

IIPS Director's Report 2023-2024

(स्थापना/ Established in 1956)
बेहतर भविष्य के लिए क्षमता निर्माण
Capacity Building for a Better Future

INTERNATIONAL INSTITUTE FOR POPULATION SCIENCES

(Deemed to be University)

(An Autonomous Organisation of Ministry of Health and Family Welfare, Govt. of India)

B. S. Devshi Marg

(Govandi Station Road), Deonar, Mumbai, Maharashtra-400088

<https://www.iipsindia.ac.in/>

ACKNOWLEDGEMENT

International Institute for Population Sciences, established in 1956 as a demographic training centre and subsequently declared as a 'Deemed to be University' in 1985, has grown, over the period, as a research-intensive university with over 500 students pursuing graduate programs in the broader area of Population Sciences. IIPS completes another successful academic year 2023-24.

The progress of various nationally important studies over the last year has been commendable. The National Family Health Survey-6 (NFHS) is ongoing and for the first time, in NFHS-6 all aspects of the survey will be coordinated solely by the International Institute for Population Sciences, Mumbai. Five research studies providing important information on various aspects of health and demography are completed during 2023-24. IIPS students and faculty has an envious record of publication in high impact journals during the same period.

The Ministry of Health and Family Welfare has provided all the necessary support as in the previous years. I would like to place on record my sincere gratitude to Dr. Mansukh Mandaviyaji, Hon'ble Union Minister for Health and Family Welfare, and the President, General Council, IIPS for his keen interest and support in all the activities of the Institute. I would like to acknowledge Prof. S.P. Singh Baghel and Dr. Bharati Pawarji, Minister of State for Health & Family Welfare for their steady support for all the activities of the Institute. I am extremely grateful to Shri. Apurva Chandra, Secretary to the Government of India, Ministry of Health and Family Welfare and Vice-President, General Council, and Chairperson of the Executive Council, IIPS, for his constant support and engagement in the activities of the Institute. I would also like to express my appreciation and sincere thanks to, Shri Jaideep Kumar Mishra, Additional Secretary & Financial Advisor, and Ms. L.S. Changsan, Additional Secretary and Mission Director (NHM) for their support and motivation in various activities of the Institute. The Statistics Division led by Shri. Sukh Ram Meena, Director General (Stats), MoHFW and other supporting officials from Ministry of Health & Family Welfare, and colleagues for guiding all activities and extending their support for the smooth functioning of the Institute.

The members of the various statutory bodies, General Council, Executive Council, Standing Finance Committee, Academic Council, and Board of Studies and Research deserve special thanks for guiding us in all the important academic and administrative matters of the Institute.

I appreciate the support of various funding agencies for supporting several of our research and training activities. I am also grateful to Dr. Umesh Shenoy and Dr. (Mrs.) Rohini Ambekar, Ms. Priti Thakkar for providing necessary medical care and counselling support to our faculty, staff and students.

I would like to place my sincere thanks to all the members of faculty, staff, and students for their hard work and dedication in all the activities of the Institute. I am confident that the Institute will achieve greater leaps in the coming years with the dedicated efforts of the faculty, staff, and students as well as with the support from the Ministry of Health and Family Welfare, Government of India.

Prof. D. A. Nagdeve
Director (Addl. Charge)

INTERNATIONAL INSTITUTE FOR POPULATION SCIENCES

(Deemed to be University)

(An Autonomous Organisation of Ministry of Health and Family Welfare, Govt. of India)

The Institute has completed 67 years of its glorious existence and 38 years as a “Deemed to be University”. I am happy to report on the activities of the Institute for the academic year 2023-24.

Since its inception in 1956, IIPS has been at the forefront of conducting training programmes in Population Studies for trainees from various countries in Asia and the Pacific region. The programme was initially funded by the UNESCAP and later by the UNFPA. Through a one-year programme, the Institute offered a “Certificate in Population Studies (CPS)”, which was later re-designated as “Diploma in Population Studies (DPS)”. The institute has trained personnel from various countries of Asia and the Pacific region, under this programme, who occupy key positions in the field of population, health and development in government departments, universities and international organizations. A list of students who have completed the different teaching programmes of the Institute over the years and by country is presented in Tables A & B of Appendix 1.

In August 1985, IIPS was awarded the status of a Deemed University, and in 1986, the Institute started awarding its own Ph.D. degree in Population Studies. To date, the Institute has awarded Ph.D. degrees to 419 candidates, including 11 foreign candidates. In 1988-89, the Institute started a one-year degree course entitled “Master of Population Studies (MPS)”. To date, the Institute has awarded the MPS degree to 878 students. The Institute introduced a Masters programme through distance learning mode in 1994-95, and 496 students have been awarded degrees through distance learning to date.

From the academic year 2002-03, the Institute started a degree course in Master of Philosophy (M.Phil.) in Population Studies, and to date 637 students have been awarded the degree.

From the academic year 2009-10, IIPS has launched a two-year degree course, viz. M.A / MSc in Population Studies for undergraduate students desiring to pursue a graduate programme in population studies. In the year 2013-14, the Institute introduced another two-year degree course, viz. Master of Science in Biostatistics and Epidemiology, which was later renamed as Master of Science in Biostatistics and Demography (MBD).

IIPS also awards a Diploma in Health Education Promotion (DHPE), a Post Graduate Diploma in Community Healthcare (PGDCH) and a Post Graduate Diploma in Hospital Management (PGDHM). These courses are conducted by the National Institute of Public Health and Research, Mumbai, affiliated with IIPS. The one-year Diploma in Health Education (DHE) was initiated in August 1987 and later renamed as Diploma in Health Promotion Education (DHPE) in 2001-02. So far, 710 students, including 28 foreign students, have been awarded DHPE. The PGDCH was started in 2006-07, and to date, 67 students have received diplomas.

The Institute's functions can be classified under categories of teaching, training, research, consultative services and documentation. The Institute has eight academic departments with well-qualified faculty members. The details of the teaching departments, Faculty members, and Group A officers are presented in Appendix II.

I. TEACHING PROGRAMMES

1. Regular Courses

During the academic year 2023-24, the Institute offered the following regular courses: (a) Doctor of Philosophy in Population Studies/Biostatistics & Epidemiology/Biostatistics & Demography (PhD) (b) Master of Arts / Science in Population Studies (M.A./M.Sc.), (c) Master of Science in Biostatistics and Demography (MBD) (d) Master of Population Studies (MPS), (e) Diploma in Health Promotion Education (DHPE), (f) Post Graduate Diploma in Community (PGDCHC) and (g) Post Graduate Diploma in Hospital Management (PGDHM)

Apart from these programmes, the Institute also offers the M.A. in Population Studies through distance learning and a postdoctoral fellowship programme. The following table provides a summary of the courses offered, the number of students awarded diplomas/degrees and the number of students enrolled during the academic year 2023-24.

Degree/ Diploma	No. of Students Awarded degree in 2023-24	Course Coordinator	List of Students awarded degree/ enrolled
Ph.D. Degree in Population Studies/Biostatistics & Epidemiology/Bio-Statistics and Demography	38	Prof. D. A. Nagdeve	Awarded Degree: Appendix III- 1 Pursuing: Appendix IV-1A to 1C
Master of Arts/Science (M.A./M.Sc.) in Population Studies (Duration- 2 Years)	28	Dr. Kunal Keshri Dr. Dipti Govil	Awarded Degree: Appendix III- 2 Enrolled: Appendix IV- 2
Master of Science in Biostatistics and Demography (MBD) (Duration- 2 Years)	29	Prof. Nandita Saikia Dr. Guru Vasishtha	Awarded Degree: Appendix III- 3 Enrolled: Appendix I- 3

Masters of Population Studies (MPS) (Duration- 1 Year)	48	Prof. S.K. Mohanty Dr. Pradeep Salve	Awarded Degree: Appendix III- 4
Diploma in Health Promotion Education (DHPE) (Duration- 1 Year)	24	Dr. Mangesh Patil	Awarded Degree: Appendix III- 5
Post Graduate Diploma in Community Health Care (PGDCHC) (Duration- 1 Year)	09	Dr. Shubhangi Baviskar	Awarded Degree: Appendix III- 6
Post Graduate Diploma in Hospital Management (PGDHM)	04	Dr. Krishnaja N. P. Mr. Swapnil Kharde	Awarded Degree: Appendix III- 7
Master of Arts (M.A.) in Population Studies (Distance Mode)	20	Prof. Nandita Saikia	Awarded Degree: Appendix III- 8
Post-doctoral Fellowship (Non-degree) Admitted	05	Prof. D.A. Nagdeve	Pursuing: Appendix IV-4

i. Doctor of Philosophy in Population Studies (Ph.D.)

The Institute has well-qualified faculty to guide students admitted to the PhD programme through a highly competitive process that involves their previous academic records, online entrance tests, and proposal writing, followed by a personal interview.

This academic year, 38 students have completed all the requirements for the award of a Ph.D. degree. Appendix III-1 provides the list of successful candidates receiving the degree in this academic year for the award of the Ph.D. degree. A total of 202 students are pursuing Ph.D. Of them, 65 are recipients of the Government of India

Research Fellowship, 88 are recipients of the UGC Fellowship, seven from the NFSC Fellowship, two from the NF-DIS fellowship, one from a dual degree programme, two from the MANF fellowship, four from the NFOBC Fellowship and five students without fellowship. 19 students have submitted their thesis, and 16 students have presented their Synopsis. The details of the PhD students are presented in Appendix IV.

Prof. D. A. Nagdeve is the coordinator.

ii. Master of Arts/Science (M.A/M.Sc.) in Population Studies

The course is of two years' duration. This academic year 28 students qualified for the award of the degree. The list of students receiving

M.A./M.Sc. degree is given in Appendix III-2. The 26 students currently enrolled for the programme (2023-25) are presented in Appendix IV.

iii. Master of Science in Biostatistics and Demography (MBD)

The course is of two-year duration. This academic year 29 qualified for the award of the degree. The list of students receiving MBD degrees for this academic year is given in Appendix III-3. The 25 students currently enrolled for the program (2023-25) is presented in Appendix IV.

Prof. Nandita Saikia and Dr. Guru Vasishtha are the coordinators.

iv. Master of Population Studies (MPS)

Holders of a Master's Degree from any recognised university in relevant social science subjects are eligible for admission to the Master of Population Studies course. In this academic year, 48 students were admitted to MPS with the Government of India fellowship and 48 qualified for the award of the degree. The list of students receiving the MPS degree for this academic year is given in Appendix III-4.

Prof. S. K. Mohanty and Dr. Pradeep Salve are the coordinators.

v. Diploma in Health Promotion Education (DHPE)

This course is of one-year duration. During the current academic year, 24 students have successfully completed the course and qualified,

Dr. Kunal Keshri and Dr. Dipti Govil are the coordinators.

including one student from the previous year, for the award of the degree. The list of students receiving DHPE for this academic year is given in Appendix III-5. Dr. Mangesh Patil is the coordinator.

vi. Post-Graduate Diploma in Community Health Care (PGDCH)

This course is of one-year duration. During the current academic year, 09 students have successfully completed the course and qualified to get the degree. The list of students receiving PGDCH in this academic year is given in Appendix III-6. Dr. Shubhangi Baviskar is the coordinator.

vii. Post-Graduate Diploma in Community Health Care (PGDHM)

This course is of one-year duration. During the current academic year, 04 students have successfully completed the course and qualified to get the degree. The list of students receiving PGDHM in this academic year is given in Appendix III-7. Dr. Krishnaja N. P. and Mr. Swapnil Kharde are the coordinators.

viii. Post-Doctoral Fellow (PDF)

Five students are presently pursuing post-doctoral training, and their details are presented in Appendix IV.

Prof. D.A. Nagdeve is the coordinator.

2. Distance Learning Courses

The Institute has been recognised by the Distance Education Council for offering MA in Population Studies through Distance Learning.

i. **M. A. in Population Studies (DISTANCE LEARNING)**

On the recommendation of the University Grants Commission, the Institute has started M.A. in Population Studies course from the academic year 2017-18. Earlier, it was known as the Masters of Population Studies (MPS). During this year, 20 students have completed all the requirements for the award of an M.A. degree (Distance Learning). Appendix III-8 provides the list of successful candidates receiving the degree in this academic year for the award of the M.A (Distance Learning). Currently, 190 students are enrolled in this programme.

Prof. Nandita Saikia is the Head, CDOE of distance learning courses.

3. DISSERTATION

The dissertation constitutes a crucial part of the teaching programme of the Institute, as it contributes significantly to the development of the research potential of the students. Towards the end of the course, all students enrolled in various courses at the Institute are required to prepare a dissertation under the guidance of a faculty supervisor. The students present their dissertations in a specially organised Student-Faculty Seminar. Appendix V (Tables A, B, C, D, E) provides a list of dissertations presented by the students during the current academic year (2023-24).

Awards / Medals

i. Gold medal

A student whose overall performance is adjudged to be the best in the M.A/M.Sc. programme is awarded the Prof. Asha A. Bhende Gold Medal. A student whose overall performance is adjudged to be the best in the M.Sc. programme in Bio-Statistics and Demography (MBD) is awarded the Prof. S. Mukerji Gold Medal. A student whose overall performance is adjudged to be the best in the

MA (Distance Learning) programme, is awarded the Prof. K. Srinivasan Gold Medal. A student, each from DHPE and PGDCH and PGDHM programmes, whose overall performance is adjudged to be the best, is awarded the IIPS Gold Medal. A student from the MPS programme, whose overall performance is adjudged to be the best, is awarded the Dr. C. Chandrasekaran Gold Medal.

ii. Silver medal

IIPS Silver medals are awarded to students whose overall performance is ranked as the second best in the respective programme – M.A

/M.Sc., MBD, MPS, DHPE, PGDCH, and M.A. (Distance learning).

iii. Best Paper / Dissertation / Thesis

A student from MA/M.Sc. & MBD, whose term paper is rated as best is awarded the Best Dissertation Award. A student from the MPS programme, whose term paper is rated as the best, is awarded the Dr. J. R. Rele Award. This award is based on the content of the Seminar Paper, presentation and defense skill of the

student while presenting the paper at the Student-Faculty Seminar. A Ph.D. scholar is awarded Dr. P. N. Mari Bhat Gold Medal adjudged based on the quality of the thesis. This award has been instituted in memory of Prof. P.N. Mari Bhat by his Family.

II. TRAINING PROGRAM

IIPS has a well-established Short-Term Training Program (STTP) Unit. The unit periodically organises training programs for professionals, teachers from universities/colleges, research scholars, NGOs, Government officials, and students from India and abroad. The training programs are usually of one to two weeks' duration addressing contemporary and relevant themes related to population, health,

development, methods of data collection, analysis of large survey data, application of statistical software, etc.

This academic year, the unit has organised two training programs.

Coordinators: Prof Udaya Shankar Mishra and Dr. Srinivas Goli are the Coordinators. The following training programmes were organised during the academic year 2023-24.

Two-week Demographic Training for Nepal Census Officials – September 11-21, 2023

A "Two-Week Demographic Training for Nepal Census Officials" was held between September 11 and September 21, 2023. This training initiative was organised jointly by the Short-Term Training

Programme Cell at the International Institute for

Population Sciences, Mumbai, the National Statistical Office of Nepal, and UNFPA, Nepal. The program was attended by 10 officers from the National Statistical Office, Nepal. The training program aimed to play a pivotal role in elevating the trainees' proficiency in data management and

augmenting their skill sets through the training program, acquiring advanced techniques, and gaining practical experience in handling census data. Participants benefited from informative lectures delivered on a range of topics by subject experts and had the opportunity to acquire hands-on experience using various demographic software tools. Additionally, participants explored demographic models and model life tables and were introduced to the significance of census data and its relationship with SDG indicators. Practical training was provided, including hands-on experience with demographic software tools like SPSS, Microsoft Excel, Mortpak, and Spectrum. Participants explored demographic models and model life tables and were introduced to the significance of census data and its relationship with SDG indicators. The training was organised by Prof. Udaya Shankar

Mishra and Dr. Srinivas Goli, coordinators for the Short-Term Training Programme Cell.

One-week training Program on Population and Demographic Methods for the 45th batch of the Indian Statistical Service (ISS) Probationers January 22-27, 2024

The Short-term Training Program Cell of the International Institute for Population Sciences, Mumbai, conducted a One-week training programme on 'Population and Demographic Methods' for the Indian Statistical Services Probationary Officers (45th Batch) at the institute from 22-27 January 2024. There were 27 participants for the programme. Participants benefitted from informative lectures delivered by subject matter experts and had the opportunity to gain practical experience in using various demographic software tools. The exposure to

These topics included an introduction to Demography, its definition, scope, and evolution. Participants were also familiarised with fundamental concepts, measures, and the sources of demographic data, as well as offered hands-on training in graphic representation of demographic information. The program covered the topics of population age-sex structures with a clear focus on the quality of data and its consequential evaluation and adjustments. In addition, it dealt with concepts, theories, and measures of fertility, along with basic mortality measures and the construction of life tables. Participants were also given insights on topics like migration and urbanisation along with direct and indirect estimation of demographic parameters and on standardising rates and ratios, enabling robust temporal and cross-sectional comparison. The training was organised by Prof. Udaya Shankar Mishra and Dr. Srinivas Goli, coordinators for the Short-Term Training Programme Cell.

demographic acumen comes in handy for the ISS probationers during their service career.

III. SYMPOSIUM, MEMORIAL LECTURES, SEMINARS, WORKSHOP & WEBINARS

1. Symposium

Symposium on the occasion of International Day for Older Persons – 2023

Centre for Ageing Studies, IIPS, organised a symposium on 3rd October 2023 to observe the International Day for Older Persons. This year 's

theme is - Fulfilling the Promises of the Universal Declaration of Human Rights for Older Persons: Across Generations. Three eminent speakers with vast expertise and experience in the field of elder care, training and policy interventions deliberated on various issues. Prof. T.V. Sekher, Head of the Centre for Ageing Studies, welcomed the gathering and also introduced the three speakers. Prof. S.K. Singh, Director, chaired the symposium and also highlighted the contributions of ageing surveys like LASI and SAGE and the vast research undertaken by IIPS during the last decade. About 35 PhD scholars of IIPS are currently working on various

aspects of population ageing using both primary and secondary data.

Prof. Nasreen Rustomfram (former chairperson, Centre for Lifelong Learning, Tata Institute of Social Sciences, Mumbai) shared her experiences in conducting the diploma program in social gerontology and also issues related to mental health among the elderly in India. Ms Sugandhi Baliga (founder, of Happy 2 Age and former CEO Vayah Vikas, Bangalore) made a presentation about her past works and present initiatives for providing care for elderly citizens. Ms. Saraswathi Padmanabhan from Tata Trusts highlighted the various initiatives of the Trust for the welfare and protection of senior citizens of our country. The speakers emphasised the changing scenarios and the need for innovative policy interventions to address the felt needs of the growing elderly population of India. The symposium was attended by about 200 participants including faculty and students of IIPS. Prof. R. Nagarajan, Associate Head, Centre for Ageing Studies, proposed the vote of thanks.

World Population Day Symposium - 2023 and release of the “India Population Report”

The World Population Day 2023 marks a special significance with India becoming the most populous country in the world. On this occasion, an event was organised by IIPS wherein Dr Soumya Swaminathan, Former Deputy Director General for

Programmes and the first Chief Scientist of the World Health Organization (WHO) and also a renowned physician-scientist with a career spanning 30 years in clinical care, research, and policy, graced the occasion as the Chief Guest.

The event featured diverse activities, including the screening of the Malthusian Clock Video for students. Additionally, there was an Interaction session with the Director, followed by the “Wall of Demographers” inauguration.

The event was introduced by Prof. U.S. Mishra, while Prof. K.S. James, the Director and Senior Professor at IIPS, shared the inaugural remarks. The program also included a video message from Distinguished Global Demographers, wherein they shared their perspective on "India being the most populous country: boon or bane". This was followed

by an introduction of the Guest Speaker by Prof. U.S. Mishra, and an insightful address by Chief Guest, Dr Soumya Swaminathan, where she shared her insights on the importance of World Population Day, particularly in the context of “Health

Challenges in 21st Century”.

A significant highlight was the release of the book "India Population Report" by Dr. Soumya Swaminathan, followed by a concise summary of the book, presented by Professor T.V. Sekher.

This day also marked the re-opening of the new academic session of the Institute. Prof. Nagarajan, Examination Cell in charge of IIPS, formally announced the commemoration of the upcoming academic session at IIPS.

Dr. Soumya Swaminathan, felicitated the winners of the Essay Writing Competition, conducted as a part of the World Population Day 2023. The event was concluded with a vote of thanks delivered by Dr. Srinivas Goli, coordinator of STTP and Publication Cell.

