests to be conducted including Malaria, HbA1C and Vitamin D3 testing. It was also decided to examine their responses on getting a signed consent for CAB testing. Data collection in CAPI will ensure better quality with minimum inconsistencies and missing cases, save data entry time, and reduce the scope of field editing. Hence, to ensure high data quality through use of the CAPI and other related field procedures are carried out smoothly, the need for thorough testing at all instruments prior to the actual survey. Pretesting will also ensure that the survey is carried out with minimum disruptions and within the estimated time frame. For this reason, it was decided to conduct a pretest to test all the instruments and protocols of the survey. Accordingly, IIPS has developed,

finalized and translated the survey instruments (paper-pencil and CAPI versions), and prepared survey manuals. The training for pretest was

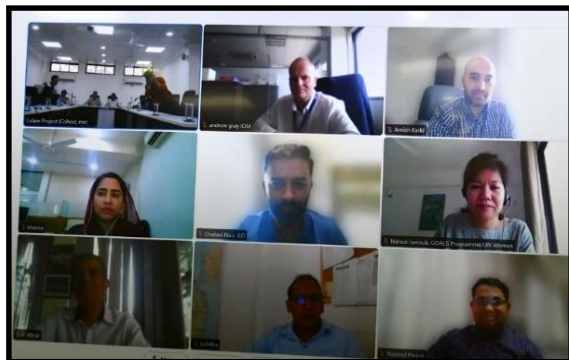

Dr. Preeti Dhillon welcoming the dignitaries. done during June 20-30, 2022 at CASFOS, Deharadun followed by 6 days of fieldwork. In order to gain good experience and to have better insights into the implementation of survey protocols across different types of localities/areas, 10 different types of PSUs were

chosen for field practice-6 rural and 4 urban PSUs, from Deharadun and Tehari Garwal districts of Uttarakhand State. Based on the pretest experience, IIPS has revised the CAPI software and also made relevant changes in NFHS-6 questionnaires and protocols. International Institute for Population Sciences [IIPS] as a nodal agency for conducting the National Family Health Survey [NFHS] under the aegis of the Ministry of Health and Family Survey was also the prime host for all the regional dissemination and a two days training programme. These regional disseminations with the help of the fifth round of NFHS estimates cover extremely useful emerging issues & challenges and track the progress over time of key indicators in various areas like Reproductive and Child Health, Fertility & Family Planning, Adult Health & NCDs, Women's Empowerment and Domestic violence, etc.

## South Asia Centre for Labour Mobility and Migrants (SALAM)

### 1<sup>st</sup> Executive Committee Meeting

The first executive committee meeting of South Asia Centre for Labour Mobility and Migrants (SALAM) was held on **5<sup>th</sup> April 2022**. The purpose of this meeting was to review the work progress from October 2021 to March 2022. Systemic plan

of action for the concept note, a review of literature for the national and regional thematic papers were discussed. All the partner organizations including donor agencies, attended the meeting.

### Advisory Meeting

The first Advisory meeting of the South Asia Centre for Labour Mobility and Migrants (SALAM) was held on **13<sup>th</sup> June 2022**. The purpose of this meeting is to discuss the progress of SALAM. How can SALAM better inform and foster evidence-based gender-responsive policy, dialogue, and policy change in the region? The

meeting was attended by Prof. Irudaya Rajan, Prof. Binod Khadaria, Prof. Pushpendra Singh, Prof. S.K. Sasikumar, Prof. Sanchita Baneerjee, Dr. Sugandha Nagpal, and SALAM partner organisations and donor agencies.

### **SALAM Partner Organisations -Interns Meet**

A Meeting platform for all the Young Interns of SALAM from various partner organizations from four countries (Pakistan, Nepal, Sri Lanka, and Bangladesh) was organized on **17<sup>th</sup> June 2022**. It was a knowledge-sharing and interactive platform where interns discussed about the current activities.

### **SALAM -Partner Organizations Meeting**

The SALAM partner organizations meeting was held on **8<sup>th</sup> August 2022**. In this meeting, discussion on SALAM website, National workshop, Thematic papers, and Migration Data Portal were discussed. This meeting was attended by the partner organizations from CESLAM Nepal, RMMRU, Bangladesh, IPS Sri Lanka, SDPI Pakistan, and IIPS India and UN-

Women (donor agency).

### **Collaboration between SALAM and UC Berkeley**

A formal launch of the collaboration between SALAM and UC Berkeley was held on 13<sup>th</sup> October 2022. The webinar on “Climate Resilience in the Global South: Perspectives from South Asia” was organised, and five speakers from partner organisations namely Prof. R.B. Bhagat (Professor, IIPS), Madhukar Upadhyaya (CESLAM, Nepal), Mr. Kashif Salik (SDPI, Pakistan), Dr. Manoj Thibbotuwawa (Head, Agricultural Economic Policy, IPS Sri Lanka) and Prof. Tasneem Siddiqui (RMMRU, Dhaka) delivered lecture.

### **Public Lecture by Dr. Sanchita Baneerjee,**

Dr Sanchita Baneerjee, Executive Director, UC Berkeley, USA, visited the IIPS, Mumbai, on 20<sup>th</sup> December 2022 to discuss the collaboration and action plan. Post-meeting, she also delivered Lecture on the topic “The Garment Industry in Bangladesh under COVID – 19: Lessons from the Rana Plaza Disaster on How We Understand Worker Safety”.

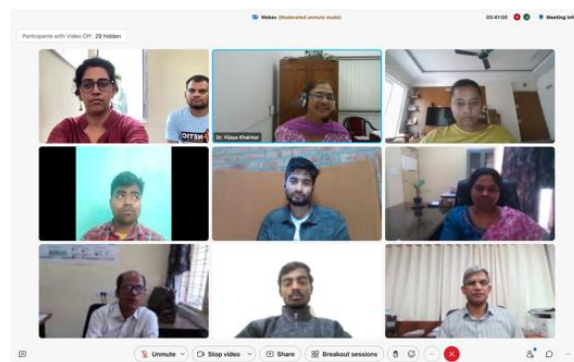

### **SALAM International Workshop**

SALAM organized an online International Workshop on 13<sup>th</sup> Dec -17<sup>th</sup> Dec 2022 titled “Researching Labour Migration in South Asia: Data, Methods and Theory”. 48 people participated in the workshop and 8 international participants

attended the international workshop. The resource persons for the workshop were Prof. R. B. Bhagat, IIPS, Prof. K.C. Das, IIPS, Mr. Debabrata Mukherjee, Ministry of Labour and Employment, Govt. of India, Ms. Nansiri Iamsuk, UN Women, Bangladesh Mr. Andrew Gray, IOM, Sri Lanka, Prof. Archana K. Roy, IIPS, Dr. Reshmi R.S, IIPS, Dr. Kashif Salik, SDPI, Pakistan, Dr. Arjun Kharel, CESLM, Nepal, Mr. Mahmudol Hasan Rocky, RMMRU, Bangladesh. All participants were given e-certificates.

### Advisory committee meetings

There have been two meetings of the advisory committee. The second meeting was held on 12th January 2023. The purpose of this advisory meeting to discuss the progress of SALAM. SALAM has quickly progressed to establish a good working relationship amongst the member institutions and has been taking the work forward as a collective initiative.

### SALAM - Partner Organization Meeting

There have been two meetings with the SALAM partner organizations. The first meeting was held on 8th August 2022, and the second was held on 19th September 2022. The key discussion was around SALAM website update, National workshop, Thematic papers, and Migration Data Portal was discussed. This meeting was attended by all the partner organizations from CESLAM Nepal, RMMRU, Bangladesh, IPS Sri Lanka, SDPI Pakistan, and IIPS India and UN-Women (Donor agency) attended the meeting.