2. Memorial Lectures

22nd Prof. C. Chandrasekaran Memorial Lecture

International Institute for Population Sciences (IIPS) organised the 22st Prof. C. Chandrasekaran Memorial Lecture on 23rd February 2024. The Memorial Lecture series is held annually in memory of Prof. C. Chandrasekaran, former Director of IIPS, a pioneer in Indian demography. The Memorial Lecture series is held annually in memory of Prof. C. Chandrasekaran, former Director at IIPS. Prof. Chandrasekaran developed the well-known Chandra-Deming formula to provide better estimates of vital events, which is the backbone of the Sample Registration System in India that collects data on vital events. His contribution to society and academic organisations was prodigious. Prof. Arni S.R. Srinivasa Rao, Professor and Director, Laboratory for Theory and Mathematical Modeling, Medical College of Georgia, U.S.A. and Department of Mathematics, Augusta University, U.S.A., delivered the lecture.

Georgia, U.S.A. and Department of Mathematics, Augusta University, U.S.A, delivered the lecture. Prof. Arni S.R. Srinivasa Rao is a well-known researcher in the field of Mathematical Demography and Demographic Modelling, and he delivered a lecture on the topic “Stochastic Modeling in Cardiology Research”, where he explained a stochastic modelling framework for understanding

cardiology-related data. Prof. U.S. Mishra, Coordinator of the Publication Cell, addressed the session, and Prof. R. Nagarajan, Department of Population and Development, spoke in brief about Prof. C. Chandrasekaran and his contributions. The session was chaired by Prof. S.K. Singh, Director (Addl. In-charge), IIPS, and was attended by approx. 250 participants. Dr. Srinivas Goli, Coordinator of the Publication Cell, gave the formal vote of thanks.

13th Prof. Asha A. Bhende Memorial Lecture

International Institute for Population Sciences (IIPS) organised the 13th Prof. Asha A. Bhende Memorial Lecture on 31st January 2024. Dr. Aparna Hegde (Urogynecologist, Researcher, Social Entrepreneur, Founder, and Managing Trustee of ARMMAN) well known in the field of reproductive health, delivered the lecture. The Prof. Asha A. Bhende Memorial Lecture has been instituted at IIPS in memory of Prof. Bhende, a former Professor of the institute and a well-known demographer, health researcher and gender expert. Every year eminent scholars in the field of population, health and gender are invited to deliver Prof. Bhende Memorial Lecture. Dr. Aparna Hegde discussed the topic “Leveraging Technology for Scalable Solutions to Improve Maternal and Child

Health in India”. She explained how technology can be utilised effectively to empower, inform, and help women and children to bridge the gap in health infrastructure in the country. She also explained on to implement the largest mobile-based maternal messaging program (Kilkari) and the largest mobile-based training program for frontline health workers (Mobile Academy). Prof. U.S. Mishra, Coordinator of the Publication Cell, addressed the session, and Prof. Aparajita Chattopadhyay, Department of Population and Development, spoke in brief about Prof. Asha A. Bhende and her contributions. The session was chaired by Prof. S.K. Singh, Director (Addl. In-charge), IIPS and was attended by approx. 250 participants. Dr. Srinivas Goli, Coordinator of the

Publication Cell, gave the formal vote of thanks.

16th Prof. P. N. Mari Bhat Memorial Lecture

International Institute for Population Sciences (IIPS) organised the 16th Prof. P. N. Mari Bhat Memorial Lecture at IIPS on 23rd February 2024. The Memorial Lecture series is held annually in memory of Prof. P. N. Mari Bhat, former Director of IIPS. Dr. Shalini Singh, Director, ICMR-National Institute of Cancer Prevention and Research (NICPR) and an expert with extensive research knowledge in the field of epidemiology of cancer and public health research in cancer delivered the lecture on the topic “New Insights in Understanding Cancer”. The talk shed light on emerging perspectives in understanding cancer,

emphasising the importance of continued research in the field.

Prof. U.S. Mishra, Coordinator of the Publication Cell, addressed the session, and Prof. S. K. Singh, Department of Survey Research and Data Analytics, spoke in brief about Prof. P.N. Mari Bhat and his contributions. The session was chaired by Prof. S.K. Singh, Director (Addl. In-charge), IIPS and was attended by approx. 250 participants. Dr. Srinivas Goli, Coordinator of the Publication Cell, delivered the vote of thanks.

DR. B. R. AMBEDKAR MEMORIAL LECTURE

Dr. B.R. Ambedkar Memorial Lecture was held on 28 April 2023 at IIPS. Dr Narendra Jadhav, Former

Member of Parliament (MP), Rajya Sabha & Emeritus Professor of Public Policy, MIT School of Government, Pune, delivered a lecture on “Dr Ambedkar: a multi-faceted genius”. Prof. K. S. James, Director of the International Institute for Population Sciences (IIPS), chaired the lecture. Prof. Chander Shekhar, Department of Fertility and Social Demography, IIPS, was the discussant for the lecture.

3. Seminars

IIPS National Seminar 2024

"Tracking Progress of Sustainable Development Goals with a Focus on Uttar Pradesh."

The International Institute for Population Sciences has organised XXVIII IIPS National Seminar 2024 on Tracking the progress of Sustainable Development Goals with a focus on Uttar Pradesh in collaboration with the Department of Statistics, Institute of Science, Banaras Hindu University (BHU), Varanasi on February 12-13, 2024. The International Institute for Population Sciences (IIPS) has organised its national seminar with the theme, "Tracking Progress of Sustainable Development Goals with a Focus on Uttar Pradesh." in collaboration with the Department of Statistics, Banaras Hindu University (BHU). Envisioned in 2015, the sustainable development goals (SDGs) list a set of 17 interconnected goals in a wide range of social, economic, and environmental spectrum. In India, the SDGs indicators have been integrated into national and state planning frameworks. However, the progress

in achieving the SDGs is largely uneven across the states and socio-economic groups. Demographic changes in the Northern States of India may act as

catalysts in realising the SDGs. The primary objective of this national seminar is to deliberate on India's progress in realising the SDGs with a special emphasis on Uttar Pradesh.

Uttar Pradesh, India's most populous state in India, accounting for nearly 16 percent of the country's population, has been undergoing a fast demographic transition. The state is characterised by large variations in fertility and mortality levels across districts and sub-populations. The state is also experiencing fast economic growth and a

reduction in multidimensional poverty. These demographic and economic changes may accelerate the journey of Uttar Pradesh towards achieving the SDGs. Its contribution to India's population may reflect the state's commitment to population, development, and inclusive growth. To ensure that no one is left behind, the state needs to remain dedicated to addressing the complex challenges it faces on the path to sustainable development.

This national seminar offered a valuable platform to academia, researchers, development sector professionals, and policymakers. It served as an ideal forum for these diverse stakeholders to

engage in meaningful dialogues and deliberations regarding the future trajectory of Uttar Pradesh's development. The collaborative efforts addressed the state's unique challenges and harnessed its potential for inclusive and sustainable development.

MEMORANDUM OF UNDERSTANDING

A memorandum of understanding was signed between IIPS and the Data Dissemination Unit, Office of the Registrar General, India, on April 3, 2023, towards the setting up of a Census Data Research Workstation at IIPS.

Inauguration of Census Data Workstation, IIPS

International Institute for Population Sciences (IIPS) has inaugurated a new Census Data Workstation on December 12, 2023. The workstation has been inaugurated at the Information Communication and Technology (ICT) Unit Lab. The Census Data Research Workstation was officially inaugurated by Dr. Nirupama Dange, Director, Directorate of Census Operations (DCO), Maharashtra. The initiative is expected to cultivate a culture of data-driven research at IIPS and in nearby areas,

thereby contributing to the academic and intellectual vibrancy of the institution. According to Dr. Dange, the new workstation aims to facilitate easier access to census microdata for academics and researchers. Moreover, it will contribute to raising awareness of the extensive amount of data gathered during Census activities.

The International Institute for Population Sciences (IIPS) inaugurated a new Census Data Workstation on December 12, 2023. The workstation was inaugurated at the Information Communication and Technology (ICT) Unit Lab. Dr. Nirupama Dange, Director of the Directorate of Census Operations (DCO), Maharashtra, officially inaugurated the Census Data Research Workstation.

Speaking on the occasion, Dr. Dange stated that the Census Data Research Workstation is a cutting-edge facility designed to facilitate comprehensive research utilising census data. Aimed at providing educators, researchers, and data users with advanced tools and resources, it is related to multi-purpose developmental initiatives, their monitoring, and evaluation.

Prof. Chander Sekhar, In-charge of the ICT Unit, emphasised in his welcome address the value that the Census Data Research Workstation would add to the existing library resources. He stressed the importance of harnessing census data for informed decision-making and policy formulation.

During the event, attendees were courteously offered a guided tour of the workstation facility. Mr. Anjani Kumar Mishra, the System Manager, provided a detailed overview of the advanced computing resources, software tools, and databases tailored for census data analysis.

Prof. S.K. Singh, Director IIPS (Additional Charge), graced and addressed the inauguration ceremony, highlighting that the Census Data Research Workstation plays a pivotal role in academic research by offering a rich repository of demographic, socioeconomic, and population data. The Census Data Research Workstation marks a significant step forward in our commitment to fostering a culture of

innovation and discovery.

The Workstation would help facilitate access to Census Microdata for academicians and researchers. Officials from the DCO Maharashtra and IIPS Mumbai agreed on the need to foster mutual collaboration.

The Census Data Workstation shall help spread awareness about the extensive amount of data colleges during Census operations in the country. Shri A.N. Rajeev, DRG(C&T), DCO Maharashtra, commended the government's initiative and underscored the role of the workstation in empowering researchers to contribute meaningfully to their respective fields.

Guest Lectures

Invited Talk on “Scientific Approaches to SDGs”

An Invited Talk on “Scientific Approaches to SDGs” was organised by the Publications Cell and Short-

term Training Programme cell on 4th July 2023. Dr. Sanjeev K. Varshney, DST, Head, International Cooperation, Government of India, was the guest speaker. Dr. Varshney spoke about sustainable scientific approaches across several facets of human livelihoods, especially focusing on health and nutrition. The talk was organised by Prof. Udaya Shankar Mishra and Dr. Srinivas Goli, coordinators for the Short-Term Training Programme Cell.

Invited Talk - “Measuring the early life origins of chronic disease”

Dr. Solveig Argeseanu Cunningham, Associate Professor at Emory University, USA, delivered an invited lecture on “Measuring the early life origins of chronic diseases” on 10th October, 2023. The lecture was organised by the Publications Cell and Short-term Training Programme Cell. Dr. Solveig Argeseanu Cunningham is a demographer

and epidemiologist with a specialisation in obesity and diabetes with contextual factors of chronic diseases. Her research focuses on the implications of early life exposures for long-term health. She has received various recognitions, including the Association of Schools & Programs of Public Health (ASPPH)/Pfizer Young Investigators Award for Distinguished Research in Public Health for 2015. She is an active participant in policy discussions and formulations in the USA, Middle East, India, Sub-Saharan Africa and Europe. She holds an associate professor position at Hubert Department of Global Health, Emory University, USA.

In this lecture, she discussed how early life exposure matters for long-term health. The rise in multi-morbidity in LMICs stands for the

demographic consequences of the ageing of the population. She also described the CHAMPS project, which measures precise causes of under-five mortality on top of a population base of HDSS's, including in South Asia and on Nutrition transition in India.

The program commenced with the Welcome Address by Prof. U.S. Mishra, Coordinator of the Publication Cell. Dr. Suryakant Yadav was the co-convenor, and Prof. H. Lungdim chaired the session. The event was concluded with a vote of thanks by Dr Srinivas Goli.

Guest Lecture by Dr. Lauren Houghton

Dr Lauren Houghton, an epidemiologist from Columbia University, delivered a talk on "Gendered Interpretation of the Causes of Cancer" at IIPS, Mumbai, on August 11, 2023. Prof. S.K. Singh, Director of the Institute, chaired the session and expressed appreciation to the Centre of Demography of Gender for organising the talk. Dr. Houghton discussed the life course approach to

understanding cancer causation, focusing on environmental and hormonal factors during puberty. She highlighted gendered media representations of disease care and shared insights from her studies on migrants from Bangladesh and Mongolia. The session, welcomed by Prof. Chattopadhyay, was engaging, with researchers discussing environmental risk factors and research limitations. Prof. Aparajita Chattopadhyay concluded the talk by thanking Dr. Houghton for her insights. Prof. U.S. Mishra, Prof. Abhishek Singh, Dr. Suresh Jungari, and other faculty members appreciated the speaker's research findings.

Guest Lecture by Prof. Pam R. Factor Litvak

Professor Pam R. Factor Litvak from Columbia University delivered a talk on "Evaluating Strategies to Mitigate the Harmful Effects of Air Pollution in Urban Impoverished Communities in India: Gender Aspects" on December 14th, 2023, at IIPS. The session was chaired by Professor Aparajita Chattopadhyay from the Centre of

Demography of Gender (CDG), IIPS. Professor Pam discussed the impact of air pollution on children's health, emphasising the need to consider gender dimensions in impoverished urban areas. She highlighted the link between gut microbiome and mental health, suggesting dietary modifications as a means to mitigate pollution

effects. Students asked questions on the method of measuring and mitigating approaches to air pollution, mapping of the data, and research collaboration with Professor Pam. Dr. Suresh

Jungari concluded the talk with a vote of thanks, encouraging researchers to explore gender and environment-related research.

Invited Talk- “Climate Change related Impacts on Health and Development” - Dr. Shilpa Rao Skirbekk

Dr Shilpa Rao Skirbekk delivered a lecture on “Climate Change related impacts on Health and Development” on 21st December 2023. The lecture was organised by the Publications Cell and Short-term Training Programme Cell, IIPS.

Dr. Shilpa Rao is a Senior Researcher at the Department of Air Quality and Noise, Division of Climate and Environment, Norwegian Institute of Public Health, Oslo, Norway. Her research examines the interrelationships between climate change, air quality, public health, and economics. She uses multi-disciplinary methods, including epidemiology, numerical modelling, and economics.

Her work focuses on predictive modelling, scenario analysis of burdens of disease, and economic valuation of risks and responses. She has over 15 years of experience in systems

modelling, impact estimation and policy analysis related to climate change, air pollution, and health. She has published extensively in various international journals and has been a key participant and leader in several international collaborations.

The program commenced with the Welcome Address by Prof. U.S. Mishra, Coordinator of the Publication Cell. Prof. S. K. Singh, Director (Addl. Charge) addressed the session on behalf of the institute. The event was concluded with a vote of thanks by Dr. Srinivas Goli.

Invited Talk- “Surviving Aging: Navigating Long Lives and Population Aging in the 21st Century”-Prof. Vegard Skirbekk

Prof. Vegard Skirbekk delivered a lecture on December 21, 2023, the lecture was on the topic “Surviving Aging: Navigating Long Lives and Population Aging in the 21st Century”. Vegard Skirbekk is a population economist and social scientist specialising in demographic analysis and cohort studies and is a Professor at the Columbia Aging Center, Columbia University, US and a Senior Researcher at the Centre for Fertility and Health, Norwegian Institute of Public Health, Oslo, Norway.

Skirbekk’s main research focus is on health, productivity, and associated determinants from a multidisciplinary perspective, with an emphasis on

the role of changing labour market demands, technological and cultural changes, as well as variation in the attitudes, beliefs, and competencies of new cohorts. He has published widely on comparative health and cultural studies for countries from all world regions. Skirbekk has worked extensively on causality, global comparative assessments, and projections.

Skirbekk has broad experience in fertility research, including in determinants of childbearing, intergenerational risk transmissions, and changes in household composition. Some of his research emphasises how factors can increasingly explain fertility behaviours, including personality, cognition, and preferences.

The program commenced with the Welcome Address by Prof. U.S. Mishra, Coordinator of the Publication Cell. Prof. S. K. Singh addressed the session as the Director of the institute. The event was concluded with a vote of thanks by Dr. Srinivas Goli. The lecture was followed by an interactive session of the speaker with the students of IIPS

4. Workshops

Workshop on “Data Visualization and Interactive Dashboards using Microsoft Power BI”

The Department of Survey Research and Data Analytics, International Institute for Population Sciences, Mumbai, conducted a workshop on “Data Visualization and Interactive Dashboards using Microsoft Power BI” from 8-12 May 2023.

Prof K.S. James, Director & Sr. Professor, IIPS, was the patron of the workshop. Prof. S.K. Singh,

Prof. Laxmikant Dwivedi, Dr. Preeti Dhillon, and Dr. Guru Vasishtha were the coordinators of the workshop. Dr. Tina Dutta, Assistant Professor and FDP Coordinator in the School of Business at AURO University, Surat, was the resource person. The workshop was attended by Research Students, Academicians, and Professionals from diverse fields of engagement. The workshop equipped the participants with the ability to Apply Power BI analytical tools such as data import, data-cleaning, creating advanced interactive visualisations, analysing multi-dimensional data through Power BI DAX (Data Analysis Expressions) operations, etc.

Workshop on “Communication in Public Organization”

The Internal Quality Assurance Cell (IQAC) and administration organised a workshop on Communication in Public organisations from 17-21 July 2023. The Training Programme was organised by the IQAC Cell & Academic Support Cell. The 5-day training program featured five different talks by resource persons.

Mr. Sudarshan Bhadra, Assistant Registrar (Academic), gave the Welcome Address. Introduction to the training programme was given

by Lt. Col. Prashant Borde, Chief administrative officer cum Registrar. The vote of Thanks was given by Mr Shubham Kawadkar.

The event featured a panel of speakers who addressed various aspects of communication and its implications. Ms. Anita Dogra, the Hostel Manager, shared insights on "Communication & Humors". Ms. Nalini A., the Placement cum Communication Officer, delved into the topic of "Office Communication". Ms. Nivedita Mishra, the

Hindi Officer at IIPS, provided valuable insights on "Communication Practice & Implications". Prof. Nandita Saikia, a Professor and the Coordinator of the IQAC cell, explored the connection between "Culture and Communication". Lastly, Ms. Natasha R. Surani, a Counselor at IIPS, discussed "Wellbeing and Communication". Together, these speakers offered a comprehensive perspective on

the multifaceted aspects of effective communication.

The organisers of the training program were Prof. Nandita Saikia, IQAC Coordinator at IIPS, Mrs. Lavina Tauro, Selection Grade Stenographer and Mr. Amol B. Hase, Assistant, Hostel.

Workshop titled “A Hands-on Training of SPSS: Basics to Advanced”

A five-day workshop titled "A Hands-on Training of SPSS: Basics to Advanced" was organised by IIPSAA and IIPS from April 26-30, 2023. The

workshop was designed for individuals aged 35 and above who were employed in the public or private sector, as well as faculty members, professionals, independent researchers, and NGO workers. A total of 20 participants participated in the SPSS training program. The valedictory session was graced by Rtd. Prof. C.P. Prakasam, Rtd. Prof. Sulabha Parasuraman, Prof. K.S. James (Director & Senior Prof, IIPS), Prof. Sayeed Unisa and Prof. R. Nagarajan.

Workshop on “Selected Open Access Tools for Researchers”

Workshop on Selected Open Access Tools for Researchers by Shri. V. Sriram was held on 5th April 2023. This workshop was organised under the aegis of the Placement Cell of the International Institute for Population Sciences, Mumbai. The student representatives of IIPS Placement Cell managed the opportune task of organising the workshop, with guidance from the Placement Cell coordinators, Dr. T.R. Dilip and Dr. Manas Ranjan Pradhan and the Placement Cell officer, Nalini. The

resource person invited for the workshop was Shri. V. Sriram, Chief Librarian of the Centre for Developing Studies (CDS), Thiruvananthapuram, Kerala. He has contributed to establishing and managing Libraries across various institutions in Kerala.

This session began with the basics of using the Internet for research work. The participants were introduced to different browser plugins/add-ons/extensions that could be effectively used for

finding research resources. The resource person engaged the participants in learning different Extensions such as Google Scholar Button, Open Access Button, Core Discovery, Unpaywall extension, and Google and Google Scholar alerts. Further, the participants were given relevant search tips that could be effectively used to find relevant research works. Besides, the participants were introduced to accessing various journals, book open-access sources, and statistical databases.

Workshop on “Basics to Advanced Analysis in Excel”

Workshop on “Basics to Advanced Analysis in Excel” by Mr Varun Kumar Anguralia (Head, Marketing Digital & Analytics) – on 2nd & 3rd September 2023. The Placement Cell at the International Institute for Population Sciences organised a two-day workshop on "Basic and Advanced Analysis with Excel" on 2nd and 3rd September, 2023. The workshop was organised in the Information, Communication, and Technology Unit's Computer Lab. This was the first workshop organised by the Placement Cell at IIPS for the academic year 2023-24. The goal of this workshop was to familiarise participants with essential methodologies and functions pertaining to data analysis and keep them abreast of the basic as well as advanced MS Excel tools. On completion of this

workshop, the students were expected to have learned the following functions of Excel: Introduction to all the tools of Excel - Numeric Functions, String-text functions, Date-time function, Count, Sum, Average function with criteria, Lookup functions, Index, Match, and Index-Match functions.

Training workshop of Internal Committee

1st November to 2nd November, 2023

The Internal Committee of the IIPS conducted a two-day training workshop on the roles, responsibilities, and functions of the IC from 1st to 2nd November 2023. This training workshop was exclusively for IC members, including the Chairperson, faculty, staff, and students. Prof. Archana Roy, Chairperson of the Internal Committee, invited Advocate Monica Sakhrani, a dedicated member of the Committee for the Protection of Democratic Rights, who also serves as a consultant and trainer for the IC, to speak at the event.

On the first day, Advocate Monica Sakhrani commenced her session by elucidating the thought-provoking rules and regulations pertaining to sexual harassment in the workplace. She delved into the historical context that led to the

formulation of laws addressing sexual harassment in India. Initially, she shed light on the concept of sexual harassment, delineating the specific facts that fall under this category. She then outlined methods for identifying and taking appropriate

action against such instances. Additionally, she clarified the distinction between sexual harassment and gender harassment, providing insights into how to differentiate between the two. Notably, she emphasised that, according to prevailing Vishaka guidelines, only women have the right to file complaints of sexual harassment against men.

Advocate Monica Sakhrani explored the concept of the Internal Committee and its functions, elucidating the process of establishing such a committee in an institute or workplace. She

outlined the limitations associated with internal committees and clarified the screening procedures for cases, emphasising the proper reporting and investigative measures involved. The discussion session after the lecture was engaging and exciting. All the participants asked their doubts regarding the work of the IC and their roles as members of the IC. Advocate Sakhrani cleared all the doubts of the participants, which gave the participants a clearer picture of their roles and

responsibilities and how to start and carry out any investigation if any complaint is received.

Prof. Sayeed Unisa, a former faculty member and the chairperson of the Internal Committee of the institute, was also invited to share her experience

during her tenure in the institute. She shared her experiences, like what kind of cases may come and how to initiate any process. She

also enlightens on the subject of how important it is to document things.

The two-day training workshop ended with participants sharing their learning experience of the workshop and how it was helpful for them and the further Dr Suresh Jungari concluded the workshop by extending a formal vote of thanks to the speaker, IIPS administration, and the ICT unit for their invaluable assistance and support in organising the Orientation Programme. The workshop was an excellent learning experience for the members of the IC. It was beneficial for the members of the IC to know their roles and responsibilities as a part of the Internal Committee. Finally, the event concluded at 5:30 PM, 2nd November 2023.

Project Related Activities

Longitudinal Ageing Study in India (LASI)

Longitudinal Ageing Study in India (LASI), Wave 2 - TAC Meeting

The second meeting of the Technical Advisory Committee (TAC) for LASI Wave-2 was held on 5th April 2023 under the Chairmanship of Prof. Arvind Pandey, Former Director, ICMR-NIMS and Co-chairpersonship of Prof. Sulabha Parasuraman, Former Professor, IIPS to discuss the LASI questionnaires, biomarkers and other aspects of the conduction of wave-2 survey. Ms. Reena Singh, Chief Director (Stat.), MoHFW, while welcoming the TAC members, briefed them about the discussions and deliberations of both the sub-

group meetings (one on Questionnaires and another on Biomarkers) of TAC. The agenda for this meeting was to finalise the questionnaires, coverage of eligible individuals during the revisit of households, and the coverage of individuals for collecting DBS samples. Shri. S.K. Meena, Director General (Stat.), MoHFW, in his opening remarks, appraised the TAC about the importance of LASI as empirical evidence on the socio-economic and health conditions of India's growing elderly population. Prof. K. S. James, Director of IIPS, highlighted how LASI data had been useful for research and policy-making in India. Prof. T.V. Sekher, PI of LASI, made a brief presentation about the activities carried out during the preparatory phase of the wave 2 survey. After this, the members offered their suggestions and comments on the LASI survey instruments and biomarkers. TAC also recommended initiating the wave 2 survey activities as soon as possible.

Workshop/ Faculty Development Program on Longitudinal Ageing Study in India (LASI): Scope, Methodology and Data Analysis

A four-day Workshop/ Faculty Development Program on Longitudinal Aging Study in India (LASI): Scope, Methodology, and Data Analysis was conducted from March 12-15, 2024 at SRM Institute of Science and Technology, Chennai. This was organized by the School of Public Health (SPH) in collaboration with the Centre for Ageing Studies, International Institute for Population Sciences (IIPS), Mumbai. The program aimed to strengthen the capacity of faculty, researchers, and policymakers to utilize LASI data through hands-on training.

Professor Lt Col A. Ravi Kumar, the Pro-Vice Chancellor of SRM Medical & Health Sciences, inaugurated the program and delivered the inaugural address. Subsequently, Professor A. Vinay Kumar, Pro-Vice-Chancellor (FSH, Management, Law), SRMIST, gave a special address. Prof. T. V. Sekher, Principal Investigator of LASI, International Institute for Population Sciences (IIPS), delivered the Keynote address. Following this, Prof. Hari Singh (Dean, SPH, SRMIST), Prof. Bagavandas (Head, CFS, SRMIST), Prof. A. Duraisamy (Dean, FSH, SRMIST), and Dr. Benson Thomas M interacted with the participants.

Forty-six participants attended the program, including faculty, researchers, policymakers from

various institutes located in Chennai, such as the School of Public Health (SRMIST), Medical College (SRMIST), Madras Institute of Development Studies (MIDS), Madras School of Economics (MSE), and Annamalai University. The technical sessions were conducted by Prof. T. V. Sekher, Dr. Dipti Govil, Mr. Manoj Patange and Mr. Jitender Prasad (all from IIPS). On completion of the workshop, the participants were awarded certificates of participation.

South Asia Centre for Labour Mobility and Migrants (SALAM)

SALAM Partner Organization Meeting May 31, 2023

The inaugural physical partner organisation meeting was held on May 31, 2023, at 10:00 PM in a hybrid format and presided over by Professor K.S. James, the Director and Senior Professor of the International Institute for Population Sciences. Its agenda included an overview of the project's progress, a review of the remaining project deliverables, the development of an action plan for SALAM's policy engagement, discussions on SALAM's sustainability, and advisory committee input. Professor K.C. Das delivered the welcoming

remarks, with Professor K.S. James overseeing and facilitating the proceedings.

The meeting was attended by Dr. K. S. James (IIPS, Mumbai), Mr. Dino Corell (ILO- Delhi), Mr. Amish Karki (ILO - Delhi), Ms. Nansiri Iamsuk (UN Women, Dhaka), Mr. Andrew Gray (IOM, Sri Lanka), Prof. C.R. Abrar (RMMRU, Bangladesh), Mr. Deepak Thapa, (CESLAM, Nepal), Ms. Sadhikya Bhatarai (CESLAM, Nepal), Dr. Bilesha Weeraratne (IPS, Sri Lanka), Mr. Kashif Salik (SDPI, Pakistan), Ms. Khansa Naeem (SDPI, Pakistan), Prof. R.B. Bhagat (IIPS- Mumbai), Prof. K.C. Das (IIPS- Mumbai), Prof. Archana K. Roy (IIPS- Mumbai), Dr. Kunal Keshri (IIPS- Mumbai), Lt. Col. Prashanth Borde (IIPS- Mumbai), Ms. Kokila Shetty (SALAM, IIPS- Mumbai), Mr Gurucharan. Karmakar (SALAM, IIPS- Mumbai).

International Conference “Labour Migration and Sustainable Development in Asia:

Opportunities, Challenges, and Way Forward” on June 1-3, 2023, at IIPS, Mumbai, India

SALAM, under the aegis of IIPs, organised an international conference, "Labour Migration and Sustainable Development in Asia Opportunities, Challenges, and Way Forward", on June 1-3, 2023, at IIPS, Mumbai, India. The conference was supported by the following donor agencies: International Labour Organization (ILO), International Organization for Migration (IOM),

United Nations Entity for Gender Equality and the Empowerment of Women (UN Women), Indian Council of Social Science Research (ICSSR), and State Bank of India (SBI). Despite global challenges, the conference successfully brought together both in-person and online participants, fostering international collaboration. The event featured three Plenary sessions and fourteen

Technical sessions, providing an extensive platform for discussions on various facets of labour migration and sustainable development.

The conference, inaugurated by Prof. K.S. James, included notable figures such as Shri. J K Banthia,

challenges, the conference was successfully organised by a dedicated team, including IIPS faculties, staff, and students. The Valedictory Session was chaired by, Prof. Bino Paul, Deputy Director and Pro-Vice Chancellor of TISS, Mumbai,

IAS, Former Chief Secretary, Govt. of Maharashtra, and Mr. Dino Corell, Labour Migration Specialist from ILO, New Delhi. Prof. K C Das, the Convenor of the Conference, also graced the occasion. With a total of 200 in-person and 40 virtual participants from diverse regions, including Pakistan, Nepal, Bangladesh, Germany, Kenya, Sri Lanka, Sweden, India, and the USA, the conference provided a global perspective. Over 100 presentations covered a broad spectrum of labour migration topics, encompassing policy frameworks, economic impacts, social aspects, and the well-being of migrant workers, showcasing the diversity of research in the field. Despite

along with Prof. K S James and Prof. S. Irudayarajan. The session also witnessed the release of the book 'Researching Internal Migration' by R. B. Bhagat and S. Irudaya Rajan. The event facilitated global participation, diverse perspectives, and active student involvement, contributing significantly to understanding labour migration and sustainable development. The conference's success underscores the academic community's resilience, with the discussions and insights anticipated to contribute substantially to addressing the complexities of labour migration and sustainable development in Asia.

6th The Colombo Process's (CP) Thematic Area Working Group (TAWG) PDOE TAWG Bangkok, Thailand

The Colombo Process's (CP) Thematic Area Working Group (TAWG) on Pre-Departure Orientation and Empowerment concluded its 6th meeting on 15th -17th August 2023. in Bangkok, Thailand. Prof. Kailash Chandra Das represented the South Asia Centre for Labour Mobility and Migrants network. The meeting highlighted the critical importance of collaborative efforts in promoting pre-departure orientation and empowerment as key drivers for ensuring decent

work and safe migration across South, East, and Southeast Asia. The Colombo Process is a twelve-country regional consultative process supporting its member countries to manage labour migration in a safe, orderly, and dignified way for the benefit of individual migrants, their families and wider society, allowing collaboration, knowledge exchange and the development of new policies and practices for implementation at the national level.

Advisory committee meetings

The SALAM third meeting was held on 31st May 2023. The primary objective of these meetings was to evaluate SALAM's progress. It was underscored during the discussions that SALAM has made commendable advancements, effectively nurturing robust relationships among member institutions. The meeting primarily centred around a

comprehensive review of SALAM's overall activities, explicitly emphasising the regional thematic papers generated by partner organisations. A crucial topic that surfaced during the meeting was sustainability, with a strong emphasis on the need for collaboration and support from all countries involved.

Collaborations between SALAM and GLMM

On July 11, 2023, SALAM and GLMM conducted a virtual meeting to explore partnership opportunities to investigate prospects for collaborative endeavours and blend insights from both destination and origin perspectives. SALAM and GLMM plan to synchronise the organisation of

various collaborative initiatives, including research projects, conferences, seminars, lecture series, workshops, and more. Additionally, ongoing discussions are taking place regarding formally solidifying this collaboration through officially signing a Memorandum of Understanding (MoU).

Lecture Series

1. SALAM Lecture Series-14 titled “Policy Opportunities and Constraints for Addressing Urban Precarity of New Migrants” was delivered on 23rd November 2023 by Prof. Tasneem Siddique (Chairperson of the Department of Political Science, University of Dhaka, and the Founding Chair of RMMRU Bangladesh) and the lecture was moderated by Prof. Shrikanth Singh (Director, International Institute for Population Sciences, Professor and HoD, Department of Survey Research and Analytics, IIPS, Mumbai, India).
2. SALAM Lecture Series-15, titled “Navigating Health Challenges: The Well-being of Nepali Migrant Workers”, was delivered on 4th January 2024 by Prof. Padam Simkhada, and the lecture was moderated by Mr. Deepak Thapa (Director of Social Science Baha, Nepal).
3. SALAM Lecture Series-16, titled “Camouflaging the Temporization and Vulnerability of Migrant Workers in Global South: Labour Market Distortions by Statute in Times of Crisis.” was delivered on 1st February 2024 by Prof. Binod Khadria (President, Global Research Forum on Diaspora and Transnationalism (GRFDT) Co-convener, Metropolis Asia-Pacific (MAP), Former Professor of Economics, Education and International Migration, JNU, New Delhi, India and the lecture was moderated by Dr. Kashif Majeed Salik (Associate Research Fellow, Sustainable Development Policy Institute (SDPI) Pakistan)
4. SALAM Lecture Series -17 titled “Migration Flows and Border Controls to Enhance the Benefits of Inward and Outward Migration: Lessons from Sri Lanka and Maldives”, was delivered on 21st March 2024 by Mr. Shantha Kulasekar (Head of Office / Senior Program Manager IOM Sri Lanka and Maldives)

Publication

SALAM has published a book containing a consolidated abstract of the papers presented, including details of the paper presenters at the conference, providing a summary of the SALAM International Conference held in June 2023.

SALAM has published a post-conference summary report, including details of the paper presented at the conference, and it has provided a summary of the SALAM International Conference held in June 2023.

National Family Health Survey

National Family Health Survey 2023-24 (NFHS-6)

The sixth round of the National Family Health Survey 2023-24 (NFHS-6) is currently ongoing. Like its predecessors, NFHS-6 will be conducted under the stewardship of the Ministry of Health and Family Welfare. NFHS-6 is the first in the series of NFHS in India, which is being conducted without technical and financial assistance from any external agency. For the first time, in NFHS-6 all aspects of the survey will be coordinated solely by the International Institute for Population Sciences, Mumbai. The survey will be implemented by a group of survey organizations and Population Research Centres, chosen through a rigorous selection procedure.

Like in NFHS-5, NFHS-6 will provide estimates of the levels of fertility, infant and child mortality, and other family welfare and health indicators by

background characteristics at the national and district levels; and measure trends in family welfare and health indicators over time at the national and district levels.

In addition, the scope of NFHS-6 has been expanded further - to help track the progress of policies and programmes in the context of SDG goals to be achieved by 2023; to align with global indicators from DHS-8; and to relate to emerging issues of health and wellbeing of people at national and subnational levels. In NFHS-6, new questions have been added with an aim to provide accurate data for research purposes and also to enable evaluation of various policies/programmes of different programme divisions. This is also useful for advocacy and awareness at national and sub-national levels.

Some salient features of NFHS-6 are -

- In addition to the 28 states, NFHS-6 will also cover all the 8 Union Territories (UTs).

Similarly, NFHS-6 will provide estimates of most indicators at the district level for all 731 districts in the country as of June 30, 2021.

- The NFHS-6 sample size is expected to be approximately 670,000 households (in all 731 districts). As the survey will elicit information (using Household, Woman's, Man's, and Biomarker Questionnaires) from all women aged 15-49 and men aged 15-54 in a subsample of households, it is estimated that NFHS-6 will yield a total sample of 750,000 women age 15-49 years, and 120,000 men age 15-54 years. In these household information, about 250,000 children below age 5 will also be collected in the survey.
- For the first time, Mapping and Household Listing operation is done in the digital mode using mini laptops and automation of household sample selection. Also, the main survey data is collected using Computer Assisted Personal Interviewing (CAPI) on mini-notebook computers. The use of CAPI has several advantages and thereby ensures better data quality.
- Height and weight measurements for women aged 15-49, men aged 15-54, and children aged under 5 years are included in NFHS-6. All related estimates will be provided at the district level.
- Like in NFHS-5, other components included in the domain of clinical, anthropometric and biochemical testing (CAB) in NFHS-6 are

blood glucose and blood pressure measurements, with estimates to be provided at the district level. In addition, NFHS-6 will be collecting finger-stick blood to produce dried blood spots (DBS) from a subsample of respondents for laboratory testing of HIV, Hepatitis-B, and Hepatitis-C. These tests will provide an opportunity to estimate the community-based burden of HIV, Hepatitis-B and Hepatitis-C at the national and state/union territory (UT) levels. For the first time, DBS will also be collected from children aged 4-5 to check for the prevalence of Hepatitis B.

- Multiple strategies are adopted to ensure the reliability and validity of data. Some such measures are – standardised tools and survey implementation protocols as per international standards, nested design using a modular approach, digitisation of data collection procedures, real-time data access in the form of field check tables to provide timely feedback, making available digital reports like POQR for effective field monitoring, secondary editing messages help resolve data related issues/ inconsistencies in the field, etc. Additionally, on completion of about 70 percent of fieldwork in a district the IIPS field team along with FA core team conducts backchecks in 3-4 PSUs to assess the data quality and based on the data quality report

submitted by the backcheck team, necessary action is taken.

Key NFHS-6 activities accomplished so far:

The NFHS-6 pretest held from 20 June to 10 July 2022 was conducted mainly to test the tools and procedures adopted for conducting the survey. After the successful completion of the pretest, the various tools, including the CAPI program used during the pretest, were modified based on the pretest learnings. The tools were accordingly finalised for the main survey.

The Mapping and Household Listing ToT for Phase I states/groups of states/UTs was conducted by IIPS from 20-24 February 2023 at Hotel Satyabhama. The M&L core team of the Phase I FAs attended the training programme. The

5-day training programme included extensive classroom training as well as field practice.

For the Phase II states/groups of states/UTs, Mapping & Household Listing ToT was held at 7 Apple Resort, Lonavala, during 26-31 August, 2023.

NFHS-6 – Review Meetings

In the month of July 2023, two meetings were held on 4 July 2023 and 24 July 2023, respectively, under the Chairmanship of DG (Stats.) to review the progress of NFHS-6.

National Family Health Survey-6 (NFHS-6)- Main Survey ToT

As a part of the ongoing National Family Health Survey-6, IIPS conducted the Main Survey ToT from 31 March – 19 April 2023 at Hotel Baywatch, Goa, for core team members of the various Field Agencies of

Phase I states/groups /UTs. During the training, questions included in the paper-pencil format were explained in detail, after which CAPI questionnaires were introduced, and hands-on training on mini laptops was provided. A separate CAB training for Health Coordinators was held simultaneously. Guest lectures by experts in the field were organised on various topics like family planning, immunisation, etc. Also, field practice in rural and urban PSUs was organised for a complete understanding of the entire data collection process and also testing of the procedures and CAPI program. On the last day of

training, a debriefing session was held where the participants from each FA shared their experiences and feedback in terms of conducting interviews, CAPI flow, assigning and synching of data, etc. During the debriefing session, PIs and officials from MoHFW were present and shared their valuable inputs during the deliberations. All changes that were finalised on the basis of the suggestions that came up during the debriefing were incorporated in the NFHS-6 tools. During the ToT, on 18 April 2023, a TAC meeting under the Chairmanship of DG (Stats.), MoHFW, was held to review the progress of NFHS-6 activities and the way forward.

Similarly, the Main Survey ToT for Phase II states/groups of states/UTs was successfully completed at Varanasi, Uttar Pradesh, from 29th November to 17th December 2023. After the state-level training, in Phase I states/groups of states/UTs, the main survey data collection was initiated and has

been successfully completed in all these states except Manipur, where the survey could not be started due to the current situation in the state. In Phase II states/groups of states/UTs, the main survey is ongoing in most states and in the remaining states, it will start soon after the completion of the state-level training. The main survey fieldwork in Phase II states/groups of states/UTs is expected to

be completed by end of July, 2024 subject to no disruptions in fieldwork due to the forthcoming parliamentary elections.

National Family Health Survey-6 (NFHS-6)- Fourth Technical Advisory Committee (TAC) Meeting

The Fourth Technical Advisory Committee (TAC) meeting for the National Family Health Survey-6 (NFHS-6) took place on April 18, 2023, in Goa. During this meeting, officials from the Ministry of Health and Family Welfare (MoHFW) discussed the current status of progress, the implementation protocols, and strategies to tackle potential challenges related to NFHS-6 in the 2023-24 period.

Young Wives: An Exploratory Study of Married Women Below Twenty and the Socio-Cultural Determinants of their Contraceptive Behaviour in Low Resource Settings in India

The Young Wives (YW) study examines the influence of socio-cultural and gender norms on Family Planning (FP) among rural couples living in areas with a higher prevalence of underage marriages by studying the cultural ecologies of health that encompass the interaction between cultural beliefs, practices, and environments and how they influence modern contraceptive use and childbearing. Focusing on wives aged 15-19, married for at least a year, it combines qualitative and quantitative methods. The sample consists of 559 young wives alongside 219 husbands, 256 Mothers-in-law (MILs) and 220 Frontline Health Workers (FLWs), ensuring diverse perspectives. Further, the study employs a triad approach for gathering household-level data from wives, husbands, and MILs. FLWs and community influencers' perspectives have also been taken enriching the findings. Overall, the study provides contextual evidence that can support design of norms shifting interventions aimed at avoiding teenage pregnancy.

Two state-level disseminations and one national-level dissemination were conducted; **State level dissemination at Radisson Blu, Ranchi, Jharkhand on 9th April, 2024, State level dissemination at**

Royalson Class, Bhopal, Madhya Pradesh on 16th April, 2024, National level dissemination at India Habitat Centre, Delhi on 23rd April, 2024 to present the key findings from the data to the stakeholders of the respective state governments as well as researchers in this field.