## Technical Support for School Survey in Timor-Leste

The IIPS is providing technical support for the nationwide “Baseline Survey on Say No to 5S in Schools” undertaken by the World Health Organization Timor-Leste (WHO-TLS) country office for the Ministry of Health and Ministry of Education, Youth, and Sports Affairs, Government of Timor-Leste (formerly East Timor). The 5S interventions are initiated as part of the school health programme in Timor-Leste (2022-26). Starvation, Soil-transmitted helminthiasis, Skin diseases, Smoking, and Sugary/Alcoholic Drinks are the focal areas in the 5S intervention. The study aims to provide baseline data for impact and outcome indicators to serve as a point of comparison for a final evaluation and to inform

program targeting and design. School level survey of coordinators, teachers and students was launched on 6<sup>th</sup> July 2022.

Dr. Dilip with participants at the Training of enumerators for Baseline Survey, held from 29<sup>th</sup> June to 3<sup>rd</sup> July 2022 at UN House Caicoli, Dili, Timor-Leste

## V. THE PUBLICATIONS CELL

IIPS has a well-established Publication Cell Unit, which looks after the publication of Newsletters, Research Briefs and Working Paper Series from the faculty members and other subject experts / scholars. Prof T. V. Sekher and Dr. Dipti Govil are the Coordinators of the PC unit.

### 1. Publications of the Institute:

The **IIPS Newsletter** provides information about various ongoing activities of the institute. Two issues of the IIPS Newsletter were published during the academic year 2022-2023. The publication of “**Research Brief Series**” was started in 2007, to provide an opportunity to the faculty, Ph.D. students and visiting fellows to quickly disseminate the important findings of their research studies before being published as research reports or in a scientific journal. So far 23 research briefs have been published under

this series. The ‘**Working Paper Series**’ was started during 2009-10 with an objective of disseminating new research ideas, the theoretical development and methodological insights. The papers published under this series are peer- reviewed by two external experts working in the areas of Population, Health and Development. So far 27 Working papers have been published.

### 2. Publications of the Faculty:

The members of the faculty along with research staff/ students published several research papers in reputed journals and prepared a number of project reports during the year 2022-23. The number of books, Research Papers, Articles, Chapter in Books, Published Research Reports, Monographs, Research Briefs, Fact sheets of

IIPS Faculty along with Research Staff published during the year 2022-22 is given in the table

below along with the details in the appendix.

Sr. No.	Particulars	No. of publications	Appendix
1.	Books	1	APPENDIX-VI.A.1.
2.	Research Papers/ Articles/ Chapters in Books	176	APPENDIX-VI.A.2.
3.	Published Research Reports / Monographs / Research Briefs Factsheets of IIPS Faculty / Research Staff	31	APPENDIX VI.B.

## VI. RESEARCH PROJECTS

The Institute conducts research programme using its own resources and also through external funding. The externally funded projects are usually initiated at the request of the concerned

agencies. The details of the continuing/new as well as completed projects funded by the Institute are given below:

### A. Research Projects Completed

Sr. No.	Project Name	Co-ordinators	Status	Funding
1	Violence against women (Domestic and spousal) among the tribes in Northeast India: Complementing qualitative information with NFHS data	Dr. C.J. Sonowal	Completed	Internal

## VII. SEMINAR / CONFERENCES / WORKSHOPS / MEETING ORGANIZED / PAPERS PRESENTED / LECTURES DELIVERED / ATTENDED BY FACULTY / RESEARCH STAFF

The faculty members and other research staff of the Institute organized, presented scientific papers, delivered lectures and attended various

national and international seminars / conferences / workshops / meetings in the field of population and related disciplines held in India and abroad

which is provided in the following table with the details in the Appendix. In addition, the members of the faculty are also part of many academic and

professional bodies. These details are provided in the following table:

### **VIII. STUDENTS RESEARCH ACTIVITIES**

Institute encourages students to prepare and submit research papers for various conferences and seminars. The Institute looks for excellence and tries to empower the students in various ways. The knowledge/skill imparted to them is reflected through their publications, conference paper presentations, and the increasing demand for our students from various national and international organizations (vide Appendix-VIII)

Sr.No.	Particulars	No. of publications/ Events	Appendix
1	Papers published in Journals/edited books by Research Scholars/ Students either alone or jointly with the faculty	61	APPENDIX-VIII.A
2	Papers presented in seminar/ conferences by Research Scholars/ Students	39	APPENDIX VIII.B.
3	Workshops attended by Research Scholars/ Students	37	APPENDIX VIII.C.

### **XI. DELEGATES AND VISITORS TO THE INSTITUTE**

The list is given in the Appendix IX.

## **Centre for Distance and Online Education (CDOE)**

IIPS has been playing a vital role in shaping the discipline of population studies. The Department of Extra Mural Studies and Distance Education (EMS & DE) was added in 1994 to upskill the working professionals in a manner of not only theoretical framework but also to apply the skills in real-life situations. The EMS&DE is now renamed as Centre for Distance and Online Education (CDOE). Since its inception, the Department of EMS&DE has been focusing to provide quality education and training especially for the working professional through distance mode. Since the last three decades, the Department of IIPS has played a major role in creating hub in the sub-continent for enhancing knowledge and professional skills to the participants in the field of population, health and development issues. The CDOE is committed for imparting knowledge of society's most pressing challenges, and to pursuing solutions to those challenges through innovative and interdisciplinary research, education, and engagement.

The Center initially started Master of Population Studies (MPS) and Distance in Population Studies (DPS) Programmes. Presently, the Centre is offering the need-based distance

course with the recommendation of UGC in the field of population data analysis and inter-relationship between population and development namely 'M.A. in Population Studies'. The programme focuses on developing an understanding of the conceptual basis of population structure, processes, analytical methods and tools, hands on exercises using demographic and statistical softwares, and related policy issues. It provides the audience with expertise in research and data analysis. During its three decades of academic legacy, a total of 2,191 distance learners enrolled from India and outside India.

The CDOE has been conducting several academic activities throughout the year, such as Contact Programme (CP), Doubt Clearing Sessions, Counselling Sessions, etc. During the last academic session, 2022-23, two CPs (nine days programme) were conducted during June and December 2022. The Centre also conducted eight doubt-clearing and counselling sessions (on Sundays) in this academic period. All these sessions were moderated and chaired by Prof. K.C. Das (former head of the Centre) and Dr. Illias K. Sheikh (faculty of the Centre).

## **Centre of Demography of Gender**

The International Institute for Population Sciences launched 'Centre of Demography of Gender' within the Department of Population and Development on October 01 2021. The new center aims to carry out high-quality interdisciplinary teaching and empirical research on various aspects related to population, health,

and development in India and abroad. A key mandate of the new center is to develop gender related course curriculum which suits to the requirements of various stakeholders. Capacity building, through tailor-made short-term courses. The new center will act as a central data repository in India from where individuals,

institutions or other stakeholders can access all data related to issues on gender. It will also provide timely policy inputs to the central and state governments and local administrative bodies for formulation of appropriate policies and programmes from time to time.