The Research Team comprises PI - Dr. Sudipta Mondal, (PCI India), Co-PI and India Partner Lead: Prof. S K Singh (IIPS, Mumbai), Co-PI and USG Partner Lead: Prof. Cristine H Legare (UT Austin)

V. THE PUBLICATIONS CELL

IIPS has a well-established Publication Cell Unit, which looks after the publication of Newsletters, Research Briefs and Working Paper Series from the faculty members and other subject experts /

scholars. Prof U. S. Mishra and Dr. Srinivas Goli are the Coordinators of the PC unit.

1. Publications of the Institute:

The IIPS Newsletter provides information about

various ongoing activities of the institute. Two issues of the IIPS Newsletter were published during the academic year 2023-2024. The publication of the “Research Brief Series” was started in 2007 to provide an opportunity for the faculty, Ph.D. students and visiting fellows to quickly disseminate the important findings of their research studies before being published as research reports or in a scientific journal. So far, 23 research briefs have been published under this series. The ‘Working Paper Series’ was started during 2009-10 with the objective of disseminating new research ideas, theoretical development and methodological insights. The papers published under this series are peer- reviewed by two

external experts working in the areas of Population, Health and Development. So far, 27 Working papers have been published.

2. Publications of the Faculty:

The members of the faculty, along with research staff/ students, published several research papers in reputed journals and prepared a number of project reports during the year 2023-24. The number of books, Research Papers, Articles, Chapter in Books, Published Research Reports, Monographs, Research Briefs, Fact sheets of IIPS Faculty along with Research Staff published during the year 2023-24 is given in the table below along with the details in the appendix

Sr. No.	Particulars	No. of publications	Appendix
1.	Books		APPENDIX-VI.A.1.
2.	Research Papers/ Articles/ Chapters in Books		APPENDIX-VI.A.2.
3.	Published Research Reports / Monographs / Research Briefs Factsheets of IIPS Faculty / Research Staff		APPENDIX VI.B.

VI. RESEARCH PROJECTS

The Institute conducts research Programme using its own resources and also through external funding. The externally funded projects are usually initiated at the request of the concerned agencies. The details of the continuing/new as well as completed projects funded by the Institute are given below

A. Research Projects Completed

Sr. No.	Project Name	Co-ordinators	Status	Funding
1	A study on marriage and dissolution	Dr.D.A. Nagdeve,	Completed	

	pattern in India	Dr.C. Shekhar, Dr.M. Alagrajan, Dr.H.Sahoo, Dr.Srinivas Goli, Dr.M R Pradhan		Internal
2	An assessment of Civil Registration System in India	Dr. Nandita Saikia, Dr. T.R. Dilip and Dr. Kauslendra Kumar	Completed	Internal
3	Cost of treating Gastrointestinal cancer and the burden of treatment on patient's household	Dr. T.R. Dilip Dr. Shailesh Shrikhande & Dr. Manish Bhandare.	Completed	Internal
4	Integrating Ageing Research with Policy and Programmes in India	Dr. Dipti Govil, Dr. H Sahoo	Completed	UNFPA
5	Young Wives: An exploratory study of married women below twenty and the socio- cultural determinants of their contraceptive behavior in low resource setting in India	Dr. S.K. Singh	Completed	PCI

B. Ongoing Research Projects

Sr. No.	Project Name	Co-ordinators	Status	Funding
1	Longitudinal study of Maternal and Infant Nutrition in Maharashtra (LoSMINM)	Dr. L.K Dwivedi, Dr. Dilip T.R Dr. Sarang P, Dr. Preeti Dhillion Dr. R.S. Reshmi. Dr.Suresh Jungari Mr.Anjani Kumar Mishra DHO of Raigarh District	Ongoing Requesting For Extension Up to March 2025	Internal

2	Estimation of child mortality and immunization coverage at district level in India, An application of small area estimation techniques	Dr. L.K. Dwivedi	Ongoing Requesting For Extension Up to March 2025	Internal
3	Projection of Annual cancer Incidence at district level by quinquennial age group and sex from 2021 to 2031 in Maharashtra	Dr.Murali Dhar, Dr.Atul Budukh.	Ongoing	Internal
4	Small estimates of Covid 19 disease in India: What we missed	Dr. Suryakant Yadav Dr. T.R. Dilip	Ongoing Requesting For Extension Up to Nov 2024	Internal
5	Estimation mortality indicators for North Eastern Region of India based on recent survey data (NSSO and NFHS)	Dr.H. Lungdim, Dr.Abhishek Singh, Dr.Dhananjay Bansod, Dr. Nandita Saikia, Dr.Kaushalendra Kumar, Dr.Suresh Jungari	Ongoing Requesting For Extension Up to Aug 2024	Internal
6	A study of Migrants in Mumbai from different regions of Maharashtra	Dr.Sunil Sarode, Dr.Archana Roy, Dr.Suresh Jungari, Dr.Kunal Keshri	Ongoing	Internal
7	famTRANS – Families in Transition	Dr. Srinivas Goli, Dr. T.V.Sekher,	Ongoing Requesting For Extension Up to May 2025	Internal
8	Consequences of male Migration on left –behind women, children and elderly parents in Kerala and Middle Ganga Plain: Differentials and Determinants	Dr.Archana K Roy, Dr.Dipti Govil, Dr.Suryakant Yadav and Dr.KC Das	Ongoing	Internal
9	The Effect of Resettlement on Livelihood Rebuilding, Women Health and Demographic Behaviour: The Study of Indira Sagar Irrigation Project in Bhandara District of Maharashtra	Dr. D. A. Nagdeve	Ongoing Requesting For Extension Up to March 2025	Internal

10	Environment and health of older population in India: An examination of population data with gridded pixel environment data	Prof. Aparajita Chattopadhyay Prof. TV Sekher	Ongoing	Internal
11	Occupational Mobility and Employment Pattern in India	Prof. Sanjay K Mohanty	Ongoing	Internal
12	Global burden of causes of death in seven regions of world with a focus on South Asia (India), East Asia, USA, UK and High-Income countries.	Dr. Suryakant Yadav Prof. U.S. Mishra Dr. T.R. Dilip	Ongoing	Internal
13	Gender Equity and Health (GEH Project (2017-27)	Dr. Abhishek Singh Dr.Kaushalendra Kumar	Ongoing	The Bill & Melinda Gates Foundation (BMGF) through Centre Gender Equity and Health (GEH), University of California San Diego (UCSD)
14	Study of Global Ageing and Adult Health (SAGE)- India, Wave-3, 2019-23	Dr.T.V. Sekher, Dr. Murali Dhar Dr.Archana K. Roy	Ongoing Requesting For Extension Up to Aug 2024	World Health Organization, Geneva
15	Exemplars in Maternal & New born Mortality Reduction in India.	Dr.Usha Ram, Dr.Manoj Alagarajan	Ongoing Requesting For Extension Up to March 2025	BMGF, India
16	Longitudinal Ageing Study in India (LASI) Wave 2 (2023-25)	Dr.T.V. Sekher, Dr.Chander Shekhar, Dr. Sanjay Kumar Mohanty, Dr.Aparajita Chattopadhyay, Dr.Srinivas Goli, Dr. Dipti Govil Dr.Sarang Pedgaonkar	Ongoing	MoHFW
17	National Family Health Survey-6		Ongoing	MoHFW

		Dr.H. Lhungdim, Dr.Abhishek Singh, Dr.Dhananjay Bansod, Dr.LaxmiKant Dwivedi, Dr.Harihar Sahoo Dr.Sarang Pedgaonkar, Dr.Preeti Dhillon, Dr.Reshmi R. S.		
18	IFPRI-International Food Policy research institute (POSHAN) Project	Dr.LaxmiKant Dwivedi, Dr.Sarang Pedgaonkar	Ongoing	NITI Aayog
19	Small area estimates of hypertension and Diabetes in India	Dr Suryakant Yadav Dr Solveing A. Cunningham, Dr Waller Lance (Emory University), Dr Siddharta Mandal, Dr Dimple Kondal	Ongoing Requesting For Extension Up to November 2024	Emory University USA
20	The Harmonised Diagnostic Assessment of Dementia for the Longitudinal Aging Study in India (LASI- DAD Study) (2019-2025) in collaboration with University of Southern California and All India Institute of Medical Sciences.	Dr.T.V.Sekher Dr. Sarang Pedgaonkar	Ongoing	NIH
21	Provision of Technical support for Implementation of STEP survey in Timor-Leste"	Dr. T.R. Dilip Prof. U.S. Mishra	Ongoing Requesting For Extension Up to July 2024	WHO
22	Support for a survey on the availability and readiness of health facilities to provide non communicable disease- related care as a part of the STEP's Survey in Timor-Leste	Dr. T.R. Dilip Prof. U.S. Mishra	Ongoing Requesting For Extension Up to July 2024	WHO
23	The impact of lifestyle habits and disaster on the health of the tribal population in eastern area	Prof. Nandita Saikia	Ongoing	ICSSR

24	Global Adult Tobacco Survey-3	Dr.R. Nagarajan, Dr.Murali Dhar, Dr.Nandita Saikia, Dr.Dilip TR, Dr.Manas Pradhan, Dr. Pradeep Salve	Ongoing	MoHFW
25	SAHELI: Study and Action on Hysterectomy: Evidence on Women's Health through the Life Course in India	Dr. Dipti Govil Dr. Archana K. Roy	Ongoing	Population Council
26	Transforming Healthcare Service Delivery at Pimpri Chichwad Municipal Corporation	Prof. D.A.Nagdeve	Ongoing	PCMC
27	Proposal Development for Reproductive Health in India Study	Dr. Chander Shekhar, Dr. Harihar Sahoo,	Ongoing	Guttmacher Institute, USA

C. New Research Projects Initiated

Sr. No.	Project Name	Co-ordinators
1	Assessment and projection of annual cancer incidence at district level by quinquennial age group and sex from 2021 to 2031 in Punjab, India	Dr. Murali Dhar Dr. Atul Budukh
2	Drought, Development and Daughters deficiencies: Study of unprecedented Demographic phenomena in Marathwada regions of Maharashtra	Pradeep S Salve Suresh Jungari
3	Mapping the risk factor and consequences of violence against women in India for the last two decades using large – scale data	Dr. Suresh Jungari Dr. Pradeep S Salve
4	The cognitive consequences of social frailty: a mixed methods study of precarity and resilience among aging populations in India and Sweden (ICMR-FORTE Study)	Rakhal Gaitonde Dr. T.V. Sekher, Dr. T.R. Dilip, Mala Ramanathan, Jissa V.T.
5	A Study of Early Marriages in Assam (ASEMA)	Dr.H. Lungdim Dr.Nandita Saikia, Dr.Srinivas Goli,
6	Empirical Studies on the social Impact of Maan Ki Baat	Dr.Nandita Saikia
7	Evaluation of BBBP schemes in Haryana State (Govt. of Haryana)	Dr. T.V. Sekher, Dr. Srinivas Goli

VII. SEMINAR / CONFERENCES / WORKSHOPS / MEETING ORGANIZED / PAPERS PRESENTED / LECTURES DELIVERED / ATTENDED BY FACULTY / RESEARCH STAFF

The faculty members and other research staff of the Institute organized, presented scientific papers, delivered lectures and attended various national and international seminars / conferences / workshops / meetings in the field of population and related disciplines held in India and abroad which is provided in the following table with the details in the Appendix. In addition, the members of the faculty are also part of many academic and professional bodies. These details are provided in the following table:

Sr. No.	Particulars	No.	Appendix
1.	Seminars / Conference / Workshop Sessions Organized by Faculty Research Staff		APPENDIX VII.A.
2.	Research Papers Presented in Seminars / Conferences by Faculty / Research Staff		APPENDIX VII.B.
3.	Lecture Delivered / Consultancy Provided by Faculty / Research Staff		APPENDIX VII.C.
4.	Seminars / Conferences / Workshops / Meetings / Lectures Attended by Faculty / Research Staff		APPENDIX VII.D.
5.	Faculty Membership in Academic and Professional Bodies		APPENDIX VII.E.

VIII. STUDENTS RESEARCH ACTIVITIES

Institute encourages students to prepare and submit research papers for various conferences and seminars. The Institute looks for excellence and tries to empower the students in various ways. The knowledge/skill imparted to them is reflected through their publications, conference paper presentations, and the increasing demand for our students from various national and international organizations (vide Appendix-VIII)

Sr.No.	Particulars	No. of publications/ Events	Appendix
1	Papers published in Journals/edited books by Research Scholars/ Students either alone or jointly with the faculty		APPENDIX-VIII.A

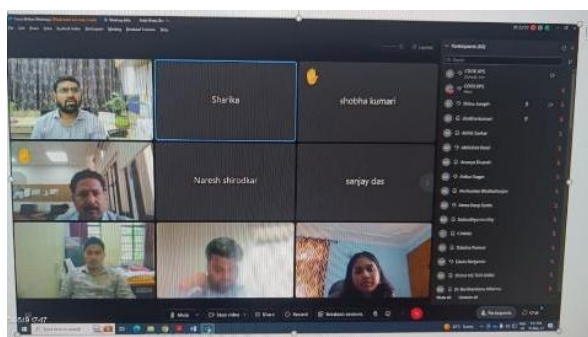

2	Papers presented in seminar/ conferences by Research Scholars/ Students		APPENDIX VIII.B.
3	Workshops attended by Research Scholars/ Students		APPENDIX VIII.C.

XI. DELEGATES AND VISITORS TO THE INSTITUTE

The list is given in the Appendix IX.

Centre for Distance and Online Education (CDOE)

1. Virtual interaction session for distance learners

Interaction session for distance learners: An online interaction session between IIPS teachers and distance learners was organized at 4.00-6.00 p.m. on 19 May 2023. virtually. The session was conducted to introduce our newly enrolled distance learners with the IIPS faculty members. A total of 70 distance learners joined the session. At the outset, Prof Nandita Saikia gave a brief introduction about the centre. Dr. Illias K. Sheikh, Assistant Professor, CDOE moderated the session. The participants introduced themselves and got familiar with the CDOE system.

2. Contact Programme for M.A distance learners, June 14-24, 2023

The Centre for Distance and Online Education (CDOE) conducted a personal offline Contact Programme for M.A Distance Learners during 14 - 24 June 2023. A total of 23 students participated in this program. Dr. Nandita Saikia, Professor and Head, CDOE, chaired the inaugural session and welcomed the distance learners. The inaugural speech was delivered by Prof. S. K. Singh, Director, Additional charge. The inaugural session was ended with the vote of thanks by Dr. Illias K. Sheikh, Assistant Professor, CDOE. All the faculty members delivered lectures for the distance learners during this 10 days' personal contact program.

3. Center for Internal Quality

Assurance (CIQA) meeting on 18th August 2023

A meeting of the Center for Internal Quality Assurance (CIQA) for the distance education program was held on the Friday, 18 August 2023 at 11.30 am. in the Guest House Dining Hall of the Institute. The purpose of this meeting was to discuss the various aspects of internal quality assurance related to the Open and Distance Learning (ODL) program under the Centre for

Distance and Online Education (CDOE) at the International Institute for Population Sciences (IIPS). Prof. S.K. Singh, Director (Addl. Charge), chaired the meeting.

Twelve members attended the meeting to discuss various issues related to the distance education program with the two external experts, Prof Dhaneswar Harichandran, Retired Prof, Mumbai University and Dr Vaibhav Jadhav, Pune University.

1. The IPSAA and CDOE hybrid seminar: “IUSSP: The World Community of Population Specialists and Its Relevance for Indian Scientists”

On 15 September, the International Institute for Population Sciences Alumni Association (IIPSAA) and the Centre for Distance and Online Education at IIPS, Mumbai, convened a webinar entitled “IUSSP: The World Community of Population Specialists and Its Relevance for Indian Scientists.” Held from 17:00 to 18:30 India Standard Time. The seminar’s objective was to disseminate knowledge about the IUSSP’s

crucial role in advancing scientific discourse on population issues, with a particular emphasis on its relevance to India.

IIPS Alumni Association (IIPSAA) is a professional body of IIPS-trained population graduates and registered by faculties and the alumni of the Institute under the Society Registration Act 21, 1860 (Regd. No. 2893/2011/GBBSD) and the Charity Commission Act 1950 (Regd. No. F49222-Mumbai). This event was organized in Hybrid mode without any financial support from IIPS. The event was attended by 94 distinguished participants, comprising 59 virtual attendees and 35 individuals present within the IIPS seminar hall.

The proceedings began with an inaugural address by Professor Irudaya Rajan, President of IIPSAA, succeeded by Professor Nandita Saikia's exposition on the CDOE. Dr. Shireen Jejeebhoy, President of IUSSP, elucidated the organization's endeavors, its engagement with Indian demographers, and the resultant impact on India's demographic and developmental trajectories. The session then progressed to a presentation by Professor Mary Ellen Zuppan, Executive Director of IUSSP, who delineated the preparatory framework for the International Population Conference 2025. The narrative was further augmented by testimonials from esteemed IUSSP members Professor Chander Shekhar, Professor K G Santhya, Professor T R Dilip and Professor TV Sekher, alongside insights from student members Ms. Ankita Srivastava and Dr. Ankit Sikarwar. The agenda was brought to a close by Professor Laura Wong, Vice President of IUSSP, who articulated the manifold benefits of membership, particularly for students and nascent career scholars, and provided clarity on the renewal process and fiscal implications. The webinar concluded with a robust discussion and question-and-answer segment, fostering a pivotal step in narrowing the informational chasm regarding IUSSP amongst the Indian scientific fraternity and

fortifying the bond between the Indian population community and the international consortium of population specialists.

Centre of Demography of Gender

The International Institute for Population Sciences launched 'Centre of Demography of Gender' within the Department of Population and Development on October 01 2021. The new centre aims to carry out high-quality, interdisciplinary teaching and empirical research on various aspects related to population, health, and development in India and abroad. A key mandate of the new centre is to develop a gender-related course curriculum that suits the requirements of various stakeholders. Capacity building through tailor-made short-term courses. The new center will act as a central data repository in India from where individuals, institutions or other stakeholders can access all data related to issues on gender. It will also provide timely policy inputs to the central and state governments and local administrative bodies for the formulation of appropriate policies and programmes from time to time.

1. One-day pre-conference workshop on "Understanding Data through the Gender Lens" at NIT Rourkela

The Centre of Demography of Gender (CDG) at the International Institute for Population Sciences, Mumbai, successfully hosted a one-day pre-conference training workshop titled 'Understanding Data through the Gender Lens' on November 7, 2023, at the National Institute of Technology (NIT) Rourkela, Odisha. The workshop was organised in collaboration with the Indian Association for the Study of Population (IASP) and the Centre of Excellence on Public Health and Nutrition, Department of Humanities, NIT Rourkela. The workshop received an overwhelming response, surpassing our expectations, with a large number of participants showing keen interest. Out of the 48 participants, 23 were females, and 25 were males, comprising MA/MSc. Students (31 participants), PhD students (15 participants), and a few faculty members. Participants represented various academic and research disciplines from 15 state and central universities and Institutes of National Importance across India. Feedback from participants indicated a significant positive impact on their understanding of gender issues, aligning with the workshop's objectives. The majority reported that the workshop met or exceeded their expectations in terms of content and quality. The President, General Secretary, and Treasurer of the IASP expressed gratitude to the CDG for initiating such an important workshop. Recognising its

importance and success, they requested the CDG to organise similar pre-conference workshops at various regional conferences of the IASP.

2. Workshop Organized by the Centre of Demography of Gender

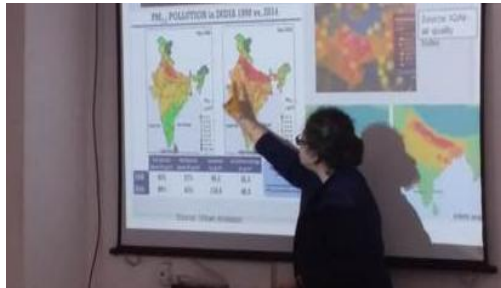

Centre of Demography of Gender (CDG), International Institute for Population Sciences, Mumbai, in collaboration with The Department of Economics, Department of Women's Studies, and Department of Lifelong Learning & Extension of North Bengal University (NBU) organized a one-day workshop entitled "Gender Studies: Theory & Empirics" at NBU, Darjeeling on 4th January 2024. Prof. Aparajita Chattopadhyay

and Dr Kaushalendra Kumar were invited as expert members for the workshop. Prof. Chattopadhyay took the session on gender inequalities in India: concept and empirical evidence. Dr. Kaushalendra Kumar conducted the session on using data to understand gender indices and inequalities. The workshop was attended by 63 students and 6 faculties of different departments from 11 AM to 6 PM. It was widely appreciated by the faculties and students. They are looking forward for future collaborations with the Centre of Demography of Gender.

3. Guest Lecture by Prof. Aparajita Chattopadhyay at ISI Kolkata

Prof. Aparajita Chattopadhyay delivered a lecture on the theme “Air, Water and Health in India: Emerging Gender Issues” at Indian Statistical Institute, Kolkata on January 5th, 2024. She has emphasized upon the need of quality air and water. The talk focused on the effect of air and water on cognition, nutrition and selected demographic outcomes. She

talked about the available data sources in India on health and environment and explained how to combine both the data sets in understanding linkages of environment, gender, and health. She emphasized the need for more research on air, water and health in an innovative way. The lecture was attended by faculties and research scholars of the economics research unit, ISI, Kolkata.

Financial Assistance to the Students

Twelve students have been awarded travel grants to present their research work on gender issues at the following international platforms:

- Population Association of America (PAA)
- Population Association of Singapore (PSA),
- World Congress of Sociology
- International Health Economics Association (IHEA)
- Human Development and Capability Association (HDCA)
- British Society for Population Studies (BSPS)
- Gerontological Society of America (GSA)
- International Wittgenstein Centre

All those researchers have been selected based on their research potential to contribute valuable insights exclusively in the field of gender studies. The international platforms have provided them with a great opportunity to share their findings and engage with experts from around the world. Many more students have been selected for the grant to share their research findings in the upcoming conferences scheduled for 2024.

X. LIBRARY

The library at the International Institute for Population Sciences offers a wide range of resources to support the educational learning and research needs of our institution. We have about 88,040 books, 19,531 bound periodicals, 17,214 reprints, and 642 audio-visual materials and subscribe to over 320 journals (Print + online). We receive 17 newspapers daily. There are 29,590 research articles from the core journals and edited books indexed and made available through Online Public Access Catalogue (OPAC). The library has a comprehensive collection focusing on population studies and its main areas. We additionally cover various other subjects like philosophy, psychology, religion, sociology, statistics, economics, education, math, anthropology, public health, history, and geography, etc. The library has a special collection of census volumes published in the pre-independence period (Census of India 1872 to 1941 in PDF format) till the latest Census 2011. In addition to providing access to physical resources, we offer a range of information services such as Current Awareness, New Additions, Selective Dissemination of Information, Document Delivery Service, Photocopy facilities, Reference Service, and Bibliographic service, metadata interpolation and so on.

The library has access to some of the best e-resources and databases like JSTOR, SCIENCE DIRECT (social science collection), SCOPUS, INDIASTAT, CMIE Database, NEJM, UN Database, and other leading publishers' online collections relevant to health and population sciences. The library provides remote access through iProx21 to IIPS repository and more than 2,000+ online (full-text) journals to authorized users.

The IIPS library has an institutional membership with INFLIBNET, DELNET, IASLIC, NIRD, IASSI, etc. and explores maximum services for the benefit of the Institute. The Institute is an active member of INFLIBNET-Shodhganga. To ensure research integrity the library has access to Drill Bit Software for Plagiarism checking and also library conducts user orientation program and provides online referral services. The library provides RFID (Radio Frequency Identification) facility for issue/return of books, journals, reprints to library users. The library has a reading hall with seating capacity of 100+ individuals equipped with comfortable furniture, study carrels, centralized air conditioning, and Wifi facility. The library working hours are 8.30 a.m. to 12.00 a.m. (Mon-Fri) and 9.30 a.m. to 12.00 a.m. on Saturdays.

Dr. K. Praveen Kumar is the library and information officer.

XI. INFORMATION COMMUNICATION AND TECHNOLOGY UNIT

The Information, Communication, and Technology (ICT) Unit provides effective and developmental ICT services and plays a critical role in enabling the Institute to deliver high-quality education, training, and cutting-edge research. Under the National Knowledge Network project, the Institute has acquired a 1-GBPS internet link from NIC. The ICT Unit has two computer labs equipped with 48 and 10 high-configuration computers with all modern audio-visual devices. Moreover, necessary statistical and demographic software, such as IBM SPSS Version 29, STATA Version 16, SAS 9.4, and ArcGIS 10.7.1, NVIVO required to analyse demographic datasets, are installed with multiuser licenses. The other important software are MORTPAK, Spectrum, Endnote X7, and ATLAS.ti.

The ICT division creates, maintains, and updates information on the Institute's website & Social media accounts regularly. The unit provides webmail service, enabling remote access to its users and provides technical support to the e-Governance (e-Office) application.

The Institute uses ICT services like video conferencing and learning management systems to deliver online courses, provide access to course materials, and dissemination of largescale demographic datasets.

The Data Centre at IIPS has all relevant demographic datasets such as census, and various rounds of large-scale surveys conducted by IIPS, which can be directly accessed by IIPS users locally. Through a web portal <https://www.iipsdata.ac.in>, online databases of surveys conducted by IIPS are also disseminated to the registered users.

The Institute inaugurated a new Census Data Workstation on December 12, 2023. The Census Data Research Workstation is a state-of-the-art facility designed to facilitate access to India's Census Microdata for academicians and researchers.

Prof. Chander Shekhar is the In-charge of the ICT Unit, and Mr. A.K. Mishra is the System Manager

XII. PLACEMENT CELL

The placement cell is actively enhancing the placement opportunities for students graduating from IIPS. Students undergoing each course at IIPS nominate two of their representatives to the placement cell. Under the direction of the two placement cell coordinators (Drs. T R Dilip and Manas Ranjan Pradhan), the placement officer and twenty student representatives organize and carry out the placement cell's activities. In 2023–2024, the placement cell held eight training sessions and pre-placement events. This year, Pfizer Health Care India Ltd., The HANS Foundation, Antara Foundation, and CMIE (Centre for Monitoring Indian Economy Pvt Ltd), MAGIC BUS Foundation, PRAKRUTHI

have extended campus placement offers to IIPS students. Additionally, the placement cell supported over thirty students in locating appropriate summer internship positions in public and private sector organizations.

Skill building activities organized by the placement cell in 2023-24

1. Session on Selected Open Access tools for Researchers by Mr. S. Sriram (The Chief Librarian of the Centre for Developing Studies, Thiruvananthapuram) on 5th April 2023.
2. Spoken Tutorial course on software's (R, Python, SQL) by IIT Mumbai on May 16th to 18th May 2023.
3. Workshop on Basic to Advanced Excel by Mr. Varun Anguralia on 2nd & 3rd September 2023.
4. Pre-Placement Talk by Mr. Sarvesh Singh- Head of Strategy & Operations for CDO, Novartis Board Member, PHUSE on 5th December 2023.
5. Pre-Placement Talk by Antara Foundation on 7th December 2023.
6. Pre-Placement Talk by Dhvani Rural Systems on 18th December 2023.
7. Pre-Placement Talk by Wish Foundation by Mr. Chayan Roy Choudhury on 1st February 2023.
8. Campus Placement Drive with Pfizer Healthcare India Pvt. Ltd on 7th March 2023.

IIPS Students attended placement drive with Pfizer Health care India Pvt. Ltd

IIPS Students participated Advanced Excel Workshop

IIPS Students undergoing Pre- Placement talk by Pfizer Health Care India Pvt. Ltd

IIPS Students Attended Pre-Placement talk by PHUSE

XIII. SOCIAL MEDIA CELL

The social media Cell of the Institute was set up on February 12, 2021. The committee has four members – Dr. Srinivas Goli, Dr. Pradeep Salve, Mr. Somnath Chougale and Mrs. Nivedita Mishra. The cell is to enhance the institute's presence on various social media platforms/handles and post regularly about activities, events,

publications, job opportunities, and achievements of the students/faculty/ staff. The Facebook, Twitter, and Instagram profiles of the institute are created, and the LinkedIn profile is also activated. The committee posts interactive fact-flyers of projects, publications, job opportunities, and achievements. The number of followers on social media pages is increasing steadily.

XIV. HOSTEL FACILITY

The teaching and training programmes at the Institute are mostly residential. The Institute has two hostels. All the rooms are self-contained, well-furnished and have adequate living and working space. Three VIP rooms are available in the Guest House, with a furnished Kitchen and Dining room. There is a hostel mess run on the no-loss, no-profit basis by a committee consisting of student representatives, hostel staff and the hostel warden. LCD televisions are also provided exclusively for students' use in both hostels. Indoor and outdoor game facilities and a gymnasium are also available.

Dr. Laxmi Kant Dwivedi is the Hostel Warden, and Ms. Anita Dogra is the Hostel Manager.

Internal Committee (IC) Cell Activities

The Internal Committee (IC) at IIPS, comprised of Chairperson Prof. Archana K Roy and dedicated members including Dr Archana Kujur, Dr Suresh Jungari, Dr P. Murugesan, Ms Lavina Tauro, Ms Sheetal Zore, Mr Chandan Kumar Hansda, Ms Komal S. Gajbhiye, Ms Puja Das, and Dr Vibhuti Patel as an external member, played a crucial role in upholding the institute's commitment to creating a safe and inclusive environment free from harassment and discrimination. Throughout the academic year 2023-2024, the IC undertook various activities aimed at raising awareness and promoting gender equality among staff, faculty, and students. These comprised the following activities:

1. The orientation program of the staff and newly admitted students (24th July 2023):

The special talk addressing the crucial issue of preventing sexual harassment against women in the workplace, held at the institute, was a significant event aimed at raising awareness and promoting a culture of safety and respect. The guest speakers, Mr. Harish Sadani from Men Against Violence and Abuse (MAWA) and Adv. Monica Sakhrani brought valuable insights and expertise to the discussion. The presence of Dr. Vibhuti Patel, an external member

of the Internal Committee (IC), through the online platform further enriched the discussion.

Mr. Harish Sadani's presentation, including a short film, provided attendees with valuable insights into the complexities of sexual harassment issues and the importance of collective action in combating them. Adv. Monica Sakhrani's engagement with participants through case studies offered practical examples and perspectives on

handling sexual harassment complaints effectively. Participants were not only educated on when and how to seek assistance from the IC but also empowered to contribute to creating a safer and more inclusive workplace environment for all members. The interactive Q&A session that followed encouraged active participation and dialogue among attendees.

2. Training program for Internal Committee members (1st to 2nd November 2023):

The two-day training program organized for the newly constituted Internal Committee (IC) in June 2023 was a vital step in ensuring that members were well-equipped to fulfil their roles and responsibilities effectively. Led by Adv. Monica

Sakhrani, the training aimed to familiarize committee members with various aspects of their duties, including handling complaints and maintaining confidentiality. insights shared by Prof. Sayeed Unisa, former chairperson of the Internal Committee, added valuable perspectives. Prof. Unisa's experience and guidance likely provided invaluable insights into the nuances of managing and resolving issues related to sexual harassment effectively. By combining legal expertise with practical advice and firsthand experiences, the training program likely equipped IC members with the necessary knowledge and skills to address complaints sensitively and fairly. The commitment to ongoing training and support for IC members not only reflects the institute's dedication to upholding principles of addressing sexual harassment effectively but also reflects a broader commitment to staff development and upskilling of upskilling the staff.

3. Awareness campaign accompanied by several activities and competitions (8th December 2023):

The special campaign organized at IIPS to raise awareness about the prevention of sexual harassment at the workplace and to foster a safe environment on campus was a commendable initiative. The inclusion of various competitions, such as drawing, poster making, and mime on relevant themes, added an interactive dimension to the campaign. With themes ranging from the "Importance of Girl Child" to "Addressing and preventing sexual harassment and assault in the workplace, particularly for women," and "Transgender and Gender Perspective," the

competitions provided participants with opportunities to express their creativity while addressing critical social issues. The enthusiastic participation of both students and staff contributed to the success of the event, reflecting a collective commitment to promoting a culture of respect, equality, and safety within the institute. Such initiatives not only raise awareness but also foster dialogue and understanding, paving the way for a more inclusive and supportive community.

The winners of various competitions were as follows:

Competitions	Student winners	Staff winners
Drawing	Abhishek Sahu (M.A 1st year) Tribeni Sonowal (M.A. 2nd year) Hitashree B S (MBD 1st year)	Rajesh Ankush Ghuge Priya Mudaliar Devendra Kumar Yadav
Poster:	Tribeni Sonowal, Ansuman Bag, Anwesha Sharma (M.A. 2nd year) Tanvi Raj, Gitika Kishor, Shital Madhukar, Krishna Dornapalle, Gajanan Dhawse Anubha Aditi Kujur, Hitashree B S (MBD 1st year)	Rajesh Ankush Ghuge Devendra Kumar Yadav, Priya Mudaliar, Ketan D. Andhale Tejas Gadekar, Sahish Todnkar, Ayushi Singh, Suvarna Shinde
Mime:	Abhishek Gupta, Hemant Kumar, Anubha Aditi Kujur, Mary Nancy Tirkey, Laxmi Agarwal, Tarun Rai	

4. Celebration of Women's Day (15th March 2024):

The one-day symposium held by the Internal Committee of IIPS on March 15th, 2024, to commemorate Women's International Day was a significant event attended by faculty, staff, and students of the institute. Dr. Suresh Jungari,

a member of the Internal Committee, extended a warm welcome to guest speakers Dr. Nishita Raje and Miss Sharon D'Souza-Pretto.

The session commenced with opening remarks by Prof. S. K. Singh, the director of IIPS, who set the tone for the event. Dr. Nishita Raje shed light on the crucial role of women in the economy and

their

contribution to

productivity. She delved into topics such as women's participation in welfare programs and the importance of ensuring equality of opportunity for all. Following Dr. Raje's insightful discussion, Miss Sharon D'Souza-Pretto took the stage to explore life skills, leadership, and coping mechanisms among women. She emphasized the significance of emotional intelligence in navigating various aspects of life and leadership roles.

The symposium culminated with the 'NARI SAMMAN' event, a gesture of appreciation aimed at recognizing and honoring the contributions of women who often go unnoticed. This segment served as a heartfelt tribute to the countless women whose efforts play a pivotal role in shaping society. Overall the symposium served as a platform for meaningful discussions and reflections on the challenges and achievements of women, highlighting the importance of gender equality and empowerment in building a more inclusive and progressive society.

Institutional Review Board (IRB)

The International Institute for Population Sciences (IIPS), Mumbai, being a premier teaching, training and research Institute, has a full-fledged Institutional Ethical Review Board (IRB). All the research projects of the Institute or outside organizations having the Institute's faculty as research partner, involving human subjects are reviewed and approved by the IIPS-IRB. The committee ensures that research involving humans is conducted according to the legal, institutional and professional ethical guidelines focusing on privacy, confidentiality, voluntary participation and human subject protection. IRB at the Institute is following similar rules and regulations as suggested by the Indian Council of Medical Research (ICMR).

IIPS-IRB is chaired by an outside expert and members from different disciplines, like medical sciences, legal experts, social activists, community representatives and representatives of non-government organizations. Prof. Vibhuti Patel (Retired Professor-TISS & SNDT Women's University) was appointed as Chairperson of the IRB and

served IRB till Jan 2024. The institute appointed Prof. D.P. Singh as the Chairperson (Professor-TISS). Current members from IIPS are Prof. Archana K. Roy and Prof. Aparajita Chattopadhyay as Convener, appointed in October 2024. Other members are Dr. Gajanan Velhal (Professor & Head, Seth G S Medical College & KEM Hospital), Dr. Lalita Savardekar (Scientist G- National Institute for Research in Reproductive Health), Mr. Raju Chauhan (Community Representative), Prof. Vaishali Kolhe (Associate Professor-TISS), Ms. Sushmita Das (Associate Director- SNEHA), Mr. Vinod B. Joshi (Advocate for Govt. of India). During last academic session three meetings were conducted and 14 proposals were approved by the committee. IIPS-IRB conducted 3 meetings held on 22nd Dec, 30th Jan 2023, 27th Feb 2024 respectively and reviewed ethical issues of 20 research proposals. Out of 20 proposals, 14 proposals were approved, 1 proposal was not presented and revised version of 5 proposals are yet to be submitted to IIPS IRB for review. The IIPS-IRB webpage highlighting Operating Procedure, Status Report and Minutes is available in <https://www.iipsindia.ac.in/content/institutional-review-board>.

List of Approved Proposals from (Nov 2023 – April 2024)

S r. N o .	Name of the Project	University/ Institute conducting research
1	“SAHELI: Study and Action on Hysterectomy: Evidence on Women’s Health through the Life Course in India”	IIPS in collaboration with Population Council Institute, The George Institute for Global Health, All India Institute of Medical Sciences New Delhi and Patna, Independent Consultant Gujarat
2	“The Effect of Resettlement on Livelihood Rebuilding, Women Health and Demographic Behaviour- The Study of Indira Sagar Irrigation Project in Bhandara District of Maharashtra”	IIPS

3	"Baselining of Healthcare Indicators for Improving Healthcare Service Delivery in Pimpri Chinchwad Municipal Corporation"	IIPS
4	"Global Adult Tobacco Survey"	IIPS
5	"Study of migrants in Mumbai from different regions of Maharashtra".	IIPS
6	"A Study of Early Marriages in Assam"	IIPS
7	"An evaluation of the working of Early Intervention Centres in District Hospitals of Haryana"	Population Research Centre-Punjab University
8	"An Assessment of Maherghar Scheme in Maharashtra"	Population Research Centre-Gokhale Institute of Politics & Economics
9	"Adequacy of Information Communicated Pre-General Surgery: A cross-sectional study in Sasson Medical College and District Hospital Pune"	Population Research Centre-Gokhale Institute of Politics & Economics
10	"Menstrual Health Management (MHM) of Adolescents in Mumbai Slums: Identifying gender norms and gaps"	IIPS, Centre of Demography of Gender
11	"Prevalence of anaemia and compliance to weekly iron-folic acid supplementation Programme amongst school going adolescents in Maharashtra"	Population Research Centre-Gokhale Institute of Politics & Economics
12	"Prevalence of Mental Health Problems and Treatment Seeking Behaviour among School Going Adolescents in Jammu and Kashmir"	Population Research Centre-University of Kashmir
13	"Low Birth Weight babies and Poshan Sudha Yojana: Examining the linkages in selected districts of Gujarat"	Population Research Centre-The Maharaja Sayajirao University, Baroda
14	"Exploring Adolescent School Children's Perspectives on Mental Health and Well-being"	Population Research Centre-University of Kerala

XV. RECRUITMENTS, PROMOTIONS AND RETIREMENTS

A. Appointment of Staff

- Ms. Nivedita Mishra joined as Hindi Officer at Hindi Cell, June 19, 2023
- Mr. Tejas Gadekar joined as Upper Division Clerk at Establishment Section, April 3, 2023
- Mr. Sandesh Landge joined as Library Clerk, Library, July 19, 2023

B. Retirements of Faculty

- **Dr. Usha Ram**, Professor & HoD, Biostatistics & Epidemiology retired on superannuation on June 30, 2023

C. Appointment of Staff

- **Mr. Rakesh L. Valmiki**, Multi-Tasking Staff, Hostel retired on superannuation on July 31, 2023
- **Mr. V.J Athawale**, Gestetner Operator, Library, retired on superannuation on August 31, 2023
- **Ms. Sneha S. Dudwadkar**, Assistant, Exam Cell, retired on superannuation on September 30, 2023

64th CONVOCATION OF IIPS

The sixty-fourth convocation of the International Institute for Population Sciences (IIPS) was held on 6th May 2023.

Prof. K. S. James, Director IIPS, presented the activities and achievements of the Institute for the year 2022-23. This year, 198 students were awarded degrees/diplomas. Additionally, the exceptional research and academic achievements of these students were duly recognized and lauded with the presentation of gold and silver medals.

Dr. Rajiv Bahl, Secretary to the Government of India, Department of Health Research & Director General, ICMR, presided over the function. Dr. Rajiv Bahl delivered the presidential address and expressed that it was a privilege to address the institute on behalf of the Ministry of Health and Family Welfare (MoHFW), Government of India. He commended the institute for its longstanding commitment to providing top-tier education and its extensive contributions to nationwide health surveys and research over several decades. Dr. Bahl underscored the significance of high-quality data, specifically acknowledging the institute's dedication towards maintaining survey quality, with particular focus on the National Family Health Survey (NFHS). Furthermore, he engaged in a discussion regarding the relevance of the Longitudinal Aging Study in India (LASI), particularly in the context of its implications for the social, economic, and health-related well-being of the rapidly growing elderly population in the country.

The convocation address was delivered by Dr. Indu Bhushan, Ex-CEO, Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana and the National Health Authority, Government of India. During his address, Dr. Indu Bhushan highlighted the significant opportunities and challenges that arise from two pivotal landmarks for India. The first landmark pertains to India surpassing China to become the world's most populous nation, while the second landmark involves achieving below-replacement-level fertility. Dr. Bhushan also underscored the importance of identifying and addressing the needs of vulnerable populations, alongside promoting gender equality.

In addition, he addressed the issue of data quality, emphasizing the necessity of enhancing data accuracy and relevance by incorporating technological innovations such as big data, artificial intelligence (AI), machine learning, and similar advancements.