### **Inaugural seminar of Centre of Demography of Gender**

Centre of Demography of Gender organized the inaugural Seminar on 21 July 2022 in the institute. Five eminent speakers in the area of demography of gender delivered the lectures on relevant thematic areas of the CDG. Prof. Christophe Guilmoto, CEPED Paris, discussed about Gender inequalities in India. Prof. Sonalde Desai NCAER, New Delhi/ University of Maryland, USA, spoke on gender and economic participation in India. Prof. T K Sundari Ravindran, UNU-IIGH, Malaysia, spoke on Men's knowledge, attitude, practice and health and Prof. Anita Raj, UC San Diego, USA, delivered a talk

on Gender and violence. Prof. K.S. James, Director and Senior professor chaired the seminar and introduced the CDG to participants. Prof. Abhishek Singh, Head of the CDG presented mandate and activities of the center, Prof. Aparajita Chattopadhyay welcomed and introduced the seminar, and Dr. Suresh Jungari proposed the vote of thanks. The seminar was attended by current and former faculty members, research scholars, students and invited guests in large numbers.

## **X. LIBRARY**

The International Institute for Population Sciences library has a huge collection of resources taking into consideration the course contents and research needs of the Institute. It holds about 87,749 books, 19,527 bound volumes of periodicals, 17,185 reprints and 642 audio-visual materials and subscribes to over 320 (Print + Online) journals. There are 27,800 research articles from the core journals and edited books indexed and made available through Online Public Access Catalogue (OPAC). The library has a collection on population studies and its principle domains

including, philosophy, psychology, religion, sociology, statistics, economics, education, mathematics, anthropology, public health, history, geography, etc. The library provides a host of information services to its users like Current Awareness, New Additions, Selective Dissemination of Information, Online Public Access Catalogue (OPAC), Document Delivery Service, Photocopy facilities, Reference Service, Bibliographic service, metadata interpolation and so on. The library has a special collection of census volumes published in the pre-independence period (Census of India 1872 to

1941 in PDF format) till the latest Census 2011. The library provides access to several online databases like JSTOR, SCIENCE DIRECT (social science collection), SCOPUS, INDIASTAT, CMIE Database, NEJM, UN Database and other leading publisher's online collection relevant to health and population sciences. The library provides remote access through iProx21 to IIPS repository and more than 2000+ online (full-text) journals to the authorized users. The IIPS library has an institutional membership with INFLIBNET, DELNET, IASLIC, NIRD, IASSI, etc. and exploring maximum services for the benefit of the Institute. The Institute is an active member of INFLIBNET-

Shodhganga. It also provided Urkund (Original) Software for Plagiarism check. The library has a reading hall equipped with comfortable furniture, air-condition and Wifi facility. The library working hours are 8 a.m. to 2.00 a.m. (Mon-Fri) and 9.30 a.m. to 2.00 a.m. on Saturdays.

Library provides RFID (Radio Frequency Identification) facility for issue/return of books, journals, reprints to the library users. Identification of Core Collection of Population Studies; digitization of State Level Census Volumes of India are the major activities of the IIPS library in 2022.

**Dr. K. Praveen Kumar** is the Library and Information Officer.

## **XI. INFORMATION COMMUNICATION AND TECHNOLOGY UNIT**

The information, Communication, and Technology (ICT) Unit provides effective and developmental ICT services and plays a critical role in enabling the institute to deliver high-quality education, training, and cutting-edge research. Under the National Knowledge Network project, the Institute has acquired a 1-GBPS internet link from NIC. The ICT unit has two computer labs equipped with 48 and 16 high-configuration computers with all modern audio-visual devices. Moreover, necessary statistical and demographic software, such as IBM SPSS Version 28, STATA Version 16, SAS 9.4, and ArcGIS Pro 2.x, NVIVO required to analyse demographic datasets are installed with a multiuser-licenses. The other important softwares are MORTPAK, Spectrum, Endnote X7, and ATLAS.ti.

The ICT division creates, maintains, and updates information on the institute's website & Social media accounts regularly. The unit provides

webmail service enabling remote access to its users, and technical support to the e-Governance (e-Office) application.

The institute uses ICT services like video conferencing and learning management systems to deliver online courses, provide access to course materials, and dissemination of large-scale demographic datasets.

The Data Centre at IIPS has all relevant demographic datasets such as census, and various rounds of large-scale surveys conducted by IIPS, which can be directly accessed by IIPS users. Through a web portal, online databases of surveys conducted by IIPS are also disseminated to the registered users.

This year, on 3<sup>rd</sup> April 2023, the Office of the Registrar General, India (ORGI) and IIPS have signed a Memorandum of Understanding to set up a Census Data Research Workstation in the ICT unit in order to provide researchers with

secure access to anonymized five percent of microdata collected under the census operation.

**Prof. Chander Shekhar is the In-charge of the**

**ICT Unit and Mr. A.K. Mishra is the System Manager.**

## **XII. PLACEMENT CELL**

The placement cell is actively engaged in enhancing the placement opportunities for students graduating from IIPS. Students undergoing each course at IIPS nominate two of their representatives to the placement cell. Placement cell activities are largely planned and executed by these 12 student representatives with some guidance from the two placement cell coordinators (Dr T R Dilip and Dr Manas Ranjan

Pradhan). The placement cell conducted 8 training/ skill-building activities in 2022-23. IIPS recruited Mrs Nalini A as a placement officer in December 2022 mainly to liaise between potential employers and the placement cell. the placement cell assisted 32 students in identifying suitable summer-internship opportunities in public and private sector.

## OTHER ACTIVITIES

### CAPACITY BUILDING PROGRAMME

IQAC with IIPS administration jointly organized the capacity building programme on "*Ethics for administrative professionals in higher educational Institutes*" from 5-7 and 11 & 18<sup>th</sup> July at IIPS. The resource persons were Lt. Col. Prashant Borde, CAO, IIPS and Dr. K. Praveen Kumar, Library and Information Officer, IIPS. The programme had sessions on necessity of ethics for administrative professionals, moral judgement, antecedents and linkages with ethical climate,

case studies etc. The administrative staff and faculty members attended the session.

### FOOD FESTIVAL- LAZEEZ

On 30<sup>th</sup> May 2022, an amazingly mouthwatering food festival, the 3rd Food festival "**Lazeez**", was arranged by the International Institute for Population Sciences to celebrate the flavors from across the country. With fifteen counters spread across the ground, the event kick started with the encouraging words from Prof. K S

James, Director & Senior Professor and Cultural Coordinator, Prof. Aparajita Chattopadhyay. From the famous hot & Spicy *Litti-Chokha*, the iconic Bengali delicacy of Mutton Kosha, *paturi* and *dimer Chop*, special sweet dishes of Odisha, Kerala's own Malabar porotta and

naadan chicken curry to the traditional Cuban Punch, or as we call “Mojito”, and deliciously cheesy Pasta and Maharashtrian prawn and fish fry, along with ice-cream/ Kulfis, the stalls offered explosion of flavors. Students, staff and faculty delighted in the food alike, reminding

again about the feeling of family that IIPS always cherish. Lazeez was one such a platform that brought together those who love cooking and those who love eating! We thank our IIPS fraternity for making this programme sparkling.

### KNOW YOUR ALUMNI - IIPSAA LECTURE SERIES

International Institute for Population Sciences Alumni Association (IIPSAA) conducted the second lecture under the ‘Know your alumni’ lecture series on 06<sup>th</sup> September 2022. The lecture entitled “Higher Education Opportunities in Europe” was delivered by Dr. Aravinda Meera Guntupalli (Senior Lecturer, University of Aberdeen, UK). Dr. Aravinda’s research focuses on health inequalities across the life courses, nutrition and food insecurity among migrants, multidimensional poverty among older people and NCD related inequalities in middle-aged and older adults in low and middle-income countries. The speaker elaborated on different teaching as well as learning techniques of the European countries and how the students should address

the same effectively. Further, Dr. Guntupalli provided insights on various universities suitable for the students of IIPS, the availability of funds and fellowships to pursue the courses and the useful resources to avail these opportunities. More than 35 students joined this interactive and informative lecture.