OTHER ACTIVITIES

1. Visit of IIPS Authorities to the All India Institute of Physical Medicine and Rehabilitation (AIIPMR)

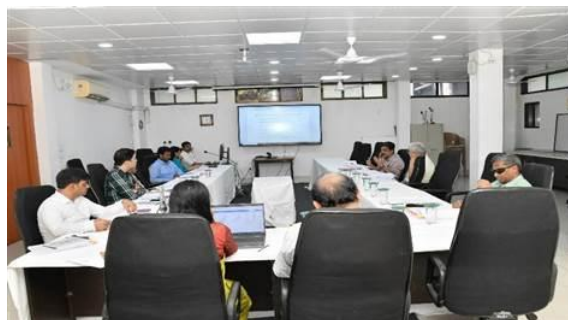

Shri. Sudhansh Pant, Honorable Secretary to the Government of India, Ministry of Health and Family Welfare, conducted the review meeting of activities of all MoHFW-sponsored institutes on 5th September 2023, at the All

India Institute of Physical Medicine and Rehabilitation (AIIPMR)), Mumbai. Prof S.K. Singh, Director (Additional charge), presented a briefing on IIPS at a glance focusing on teaching, training, research, and governance and future plans for the expansion of the institute to implement the New Education Policy 2020 effectively. It was categorically highlighted that the institute has been a significant contributor to strengthening the Demographic and Health data ecosystem in the country by providing valid and reliable estimates of several SDG indicators, which are extensively used in policy-making and tracking the progress of flagship programs. The chairperson was also briefed about the involvement of the institute in several collaborative programs with reputed foreign institutes in the fields of Population, Health, and Development and striving for internationalisation of education. Hon'ble Secretary reviewed and appreciated the activities of the Institute and advised to expedite the New Infrastructure Development Plan (Phase I). He also emphasised the need for collaboration in healthcare-related activities, functionalities, and administrative aspects of these institutions. He advised the institute to focus on collaborative activities between MoHFW sponsored institutions in Mumbai/India and work for enhanced public health in a synergetic manner.

2. The International Institute for Population Sciences conducted an Internal Quality Assurance Cell meeting on the submission of the Annual Quality Assurance Report (AQAR) with external experts on March 07, 2024.

On March 07, 2024, the International Institute for Population Sciences conducted an important meeting about the Annual Quality Assurance Report (AQAR) with the Internal Quality Assurance Cell. External experts joined the discussion to talk about various aspects. This meeting shows that IIPS is serious about keeping high-quality standards in academics and administration. Involving external experts highlights the institute's dedication to always getting better and maintaining top-notch quality in everything it does.

3. Integrity Pledge Event, 1st Nov 2023

Vigilance at IIPS ensures transparency, efficiency, and integrity. The department advises management, implements guidelines, and investigates complaints, striving for ethical standards and regulatory compliance. It categorizes its role into proactive, preventive, predictive, detective, punitive, and corrective measures. Activities include monitoring integrity, scrutinizing complaints, and overseeing procurement. The Chief Vigilance Officer heads these efforts, focusing on prevention, investigation, and surveillance.

4. Foundation Day and New Year Celebration on 31st December 2023

The International Institute for Population Sciences, Mumbai, joyously celebrated its 67th Foundation Day on the 31st of December 2023. The evening was a splendid blend of decoration, dance, and drama, marked by the enthusiastic participation of students, faculties, and staff members. The students of IIPS orchestrated a magnificent event.

The ceremonial lighting of the lamp took place with the

esteemed presence of Prof. S K Singh, Director additional charge; Prof Nandita Saikia, Cultural Coordinator, and CAO Lt Colonel Prashant Sunil Barode, casting a radiant start

to the program. The event unfolded with a diverse array of performances, encompassing devotional songs, Ganesh Vandana, Bollywood group dances, Bollywood group songs, Sambalpuri dance, solo and duet songs, Bihari cultural dance, Dance in Bharatnatyam style, and culminating in a captivating fashion show.

The students of IIPS, once again, demonstrated their creativity with a thought-provoking drama, this time shedding light on the evolving educational landscape and its challenges.

5. IIPS Students visited VADU Health and Demographic Surveillance System, Pune

The co-ordinators of Master in Population Studies (MPS), IIPS organised a one day Academic study tour to VADU Health and Demographic Surveillance System (VADU HDSS), Pune (<https://www.kemhrcvadu.org/>). This was the one-day academic visit with 41 MPS students along with two MPS coordinators Prof. SK Mohanty and Dr. Pradeep Salve. The purpose of the study tour was to give the exposure of Health and Demographic Surveillance System in

India and Vadu Rural Health Program is renowned centre in placed for more than four decades under the initiatives of the KEM Hospital and its Research Centre. Vadu centre covered 22 villages and around 186000 population is under the surveillance for mother and child health, ageing, communicable and non-communicable diseases, clinical trials etc.

The Vadu team Dr. Anand Kawade (Head of the Dept. Paediatrician), Dr. Dheeraj Agarwal (Senior Scientist and Public Health Professional). Dr. Rutuja Patil (Senior Scientist and Public Health Professional) facilitated the field visit. Dr. Rutuja Patil briefed the students through the presentation over the Vadu Health and Demographic Surveillance System centre is doing throughout last more than two decades. She has interacted with students addressing the concerns and observations. Dr. Anand Kawade has presented the finding from the Vadu centre that were included

in national and state policies. Vadu team made the facility visit for our students and educated them that how the centre is extensively engaged in doing the surveillance. The Vadu centre team further divided our students into 5 team for the actual field visit in the villages. Thereafter, Vadu staff guided our students to the field visit and students interacted with the field staffs who are actually involved in the data collection. The co-ordinators

discussed the feasibility of initiating students' internship with VADU in coming days. Around 4.30 pm, we started our return journey to the IIPS from Vadu village, and we reached to the campus of IIPS at 10.30 pm on 20th January 2024. **Prof. SK Mohanty and Dr. Pradeep Salve are the coordinators.**

6. Blood Donation Camp, 30th December, 2023

The Blood Donation Camp organised by the Staff Welfare Committee in collaboration with Pallavi Blood Bank, was held on 30-12-2023 at Seminar Hall of the Institute. The main aim of the camp was to encourage people to donate blood voluntarily and raise awareness about the importance of contributing to the blood supply for medical treatments and emergencies.

Prof. S. K. SINGH, Director (Additional Charge), inaugurated the camp at 10.45 am and ended at 5.00 pm. The venue was well-equipped with medical staff, a blood donation rest chair, and refreshments for donors. Many staff, students and other people from our organisation participated in the camp, showing their dedication to supporting others' well-being.

The participants showed great enthusiasm and a strong sense of community spirit. Their collective effort resulted in a significant number of blood donations, which will support patients in need of blood transfusions.

Prof. S K Mohanty, Chairperson, Staff Welfare Committee, expressed gratitude to all the total 69 blood donor who generously donated blood and contributed to the success of the event. Their selfless act will make a positive impact on the lives of those requiring blood in emergency situation.

7. Field visit to Sub Centre and Primary Health Centre

MPS and MA/MSc program students visited the Primary Health Centre, Neral and Chinchavli Sub-Centre, in Karjat Block of Raigad district on 07/10/2023. This visit was part of the healthcare system and policies course in which students were given practical exposure to the PHC and Sub-centre. Student interactions with healthcare providers have given practical exposure to understanding healthcare system

challenges. 41 Masters and 2 PhD students were visited health facilities. Dr. Suresh Jungari and Dr. Pradeep Salve, faculty members of IIPS coordinated the visit.

8. Student Field Visit

A visit of students of the elective course, Population, Environment and Sustainable Development, of MBD and MA/MSc batch 2023-24 was organized to take part in The International Coastal Cleanup Day on 16th September 2023 at at Juhu Beach, Mumbai. The Coastal Cleanup Day was organized by Earth Day Network-India and Environment Life

Foundation aimed to raise awareness among students about the types and sources of solid waste, highlighting the importance of environmental conservation and the preservation of marine ecosystems. Under the guidance of course in charge Prof. Archana K Roy and Prof. Aparajita Chattopadhyay, the students actively participated in the cleanup drive. This hands-on experience provided them with invaluable insights into the challenges posed by solid waste pollution along coastal areas and instilled a sense of responsibility towards sustainable environmental practices. This holistic approach to education underscores the commitment of IIPS to nurturing environmentally conscious individuals equipped to tackle pressing global challenges.

9. National Youth Day – 12th January, 2024

The cultural coordinator and student representatives of the International Institute for Population Sciences organized a session on "National Youth Day" on 12 January 2024. The session was organized in the Seminar Hall, IIPS. The goal of this session was to honor the birth anniversary of Swami Vivekananda, one of India's most influential spiritual leaders and philosophers.

The session was hosted by Mr Rumaan, an M.A/MSc student. The main speaker Dr. Varadraj B. Bapat is a Faculty in Accounting and Finance, at IIT BOMBAY. The session was chaired by Prof Nandita Saikia with the presence of Prof. K.C. Das, Prof Chander Shekhar, Prof. S.K. Mohanty, Dr. Kaushalendra Kumar, and Dr. Kunal Keshri.

Professor Bapat commenced his address by discussing the post-1887 period of India and the influence of the British education system. The Professor emphasized how the western society's misconceptions about Hindu society and civilization propelled Swamiji to travel to Chicago. The audience was reminded of the global impact that Swamiji's speech had at the World Parliament of Religion in Chicago, with newspapers worldwide headlining, "Men in saffron conquered world parliament of religion."

In conclusion, the seminar served as a profound tribute to Swamiji's teachings, inspiring the audience to reflect on his philosophies and apply them in their lives for the betterment of the nation. Another MA/MSc student Mr. H.B. Sidhnath concluded the session with a vote of thanks.

10. Post Graduate Residents of Community Medicine, Armed Forces Medical College, Pune, Visiting IIPS

On 3rd Jan 2024, twelve Post Graduate Residents of the Department of Community Medicine, Armed Forces Medical College (AFMC), Pune, as a part of their industrial training at prestigious institutes of public health visited the institute. Surg Capt Saurabh Bobdey, Professor, Department of Community Medicine, AFMC, Pune, accompanied the 12 postgraduate residents and led the visit. Prof. Chander Shekhar, Professor, Department of Fertility and Social Demography and Lt Col Prashant S Borde, Chief Administrative Officer-cum-Registrar welcomed them. Lt Col Prashant Borde explained the administrative and academic structure of IIPS and its major functions.

Thereafter, Prof. Chander Shekhar explained the major educational and research activities undertaken by the Institute. Prof. Shekhar sensitized the residents about the contemporary population, health issues, and challenges and the Institute's contribution to producing high-quality research studies on these issues and closely associated subjects. The interactive discussion

with residents also involved several questions on sampling, research methodology, and practical implications of the population research, in particular on the National Family Health Survey, South Asian Labour Mobility and Migration, and Gender project in the Indian context. He also illustrated the institute's role in generating high-quality data required for national health planning and policy framing as well as monitoring the national population and health programmes and Sustainable Development Goals. Prof. Chander Shekhar briefly introduced strategies adopted in implementing large-scale surveys nationwide and securing the data. In the end, Lt. Col. Prashant Borde also spoke about the possible opportunities for Armed Forces Personnel in the field of public health and population sciences. He also informed them about the master's programme through distance learning mode at the Institute which has tremendous potential to gain advanced knowledge in data research, population sciences, and public health.

11. Orientation Programme on Prevention of Sexual Harassment against Women at the Workplace

The Internal Committee (IC), IIPS, organized an "Orientation Programme on Prevention of Sexual Harassment against Women at the Workplace (POSH)" for Faculty, Staff, and Students on 24th July 2023. Mr. Harish Sadani and Advocate Monica Sakhrani were the guest speakers for the session. Mr. Harish Sadani, Hon. Secretary and Chief Functionary, Men Against Violence and Abuse (MAWA), Dadar (West), is India's leading gender rights activist and a social worker by training and has been working for more than 26 years to educate men about improving women's sexual and reproductive health. Advocate Monica Sakhrani has over 30 years of experience practicing law and teaching as an active advocate for women's rights.

Prof. K. S. James, International Institute for Population Sciences, Mumbai served as the Chair for the session.

Prof. Archana K Roy is the Chairperson of the Internal Committee. The Members of the Internal Committee (IC), IIPS, are Dr. Suresh Jungari (Faculty), Ms. Lavina Tauro, Ms. Sheetal Zore, Mr. Chandan K. Hansda (PhD Scholar), Ms. Komal S. Gajbhiye (PhD Scholar), Prof. Vibhuti Patel (External Member).

12. International Yoga Day

To commemorate International Yoga Day on June 21, 2023, an event was held featuring a lecture, entitled "Managing Stress with Spiritual Practices", delivered by Praveen Naik and Chaired by Prof. K.C. Das. The lecture's primary objective was to provide guidance to students, educators, and parents on assisting students in managing their stress by incorporating fundamental spiritual principles. Following the lecture, a practical session and discussion ensued. Prof. K.C.

Das overviewed the practical sessions. Prof. Nandita Saikia provided the opening remarks, and Prof. K. S. James delivered the welcome address. Ms. Kokila Shetty, SALAM, gave the vote of thanks.

13. Visit of Medical Officers of AFMC, Pune to IIPS

Post-graduates from the Department of Community Medicine at the Armed Forces Medical College (AFMC), Pune, visited the International Institute of Population Sciences, Mumbai, on 17th April 2023 as part of their training to familiarise themselves with the health surveys being undertaken at IIPS.

Eleven PG trainee medical officers, accompanied by one faculty member, were present. Prof. T. V. Sekher welcomed the participants to IIPS. Lt. Col. Prashant Borde, CAO cum Registrar, explained to them about various activities of IIPS.

The visitors were given a brief introduction to the scope, coverage, and methodology of important national-level surveys undertaken by IIPS. Prof. S. K. Singh spoke about NFHS, Prof. T. V. Sekher on LASI, and Prof. R. Nagarajan on GYTS. This was followed by some interactive discussions. Prof. T. V. Sekher coordinated the programme.

14. Meri Maati Mera Desh Campaign

The "Meri Maati Mera Desh" Tree Plantation Drive campaign, initiated by the Government of India, was conducted at IIPS on October 13, 2023.

Students actively participated in the event, which also included an Amrat Kalash Yatra

organized in the presence of Director Prof. S.K. Singh, Prof. Nandita Saikia, other faculty members, and staff. The trees were planted in the children's park of IIPS and were named after freedom fighters and social reformers.

15. "Swachhata Hi Seva" Abhiyan on 1st October 2023

The "Swachhata Hi Seva" Abhiyan was organized at IIPS, On October 1st, 2023. Over 150 members of the IIPS community, including students, staff, and faculty, participated in the campaign. Through their volunteer efforts, they demonstrated their commitment to a cleaner and healthier environment. This nationwide campaign aims to mobilize communities and accelerate efforts towards achieving complete sanitation, with

a specific focus on rural areas. Through their volunteer efforts, the IIPS community actively contributed to this goal and demonstrated their commitment to a cleaner and healthier environment.

16. Umang Festival 2023

The Umang Festival, the annual fest of IIPS, took place on the 26th and 27th of December 2023 at the IIPS Campus. Various events, including a quiz, extempore speaking, and essay writing competitions, were held during the festival. Students enthusiastically participated in all these events. Cash prizes were awarded to the winners of each competition. The essay writing competition was evaluated by Prof. R. Nagarajan and Prof. L.K. Dwivedi, while Dr. Sunil Sarode evaluated the extempore speaking competition.

17. Annual Sports Week 2023-24

The International Institute for Population Sciences (IIPS) hosted its Annual Sports Week, dubbed 'Thrill-a-thon' 2024, from January 20 to January 28. Inaugurated by the Director, the week brought together teaching and non-teaching staff, along with students from all courses, for a variety of indoor and

outdoor games. It served as a platform for fostering camaraderie, sportsmanship, and unity among the IIPS community. The line-up included a range of competitions catering to diverse interests, promoting teamwork and healthy competition. As the week concluded, participants left with cherished memories and strengthened bonds, embodying the spirit of the event.

18. Hindi Cell Activities

1. Hindi Pakhwada, IIPS

The Hindi Pakhwada was successfully organised from 14 September to 29 September 2023 by the International Institute of Population Sciences, Mumbai. The event was inaugurated by Prof. S. K. Singh, Director (Additional Charge). This event encompassed various activities including essay writing, Antakshari competitions, news reading contests, and an online Hindi quiz. The students of the institute along with the staffs, participated enthusiastically in the programs. The concluding day of the

Hindi Pakhwada featured a Kavi Sammelan and the distribution of prizes for the competitions. The event was attended by the faculty members and all staff members of the institute.

2. World Hindi Day on 10 January 2024

On the occasion of World Hindi Day, in the presence and support of Prof. S.K. Singh, Director (Additional Charge) and Prof. Abhishek Singh, In-charge, Hindi Cell, “*samsmaran*” – A memorization competition was organized by Mrs. Nivedita Mishra, Hindi Officer on 10 January 2024. Along with the staff members, students also participated enthusiastically in the competition. Dr. Kunal Keshri, Assistant Professor was

in the role of judge. All the winners were awarded exciting prizes after the conclusion of the Program.

3. The Institute participated in the Unicode Typing Competition organized by Punjab National Bank under the aegis of Navi Mumbai Narakas on 12/01/2024.

4. A Workshop was organized in relation with the implementation of official language, organized by the Department of Official Language for the departments in all the quarters. Along with this, meetings related to official language implementation were organized under the chairmanship of all the members of the Official Language Committee.

BOOK PUBLISHED BY FACULTY

India Population Report

India became the most populated country in the world in 2023 and this focused considerable attention on India's population and its changing age structure, demographic transitions, and their long-term implications. India Population Report, an indigenous institutional output, puts together findings of landmark surveys and research on population, health, ageing, fertility, nutrition, migration, and women and children undertaken by the International Institute for Population Sciences (IIPS), India. This volume dwells upon various aspects of population and health issues in India, providing a holistic narrative of the current scenario and future trajectories. By utilizing the latest data and scientific evidence, chapters in this volume explain the achievements so far and examine the challenges ahead in varied domains, while identifying thrust areas for further research and action. Contributions to the volume

are received from leading and renowned research and data experts in the field, bringing together a comprehensive, multifaceted work of immediate relevance.

Adult Mortality in India: Trends, Socioeconomic Disparities, and Consequences

New York University, Abu Dhabi and IIPS, Mumbai at New York University, Abu Dhabi, organized a book launch ceremony on 11th May 2023.

A new book titled, *Adult Mortality in India: Trends, Socioeconomic Disparities, and Consequences*, provides an in-depth analysis of adult mortality patterns in the country and addresses crucial issues related to public health and policy. Authored by Moradhvaj Dhakad, an IIPS alumna and researcher at IIASA, Austria and Prof Nandita Saikia in the Department of Public Health and Mortality Studies at the International

Institute for Population Sciences in Mumbai, India, this comprehensive study examines the trends, socioeconomic disparities, and consequences of adult mortality in India from 1980 to 2021. It was inaugurated in the international seminar “Population Dynamics of India, the World’s most populous country” at New York University, Abu Dhabi.

The book consists of eight chapters, covering topics ranging from general patterns of adult mortality to its consequences in India. The research findings presented in the new publication provide valuable policy insights and a reference point for tracking progress towards the UN Sustainable Development Goals (SDGs). The authors further emphasize the crucial role of addressing adult mortality in achieving the SDG targets, particularly in reducing socioeconomic disparities and improving the health and wellbeing of the most vulnerable populations.

APPENDIX II

FACULTY AND GROUP-A OFFICERS OF THE INSTITUTE

Dr. S.K. Singh, M.A., Ph.D. (BHU)

Director (Addl. Charge)

Bio-Statistics & Epidemiology

Dr. Murali Dhar, M.Sc. (Stats), M.Phil., Ph.D. (IIPS),
PG (Epidemiology, Finland)
Dr. U.S. Mishra, MA. CPS, M.Phil., Ph.D (IIPS)
Dr. Suryakant Yadav, M.Sc., M.P.S., Ph.D. (IIPS)

Professor & Head
Professor
Professor
Assistant Professor

Fertility & Social Demography

Dr. D.A. Nagdeve, M.Sc., M.P.S., Ph.D. (IIPS)
Dr. Chander Shekhar, M.Sc., M.P.S., PDGCA, Ph.D. (IIPS)
Dr. Manoj Alagarajan, M.A., M.Phil., Ph.D. (Bharathiar)
Dr. Srinivas Goli, MA, MPS, Ph.D.(IIPS)
Dr. Manas Ranjan Pradhan, M.A., M.Phil., Ph.D. (IIPS)

Professor & Head
Professor
Associate Professor
Associate Professor
Assistant Professor

Public Health & Mortality Studies

Dr. H. Lhungdim, M.A., M.Phil., Ph.D. (JNU),
Dip. In Demography (Cairo)
Dr. Abhishek Singh, M.Sc., M.Phil., Ph.D. (IIPS)
Dr. Dhananjay W Bansod, M.A., M.Phil., Ph.D. (IIPS)
Dr. Nandita Saikia, M.Sc., M.Phil., Ph.D. (IIPS)
Dr. Kaushalendra Kumar M.A., M.RIM., M.P.S., Ph.D. (IIPS)
Dr. Suresh Jungari, MSW, MPS, Ph.D. (IIPS)

Professor
Professor & Head
Professor
Professor
Assistant Professor
Assistant Professor

Migration & Urban Studies

Dr. Kailash Chandra Das, M.Sc., M.P.S., M.Phil., Ph.D. (IIPS)
Dr. Archana K. Roy, M.A. M.P.S & Ph.D. (IIPS)
Dr. Reshmi R.S., M.Sc., M.Phil., Ph.D. (IIPS)
Dr. Kunal Keshri., M.Phil., Ph.D

Professor & Head
Professor
Assistant Professor
Assistant Professor

Population & Development

Dr. Sanjay Kumar Mohanty, M.A., M.P.S., Ph.D. (IIPS)
Dr. R. Nagarajan, M.A., M.Phil., Ph.D. (Bharathiar)
Dr. Aparajita Chattopadhyay, M.Sc., MPS, Ph.D. (IIPS)
Dr. Sunil Tatoba Sarode, MSW, Ph.D. (TISS)
Dr. Pradeep Salve, MA, M.Phil., Ph.D. (IIPS)

Professor & Head
Professor
Professor
Associate Professor
Assistant Professor

Family & Generations

Dr. T.V. Sekher, M.A., C.P.S., Ph.D. (Bangalore)
Dr. Harihar Sahoo, M.A., MPS, M.Phil., Ph.D. (JNU)
Dr. Dilip T.R., M.Sc., M.Phil., Ph.D. (IIPS)
Dr. Dipti Govil, M.A., M.P.S., Ph.D. (IIPS)
Dr. Sarang Pedgaonkar, M.B.B.S., Diploma in Public Health,

Professor & Head
Associate Professor
Associate Professor
Assistant Professor
Assistant Professor

M.D. in Community Medicine (P.S.M.),

M.P.S. - Distance Learning (IIPS)

Survey Research & Data Analytics

Dr. S.K. Singh, M.A., Ph.D. (BHU)

Dr. Laxmi Kant Dwivedi, M.Sc., M.Phil., Ph.D. (IIPS)

Dr. Preeti Dhillon, M.Sc., M.Phil., Ph.D. (IIPS)

Dr. Guru Vasishtha, M.Phil, M.P.S. Ph.D. (IIPS),

Professor & Head

Professor

Assistant Professor

Centre for Distance & Online Education

Dr. Nandita Saikia, M.Sc., M.Phil., Ph.D. (IIPS)

Professor & Head

Information, Communication & Technology unit

Dr. Chander Shekhar, Professor M.Sc., M.P.S.,

PDGCA, Ph.D. (IIPS)

Mr. Anjani Kumar Mishra, PDGCA, DAC (C-DAC),

M.SC (COMP. Sci)

In-charge of ICT

System Manager

Administration

Lt. Col. P.S. Borde, M.Sc., B.Tech., PHDHRM,
MPM

Dr. Madhav Kishanrao Kulkarni, M.Sc., Ph.D.

Mrs. Manjiri Rane, B. Com, MBA

CAO-cum-Registrar

(On Deputation)

Administrative Officer

Asst. Registrar (Admin)

Library

Dr. K. Praveen Kumar, MA(Soc.), MA(PS), ML.I.Sc.,

PGDCM&P, Ph.D

Library & Information

Officer

Accounts Section

Mr. Aniket Chattopadhyay, B. Com (Hons.), M. Com,

CMA (Inter), MBA (Finance)

Asstt. Finance Officer

Academic Section

Mr. Sudarshan Bhadra, MBA, PGDPR & AD

Asstt. Registrar (Acad.)

Hostel

Dr. Laxmi Kant Dwivedi, M.Sc., M.Phil., Ph.D. (IIPS)

Hostel Warden

Hindi Cell

Dr. Abhishek Singh, M.Sc., M.Phil., Ph.D. (IIPS)

Professor & In-charge

APPENDIX III

LIST OF STUDENTS RECEIVING DEGREES/DIPLOMAS (2023-24)

1. DOCTOR OF PHILOSOPHY IN POPULATION STUDIES (Ph.D.)

Sr. No.	Name of the Student
1	Mr. Muhammad T
2	Mr. Ingle Sagar Dhirasrao
3	Mr. Afsal K
4	Mr. Prashant Bhimrao Dongardive
5	Mr. Prasanna Kumar Mudi
6	Mr. Nawaz Rasool
7	Mr. Jaymangal Chandra
8	Mr. Pravat Bhandari
9	Mr. Mukesh Kumar Gupta
10	Ms. Anjali Bansal
11	Ms. Ratna Patel
12	Ms. Himani Sharma
13	Ms. Trupti Meher
14	Ms. Priyanka Patel
15	Ms. A.H. Sruthi Anil Kumar
16	Mr. Soumendu Sen
17	Ms. Aditi
18	Mr. Vinodh Thota
19	Mr. Shubham Kumar
20	Mr. Sk. Karim
21	Ms. Ruchita Sakpal
22	Mr. Manish Kumar
23	Mr. Mayank Singh
24	Ms. Palak Sharma
25	Ms. Shinjini Ray
26	Ms. Debashree Sinha
27	Ms. Chanda Maurya
28	Ms. Priya Maurya
29	Ms. Sarita Sonwani
30	Mr. Rushikesh Premdas Khadse
31	Mr. Ajit Kumar Jaiswal

DOCTOR OF PHILOSOPHY IN BIostatISTICS AND EPIDEMIOLOGY (Ph.D.)

32	Mr. Dinesh Chaurasiya
33	Mr. Dipak Kumar Das
34	Dr. Rahul Sadashiv Bawankule

DOCTOR OF PHILOSOPHY IN BIOSTATISTICS AND DEMOGRAPHY (Ph.D.)

- 35 Mr. Wahengbam Bigyananda Meitei
- 36 Ms. Tejal Ravindra Lakhan
- 37 Ms. Labhita Das
- 38 Ms. Kirti

2. MASTER OF ARTS/SCIENCE IN POPULATION STUDIES (M.A./M.SC)

Sr.No.	Name of the Student
1	Mr. Abhishek Kumar Gupta
2	Ms. Shreya Singh
3	Mr. Pavan Kumar Singh
4	Mr. Thakar Manoj Sukhadev
5	Mr. Tarak Nath Rajwar
6	Ms. Ashika
7	Ms. Megha Dixit
8	Mr. Rumaan Alam
9	Mr. Abhishek Raj
10	Mr. Phanidhar Upadhyaya
11	Ms. Amrin Fatma
12	Mr. Ashish Dwivedi
13	Mr. Suman Kumar
14	Ms. Anwesha Sharma
15	Mr. H B Sidhnath
16	Mr. Ansuman Bag
17	Mr. Shivang Sharma
18	Mr. Suryawanshi Akash Atmaram
19	Mr. Alok Aman
20	Ms. Tribeni Sonowal
21	Ms. Sadhvi Maheshwari
22	Mr. Aryan Ayush
23	Mr. Manish Lekhwani
24	Mr. Deepu V
25	Mr. Shouryarghya Patra
26	Ms. Wankhade Kanchan Gajanan
27	Mr. Suresh Kumar
28	Mr. Indurkar Vishal Naresh

3. MASTER OF SCIENCE IN BIOSTATISTICS AND DEMOGRAPHY (MBD)

Sr. No.	Name of the Student
1	Mr. Srijan Banerjee
2	Ms. Prodipta Mandal
3	Mr. Nikunj Kumar
4	Ms. Sarbani Thakur
5	Ms. Arundhathy K
6	Mr. Abhay Mishra
7	Mr. Kavi Bharathi.P
8	Mr. Ankush Basumatary
9	Mr. Kaustav Chakraborty
10	Ms. Shambhavi Pandey
11	Mr. Rayhan Rahman
12	Mr. Wakle Pawankumar Babarao
13	Mr. Muhammed Hisham M
14	Mr. Shiv Raj Meghwal
15	Ms. Ipsita Mali
16	Mr. Pandhare Prasad Asaram
17	Ms. Alisha
18	Ms. Shruti Mishra
19	Ms. Nizatoli Tsuqu
20	Mr. Nasir Mamoon
21	Mr. Jagtap Tanishq Jitendra
22	Mr. Mohammad Shoaib
23	Ms. Varsha Rani
24	Mr. Goutham K Pradeep
25	Mr. Himanshu Jaiswal
26	Mr. Gokul Satish
27	Mr. Kalbhor Nikhil Sagar
28	Mr. Senapati Pratik
29	Mr. Rohit Yadav

4. MASTER OF POPULATION STUDIES (MPS)

Sr.No.	Name of the Student
1	Mr. Abin Dev P K
2	Mr. Akshay Kumar Yadav
3	Mr. Amir Ali
4	Ms. Anamika Tamang
5	Mr. Anandha Krishnan M S
6	Mr. Animesh Barman

7 Mr. Ankit Gupta
8 Mr. Anoop Kumar Agrahari
9 Mr. Anukul Barman
10 Mr. Bishal Subba
11 Ms. Dhanya Prabhu
12 Mr. Hemant Kumar
13 Ms. Itishree Naik
14 Mr. Jayanta Das
15 Mr. Joydeep Mandal
16 Mr. Jyoti Sankar Hota
17 Ms. KM Priti Maurya
18 Mr. Malode Akash Bhausahab
19 Mr. Manish Kumar Sharma
20 Ms. Mary Nancy Tirkey
21 Mr. Muhammed Yasar Arafath Paleri
22 Mr. Niraj Kumar
23 Mr. Patil Omkar Prabhakar
24 Ms. Pooja Das
25 Ms. Poorvi Pandey
26 Ms. Poussali Das
27 Ms. Prasadya V S
28 Mr. Pravesh Kumar
29 Mr. Prithvi Raj
30 Ms. Priti
31 Mr. Akshay Gorakh Raut
32 Ms. Revathy B Jayaraj
33 Mr. Ripu Daman Yuvraj
34 Mr. Sachin Rathore
35 Mr. Sachin Ujjwal Dhende
36 Ms. Sakshi Singh
37 Ms. Satarupa Ghosh
38 Mr. Mujaffar Najim Saudagar
39 Ms. Aditi Jayavant Sawant
40 Ms. Shaoni Das
41 Ms. Shubhi Yadav
42 Ms. Shweta Singh
43 Ms. Sneha Singh
44 Mr. Somenath Mondal
45 Ms. Sukanya Bose
46 Mr. Surajit Karak

- 47 Mr. Vikas Babu
- 48 Mr. Zite Vishal Bapu

5. DIPLOMA IN HEALTH PROMOTION EDUCATION (DHPE)

Sr.No

	Name of the Student
1	Mr. Chhotu Pitamber Shirsath
2	Mr. Chetan Shivraj Burande
3	Ms. Monika H. Bhovte
4	Ms. Chanda Babanrao Belsare
5	Ms. Suvarna Babanrao Belsare
6	Ms. Vijayalaxmi Aathanere
7	Mr. Ram Narayan Saravgi
8	Mrs. Varsha Uikey
9	Mrs. Asha Rathore
10	Mrs. Rameti Raghuwanshi
11	Mrs. Bhagvanti Dhakad
12	Mr. Ajit Kumar Ratrey
13	Mr. Damrudhar Sai Painkra
14	Mr. Gajendra Painkra
15	Mr. Surendra Kumar Banjare
16	Mrs. Vasantha Azmira
17	Mrs. E. Yashoda
18	Mr. Manaranjan Mahanta
19	Mr. Jeebaneswar Behera
20	Mr. Bibhuranjan Biswal
21	Ms. Sangita Sahu
22	Mr. Lipokakum Jamir
23	Ms. Yungmei L. Phom
24	Mr. Pravin Z. Sardar (2022-23)

6. POST-GRADUATE DIPLOMA IN COMMUNITY HEALTH CARE (PGDCHC)

Sr.No

	Name of the Student
1	Ms. Kavita Hingve
2	Ms. Kiran Manjhi
3	Ms. Pragya Prahri
4	Ms. Mamta Yadav
5	Mr. Karim Uddin

- | | |
|---|-----------------------------------|
| 6 | Ms. Krantisnehal Pruthviraj Patil |
| 7 | Ms. Chitra Bhagwan Surve |
| 8 | Ms. Reshma Kundalik Sonavale |
| 9 | Dr. Prachi Dabholkar |

7. Post Graduate Diploma in Hospital Management (PGDHM)

Sr.No

Name of the Student

- | | |
|---|----------------------|
| 1 | Mrs. Aparna Jambhale |
| 2 | Dr. Deepak Jha |
| 3 | Dr. Manisha Mohite |
| 4 | Dr. Tikka Khan |

8. MASTER OF ARTS IN POPULATION STUDIES (DISTANCE-LEARNING)

Sr.No

Name of the Student

- | | |
|----|----------------------------------|
| 1 | Mr. Prakash P. Javalkar |
| 2 | Dr. Rahul Jain |
| 3 | Dr. Shilpa Jain |
| 4 | Dr. Anand Trilokinath Upadhyay |
| 5 | Ms. Sonam Kumari |
| 6 | Ms. Divya Mishra |
| 7 | Dr. Bijayalaxmi Panda |
| 8 | Dr. Anoo Anna Anthony |
| 9 | Dr. Divyesh Jeram Devaliya |
| 10 | Mr. Asutosh Priyadarsan Mansing |
| 11 | Mr. Deepak Pacha |
| 12 | Mr. Sunil Kumar |
| 13 | Ms. Zeba Imam |
| 14 | Mr. Karan Raj |
| 15 | Mr. Vibhor Kaushik |
| 16 | Dr. Sucheta Sharma |
| 17 | Mr. Debendra Nath Patra |
| 18 | Ms. Anisha Aditi Umesh Chaudhary |
| 19 | Miss. Yu Myat Mun |
| 20 | Mr. Akash Dipaklal Jaiswal |

APPENDIX IV

LIST OF STUDENTS CURRENTLY ENROLLED IN VARIOUS PROGRAMS

1. PH.D. PROGRAMME

1A: THESIS SUBMITTED

Sr.No	Name of the Student	Guide
1	Ms. Niharika Rao	Prof. Archana K. Roy
2	Mr. Milan Das	Prof. P. Arokiasamy
3	Mr. Rajan Ram	Dr. Reshmi R.S.
4	Mr. Abhishek Sharma	Dr. Kaushalendra Kumar
5	Ms. Vaishali Chaurasia	Prof. Sayeed Unisa
6	Mr. Babul Hossain	Prof. K.S. James
7	Mr. Tarique Anwar	Prof. Sayeed Unisa
8	Mr. Arish Qamar	Dr. Dipti Govil
9	Ms. Neethu Mohan Naik	Prof. Sayeed Unisa
10	Ms. Ritu Rani	Prof. P. Arokiasamy
11	Mr. Angad Singh	Dr. Dipti Govil
12	Mr. Shreyans Rai Yogendra	Prof. Sayeed Unisa
13	Mr. Ajinkya Ajit Kothawale	Dr. Suryakant Yadav
14	Mr. Arup Jana	Prof. Aparajita Chattopadhyay
15	Ms. Pooja Arora	Dr. Laxmi Kant Dwivedi
16	Mr. Subhojit Shaw	Prof. Aparajita Chattopadhyay
17	Mr. Umenthala Srikanth Reddy	Prof. K.S. James
18	Ms. Shivani S. Gharge	Prof. Sayeed Unisa
19	Ms. Manisha	Prof. K.C. Das

1B: SYNOPSIS PRESENTED

Sr. No.	Name of the Student	Guide
1	Mr. Pawan Kumar Yadav	Dr. Suryakant Yadav
2	Mr. Papai Barman	Dr. Harihar Sahoo
3	Ms. Pragati Ubale	Prof. T.V. Sekher
4	Ms. Akancha Singh	Prof. Aparajita Chattopadhyay
5	Mr. Inakoti V. Prasad	Prof. R. B. Bhagat
6	Mr. Algur Kisan Dilip	Prof. R. Nagarajan
7	Ms. Deboshree Das	Prof. Abhishek Singh
8	Mr. D.K. Ojha	Dr. Laxmi Kant Dwivedi
9	Mr. Muhammad Rishad AP	Dr. Reshmi R.S.

10	Mr. Margubur Rahaman	Prof. K.C. Das
11	Dr. Sarang Pedgaonkar	Prof. Abhishek Singh
12	Ms. Ravita Yadav	Prof. K.C. Das
13	Mr. Mohai Menul Biswas	Prof. K.C. Das
14	Ms. Varsha Nagargoje	Dr. Dilip T.R.
15	Mr. Vasim Ahemad	Prof. R.B. Bhagat
16	Mr. Sanjay Kumar Pal	Prof. Chander Shekhar

1C. ENROLLED (PURSING) Ph.D. GOVERNMENT OF INDIA FELLOWSHIP

Sr. No.	Name of the Student	Guide
1	Ms. Labhita Das	Prof. Chander Shekhar
2	Mr. Inakoti V. Prasad,	Prof. R.B. Bhagat
3	Mr. Rushikesh Khadse	Prof. Dhananjay W. Bansod
4	Mr. Shubham Kumar	Prof. S.K. Singh
5	Ms. Shivani Gharge	Prof. Sayeed Unisa
6	Mr. Subhojit Shaw	Prof. Aparajita Chattopadhyay
7	Ms. Pooja Arora	Prof. Laxmi Kant Dwivedi
8	Ms. Priyanka Patel	Dr. Harihar Sahoo
9	Mr. Suhas S. Sutar	Prof. Murali Dhar
10	Mr. Ajinkya Kothawale	Dr. Suryakant Yadav
11	Mr. Jitender Prasad	Prof. T.V. Sekher
12	Mr. Badal Santoshrao Thool	Dr. Suresh Jungari
13	Ms. Kirti	Prof. S.K. Singh
14	Ms. Akancha Singh	Prof. Aparajita Chattopadhyay
15	Mr. Vinod Kumar	Prof. Archana Roy
16	Ms. Chandrima Paul	Prof. R. Nagarajan
17	Ms. Rofi Shaikh	Prof. Nandita Saikia
18	Mr. Raghunath Mandi	Prof. Dhananjay W. Bansod
19	Mr. Koushik Roy Pramanik	Prof. Murali Dhar
20	Mr. Venkata Raja Malla	Prof. Dhananjay W. Bansod
21	Ms. Aditi B Prasad	Prof. Aparajita Chattopadhyay
22	Mr. Ali Abbas Rizvi	Prof. Abhishek Singh
23	Mr. Ritankar Chakraborty	Prof. U.S. Mishra
24	Mr. Chandan Kumar Hansda	Dr. Pradeep Salve
25	Ms. Priyanka Kumari	Prof. R. Nagarajan
26	Ms. Aditi Chakraborty	Dr. Suryakant Yadav
27	Ms. Daisy Saikia	Dr. Manas R. Pradhan

28	Ms. Ayushi Das	Dr. Preeti Dhillon
29	Mr. Jhumki Kundu	Prof. K.S. James
30	Ms. Aparna Roy	Prof. T.V. Sekher
31	Ms. Niharika Awasthi	Dr. Sunil Sarode
32	Mr. Sourav Dey	Prof. U.S. Mishra
33	Ms. Radhika Sharma	Prof. Laxmi Kant Dwivedi
34	Mr. Rajeev Ranjan Singh	Prof. S.K. Mohanty
35	Ms. Pratyashee Ojha	Dr. Manas R. Pradhan
36	Mr. Gourab Kumar	Prof. U.S. Mishra
37	Ms. Devikrishna N.B.	Prof. U.S. Mishra
38	Mr. Somnath Jana	Prof. Laxmi Kant Dwivedi
39	Ms. Anjali Sharma	Dr. Srinivas Goli
40	Mr. Satyam Raj Singh	Prof. Abhishek Singh
41	Mr. Raza Mohammad	Prof. Dhananjay W. Bansod
42	Ms. Ananya K.V,	Dr. Dilip T.R.
43	Mr. Rishabh Kumar	Prof. Nandita Saikia
44	Mr. Mahtab Alam	Dr. Srinivas Goli
45	Mr. Sasanka Boro	Prof. Nandita Saikia
46	Mr. Ajay Kumar	Dr. Suryakant Yadav
47	Mr. Tapas Dey	Dr. Srinivas Goli
48	Ms. Amrutha G.S.	Dr. Srinivas Goli
49	Mr. Mohammad Hamza	Prof. D.A. Nagdeve

LIST OF PRE-Ph.D. STUDENTS CURRENTLY ENROLLED FOR GOI-NET

50	Ms. Shubhra Kriti
51	Mr. Abhishek Kumar
52	Ms. Rukmi Pradeep
53	Ms. Sarika Rai
54	Mr. Neelkamal Alomayan Kalita
55	Mr. Abdul Fathah
56	Ms. Rupalee Singh Chauhan
57	Ms. Swayamsiddha Mohanta
58	Ms. Ankita Roy
59	Mr. Chandan Kumar
60	Mr. Kamble Vikas Ashok
61	Ms. Sefali Verma

20	Mr. Nasir Mamoon	Predicting High-Risk Pregnancies in India: Using Machine Learning Techniques	Dr. Dilip T.R.
21	Mr. Jagtap Tanishq Jitendra	Study of socio-economic influences on Women Empowerment Index (WEI)	Dr. Kaushalendra Kumar
22	Mr. Mohammad Shoaib	Differential risk of Prehypertension and Hypertension among older adults in India	Dr. Dilip T.R.
23	Ms. Varsha Rani	Demography of Household Economic Well-Being	Prof. Chander Shekhar
24	Mr. Goutham K Pradeep	Differential Sleep Patterns in India: Evidence from Time Use Survey 2019	Dr. Dilip T.R.
25	Mr. Himanshu Jaiswal	Socioeconomic and Demographic Correlates of Multimorbidity in India- An Insight from LASI, Wave- I, 2017-18 Survey data	Dr. Suryakant Yadav
26	Mr. Gokul Satish	Life satisfaction of older adults in India: New evidences on contributing and mediating factors	Prof. T. V. Sekher
27	Mr. Kalbhor Nikhil Sagar	Socio-economic Variations and Intensity of Intimate Partner Violence in India: An Evidence from NFHS – 5	Dr. Pradeep S. Salve

28	Mr. Senapati Pratik	Understanding undiagnosed, untreated and undertreated Hypertension Among Women aged 15–49 years in India: an analysis of National Family Health Survey-5 data	Dr. Harihar Sahoo
29	Mr. Rohit Yadav	Service-specific out-of-pocket expenditure among older adults and its relative contribution to economic burden of Diseases in India	Dr. Sarang P. Pedgaonkar

C. LIST OF MPS STUDENTS WITH TITLE OF THEIR TERM PAPERS (2023-24)

Sr. No.	Name of the Student	Topic	Guide
1	Mr. Abin Dev P K	The role of advance maternal age on the occurrence of Adverse Perinatal Outcomes (APOs) among women in India	Prof. Murali Dhar
2	Mr. Akshay Kumar Yadav	Hypertension among women of reproductive ages in Uttar Pradesh: Evidence from NFHS 5 Survey	Dr. Dilip T. R.
3	Mr. Amir Ali	Cognitive impairment among elderly in India: Understanding the role of substance use and lifestyle factors	Dr. Manas Ranjan Pradhan
4	Ms. Anamika Tamang	Pattern of migration, current activity status and intention to re-migrate among migrants of Northeast, India	Dr. Reshmi R. S.
5	Mr. Anandha Krishnan M S	Survival analysis on the reproductive span of married women in India	Dr. Preeti Dhillon
6	Mr. Animesh Barman	Gender Differentials of Double Burden of Malnutrition Among Elderly in India: Evidences from Longitudinal ageing study in India	Dr. Kunal Keshri
7	Mr. Ankit Gupta	Prevalence, predictors and socioeconomic inequality of co-occurring depression and hypertension among middle aged and elderly in India: Evidence from LASI WAVE-I	Dr. Guru Vasishtha
8	Mr. Anoop Kumar Agrahari	Exploring Contraceptive Knowledge and Utilization in Bihar: Insights from NFHS-5 a Cross-Sectional Study.	Prof. Kailash Chandra Das
9	Mr. Anukul Barman	A Study of Association between the Grandchild Care and the Life Satisfaction of the Elderly Individuals in India	Dr. Sunil Sarode

10	Mr. Bishal Subba	Estimating The Prevalence of Infertility and Its Associated Risk Factors in India; A Study Using Calendar Data From NFHS-5 (2019-21)	Prof. Chander Shekhar
11	Ms. Dhanya Prabhu	An analysis of women's empowerment and fertility decision-making in India	Dr. Dipti Govil
12	Mr. Hemant Kumar	Maternal Health Care in Bihar	Prof. Dewaram A. Nagdeve
13	Ms. Itishree Naik	Exploring the Combined Influence of Maternal Nutrition and Genetics on Childhood Growth Outcomes	Dr. Suryakant Yadav
14	Mr. Jayanta Das	Spatial and Rural Urban Differentials in the Prevalence of Diabetes Among Adults in Northeast India	Prof. Nandita Saikia
15	Mr. Joydeep Mandal	Exploring Elder Abuse by Perpetrators in Rural and Urban India: The Role of Children's Education Level	Dr. Harihar Sahoo
16	Mr. Jyoti Sankar Hota	Understanding multidimensional poverty and depression among older adults in India from LASI, 2017-18	Prof. Sanjay Kumar Mohanty
17	Ms. KM Priti Maurya	Gender differentials in Prevalence and Pattern of Chronic Diseases among older adults in india: An analysis on LASI 2017-18	Prof. Laxmi Kant Dwivedi
18	Mr. Malode Akash Bhausahab	Media Exposure Matters in Improving SRH Knowledge and Sexual Practices among Young People: Evidence from Uttat Pradesh and Bihar	Prof. Usha Ram
19	Mr. Manish Kumar Sharma	Menstrual Hygiene: Association with Decision making and Headship among Young Ever married Women in India	Dr. Manoj Alagarajan
20	Ms. Mary Nancy Tirkey	Gender differences in Out-of-Pocket Expenditure and Healthcare Financing Strategies for inpatient care among older adults in India: An analysis on LASI 2017-18	Dr. Dipti Govil
21	Mr. Muhammed Yasar Arafath Paleri	Trends in the Indian Labor Market: Exploring Informality Definitions and Employment Determinants	Prof. R. Nagarajan
22	Mr. Niraj Kumar	Socio-economic and geographic variation in dietary practices and anemia among women in India	Prof. Sanjay Kumar Mohanty
23	Mr. Patil Omkar Prabhakar	Determinants of Availability of Improved Water and Sanitation Among Tribal Households in India.	Dr. Suresh Jungari

24	Ms. Pooja Das	Primary Infertility among Women in India: Prevalence & Determinants	Dr. Harihar Sahoo
25	Ms. Poorvi Pandey	Impact of Lifestyle Choices on Health Conditions among Elderly in India: Evidence from LASI wave-I	Prof. T.V. Sekher
26	Ms. Poussali Das	A study on Prevalence and Risk factors associate with Anaemia among the women of reproductive age group in West Bengal, 2019-2021 on the basis of NFHS Data	Prof. Dhananjay W. Bansod
27	Ms. Prasadya V S	Association between Health Expenditure and Health Outcome in India: A Macro Level Analysis	Prof. R. Nagarajan
28	Mr. Pravesh Kumar	Exploring The Association Between Mass Media Exposure And Utilization Of Modern Methods Of Family Planning Among Currently Married Women In India: Evidence From NFHS-5 (2019-21)	Dr. Suresh Jungari
29	Mr. Prithvi Raj	Maternal Health and Caesarean Section in India	Dr. Manoj Alagarajan
30	Ms. Priti	Spatial Analysis of Hypertension Awareness, Treatment, and Control in India among Males & Females: Evidences from NFHS 2019-21	Dr. Kunal Keshri
31	Mr. Akshay Gorakh Raut	Analysing the Relationship Between Maternal Height and Child Stunting in Maharashtra	Prof Laxmi Kant Dwivedi
32	Ms. Revathy B Jayaraj	Prevalence of Musculoskeletal Disorders Among Older Adults in India	Dr. Pradeep S. Salve
33	Mr. Ripu Daman Yuvraj	Education, employment and its's association with intention to migrate among youth in India: Evidence from PLFS (2022-23)	Dr. Reshmi R. S.
34	Mr. Sachin Rathore	Pattern and Determinants of hypertension among the elderly tribal population in India	Prof. Kailash Chandra Das
35	Mr. Sachin Ujjwal Dhende	Modelling Environmental Impact on Public Health: Analysing CO2 Emission Using The IPAT Equation	Prof. Dhananjay W. Bansod
36	Ms. Sakshi Singh	Impact of Women's economic empowerment on fertility in india: Evidence from NFHS-5	Dr. Kaushalendra Kumar
37	Ms. Satarupa Ghosh	Does Infertility disempower women? Understanding the association between primary infertility, health-care system access and decision making among	Prof. Aparajita Chattopadhyay

		married women in India.	
38	Mr. Mujaffar Najim Saudagar	Reading Maternal Adversity in Response to Fertility Transition and Development in Indian States: A Temporal Inspection	Prof. Udaya Shankar Mishra
39	Ms. Aditi Jayavant Sawant	A comparison of child health indicators and determinants of MCH services utilisation in Maharashtra and Tamil Nadu	Prof. Murali Dhar
40	Ms. Shaoni Das	Depressive Symptoms and Life Satisfaction By Various Living Arrangements Among Elderly Population in India(2017-2018)	Dr. Manoj Alagarajan
41	Ms. Shubhi Yadav	Understanding Socio-Economic and Demographic Factors Influencing Acceptance of Male Sterilization: A Comparative Study in India	Prof. Usha Ram
42	Ms. Shweta Singh	The Impact of Rainfall on Malaria Cases in India during the period (2014-23)	Dr. Sarang P. Pedgaonkar
43	Ms. Sneha Singh	Continuation of education after marriage among currently married women in India	Dr. Kaushalendra Kumar
44	Mr. Somenath Mondal	Indoor Air Pollution and Its Association with NCDs (Non- Communicable Diseases), with Special Reference to Eye Diseases Among Older Adults in India	Prof. Hemkothang Lungdim
45	Ms. Sukanya Bose	Trends and Differentials in Desired Fertility in India by living number of children and the sex composition	Prof. Chander Shekhar
46	Mr. Surajit Karak	Trends and Determinants of Risky Sexual Behaviours among Unmarried Emerging Adult Men in India	Dr. Manas Ranjan Pradhan
47	Mr. Vikas Babu	Wealth status in Uttar Pradesh: A district level analysis	Dr. Pradeep S. Salve
48	Mr. Zite Vishal Babu	The Analysis of Birth Weight and Socio-Economic Determinants.	Dr. Sarang P. Pedgaonkar

D. LIST OF PhD STUDENTS WITH TITLES OF THEIR THESIS

Sr. No.	Name of the Student	Topic	Guide
1	Mr. Muhammad T	Life-course socioeconomic risk markers of depressive symptoms and cognitive impairment among older Indian adults	Prof. T.V. Sekher

2	Mr. Ingle Sagar Dhirasrao	Integrated Child Development Services (ICDS) in Buldhana District of Maharashtra with Special Reference to Covid-19	Prof. D.A. Nagdeve
3	Mr. Dinesh Chaurasiya	An Exploratory Study of Morbidity and Mortality patterns in the Special New Born Care Unit at District Hospital, Siddharthnagar, Uttar Pradesh	Prof. Sayeed Unisa
4	Mr. Afsal K	Nature and Process of Diaspora Philanthropy and its Contribution in Development of Kerala	Dr. Reshmi R.S
5	Mr. Prashant Bhimrao Dongardive	Agricultural Livelihood Challenges and Coping Strategies of Farmers and Agricultural Labours in Buldhana District of Maharashtra	Prof. D.A. Nagdeve
6	Mr. Prasanna Kumar Mudi	Family Planning, Maternal Health, and Adverse Reproductive Health Outcomes among the Juang tribe in Odisha, India	Dr. Manas R. Pradhan
7	Mr. Nawaz Rasool	Multimorbidity and cognitive health: A study on mediating pathways and treatment-seeking behavior among older adults in India	Prof. Chander Shekhar
8	Mr. Jaymangal Chandra	Seasonal Migration and Its Implication on Maternal Healthcare Services Utilization Among Oraon Tribe in Rural Jharkhand, India	Prof. D.A. Nagdeve
9	Mr. Pravat Bhandari	Child Growth Faltering and Undernutrition in India	Dr. Suryakant Yadav
10	Mr. Wahengbam Bigyananda Meitei	An Analytical Study of Under-Five Mortality in India Using Nationally Representative Surveys	Prof. Abhishek Singh
11	Mr. Mukesh Kumar Gupta	Association Between Social Support, Disability, and Healthcare Utilization with Quality of Life Among Elderly: A Study of Siwan District, Bihar, India	Prof. D.A. Nagdeve
12	Ms. Anjali Bansal	Role of peers and health workers in contraception adoption and its association with sterilization regret	Prof. L.K. Dwivedi
13	Ms. Ratna Patel	Social Capital and its Association with Health, Wellbeing and Educational Aspirations of Adolescent School-going Girls: A Study of Varanasi city	Prof. Dhananjay W. Bansod
14	Ms. Tejal Ravindra Lakhan	Wellbeing of Children with Autism Spectrum Disorder: A Study from Tertiary Hospital of Mumbai	Prof. Sayeed Unisa

15	Ms. Himani Sharma	Psychosocial, Cultrural and Behavioural Constructs of Unintended Pregnancies among Adolescents and Young Women in India	Prof. S.K. Singh
16	Ms. Trupti Meher	A Descriptive Study of Menarche and Menopause: Associated Factors and Health Outcomes	Dr. Harihar Sahoo
17	Ms. Priyanka Patel	Association of Multimorbidity with Functional Health, Quality of Life and Health Expenditure: A Study of Elderly in India	Dr. Harihar Sahoo
18	Ms. A.H. Sruthi Anil Kumar	Taking Care of Two Generations: Dual Burden on Caregiving Couples in Mumbai City	Prof. T.V. Sekher
19	Mr. Soumendu Sen	Economic Burden of female breast cancer survivors in India: evidence from a longitudinal cohort study	Prof. S.K. Mohanty
20	Ms. Aditi	Frailty and Health Care Utilization among Older Adults in India	Prof. S.K. Singh
21	Mr. Vinodh Thota	Male Participation in Family Planning: A Study of No-Scalpel Vasectomy (NSV) in Telangana State	Prof. T.V. Sekher
22	Mr. Shubham Kumar	Cross Border Mobility, Morbidity and Treatment Seeking Behavior: A Study of Indo-Nepal Border Residents in India	Prof. S.K. Singh
23	Mr. Sk. Karim	Dynamics of Internal Migration: Trends, Patterns, Causes and Development Disparity in India, 1991-2011	Prof. K.C. Das
24	Ms. Ruchita Sakpal	Caesarean Section Delivery and its Implications on Mothers and Children's Health, Breastfeeding Pattern and Future Pregnancy Behaviour in India	Prof. Dhananjay W. Bansod
25	Mr. Manish Kumar	The role of Modifiable risk Factors in Cognitive Functioning among older adults in India	Prof. L.K. Dwivedi
26	Mr. Mayank Singh	Transitions and Timing of Reproductive Events among Women in India: Patterns, Predictors, and Implications for Maternal and Child Health	Prof. Chander Shekhar
27	Mr. Dipak Kumar Das	Use of Pesticides, Fertilizers, Sullage and Machinery and Their Association with Farmer's Health in Tripura, India	Prof. Murali Dhar
28	Ms. Labhita Das	Trajectories to Induced Abortion, Stigma Dynamics and Quality of Services among Rural Women: A Study of Four Districts in Assam	Prof. Chander Shekhar

29	Ms. Palak Sharma	The Burden and Progression of Type II Diabetes over life span in an urban community in Mumbai: A Retrospective Cohort Study	Dr. T.R. Dilip
30	Dr. Rahul Sadashiv Bawankule	Socio-Spatial Epidemiology of Birth of Child: A Multi-Country Study	Prof. Abhishek Singh
31	Ms. Shinjini Ray	Adult inter-state out-migration and its Impact on left behind older parents of Indian Sundarban Delta region	Prof. R. Nagarajan
32	Ms. Debashree Sinha	Exploring the Prospects of Self-Help Groups in empowering & building resilience among its members in rural Birbhum, West Bengal, India	Prof. Aparajita Chattopadhyay
33	Ms. Chanda Maurya	Digital Media Use and its Implications on Academic Performance and Psychological Well-being among Adolescents: Findings from a Cohort Study of Uttar Pradesh and Bihar	Dr. Preeti Dhillon
34	Ms. Kirti	An Epidemiological Study on Obesity and Diabetes Among Adolescents in India	Prof. S.K. Singh
35	Ms. Priya Maurya	Dimensions of Late Life Work Participation and Life Satisfaction among Older Adults in India: A Gendered Perspective	Prof. Aparajita Chattopadhyay
36	Ms. Sarita Sonwani	Migration and Livelihood: A Study on Migrant Tribal Women of Korba, Chhattisgarh	Prof. K.C. Das
37	Mr. Rushikesh Premdas Khadse	A Study of Caesarean Section Delivery in Amravati District, Maharashtra: An Exploration	Prof. Dhananjay W. Bansod
38	Mr. Ajit Kumar Jaiswal	Cost-Effectiveness Evaluation of Public and Private Healthcare Systems in India	Dr. Manoj Alagarajan

E. LIST OF M.A (DISTANCE LEARNING) STUDENTS WITH TITLE OF THEIR TERM PAPER

Sr. No.	Name of Distance Learner	Title of Term Paper	Guide
1	Mr. Prakash P. Javalkar	Understanding the effect of health worker outreach in influencing contraceptive intentions among married women in Uttar Pradesh	Prof. D. A. Nagdeve
2	Dr. Rahul Jain	What cannot be measured cannot be improved- adolescent health	Prof. Archana K. Roy

		programmes in India	
3	Dr. Shilpa Jain	Association between neonatal mortality and anaemic women in India: an analysis of NFHS-5 data	Prof. K. C. Das
4	Dr. Anand Trilokinath Upadhyay	Health conditions among elderly in Maharashtra: evidence from longitudinal ageing study in India	Dr. Illias K. Sheikh
5	Ms. Sonam Kumari	Spatial clustering of dropout of DPT vaccination among children aged 12-59 months in districts of India	Dr. Illias K. Sheikh
6	Ms. Divya Mishra	Trends of lifestyle diseases among adults in metropolitan cities of India: a comparison between NFHS-4 and NFHS-5	Dr. Suryakant Yadav
7	Dr. Bijayalaxmi Panda	Factors affecting initiation of breastfeeding in Madhya Pradesh	Dr. Pradeep S. Salve
8	Dr. Anoo Anna Anthony	A systematic review of subjective wellbeing and the propensity to out migrate among young educated adults	Prof. Nandita Saikia
9	Dr. Divyesh Jeram Devaliya	Understanding prevalence of adverse pregnancy outcome and prevalence of anaemia among women 15-49 years in Bihar: a secondary data analysis	Dr. Suryakant Yadav
10	Mr. Asutosh Priyadarsan Mansing	A cross sectional study of morbidity profile in elderly people in rural Khordha district, Odisha	Dr. Manas R. Pradhan
11	Mr. Deepak Pacha	Kerala budget allocation for non-resident Keralite's welfare schemes: shortcomings and solutions	Dr. Reshmi R.S
12	Mr. Sunil Kumar	An analysis of trend and patterns of migration and their effect on demographic socioeconomic and culture of Delhi	Dr. Reshmi R.S
13	Ms. Zeba Imam	Population ageing challenge and opportunity in 21 century	Dr. Dipti Govil
14	Mr. Karan Raj	Elderly and healthy ageing in Bihar	Prof. T. V. Sekher
15	Mr. Vibhor Kaushik	A comparative analysis of maternal health situation in Rajasthan and Madhya Pradesh using state fact sheets of (National Family Health Survey 3 & 4)	Dr. Kaushalendra Kumar
16	Dr. Sucheta Sharma	To investigate the performance of Madhya Pradesh in terms of global health determinants of under nutrition in mother and child (Under age five)	Dr. Illias K. Sheikh

17	Mr. Debendra Nath Patra	A comparative study of education in rural and urban India	Dr. Harihar Sahoo
18	Ms. Anisha Aditi Umesh Chaudhary	Impact of hormonal imbalance on productivity and quality of life of women in India	Prof. Laxmi Kant Dwivedi
19	Miss. Yu Myat Mun	Community resilience: importance of older people inclusive self-help groups (ISHG) in providing the support to elders at twin crises in Myanmar	Prof. K. C. Das
20	Mr. Akash Dipaklal Jaiswal	An impact study of Dindayal Antoday Yojana NRLM in Bali block of Pali district of Rajasthan	Dr. Suresh Jungari

APPENDIX –VI

A. PUBLISHED BOOKS / RESEARCH PAPERS OF IIPS FACULTY / RESEARCH STAFF

1. Books

APPENDIX-VII

A. SEMINARS/ CONFERENCE /WORKSHOP SESSIONS ORGANIZED BY FACULTY/ RESEARCH STAFF

Name	Name of the Organizers	Collaborators if Anyone Other than IIPS	Title of Seminars/Conferences/Sessions/ Workshops Organized	Dates	Place
Bansod D. W	National Family Health Survey-6, IIPS	MoHFW, Govt. of India	Organised NFHS-6 main survey ToT	March 31 - April 19, 2023	Goa
	National Family Health Survey-6, IIPS	MoHFW	Organised Mapping and Household Training for 2 nd Phase States of NFHS-6	August 26-3, 2023	Lonavala
	National Family Health Survey-6, IIPS	MoHFW	Organised NFHS-6 main survey ToT for 2 nd Phase States	December-January, 2024	Varanasi
Chattopadhyay. A	Collaborative for Air Pollution and Health Effects Research—India	AIIMS Delhi	"CAPHER -India consultation -cum-workshop on Air Pollution and Health in India : Current evidence to inform the India NAAQS revision process"	May 29 -30, 2023	Delhi
	IIPS - CDG	North Bengal University	"Gender Studies: Theory & Empirics" organized at the North Bengal University, Darjeeling in collaboration with Centre of Demography of Gender	January 4, 2024	West Bengal
	IIPS - CDG		"Evaluating Strategies to Mitigate the Harmful Effects of Air Pollution in Urban Impoverished Communities in India: Gender Aspects"	December 14, 2023	IIPS

	IIPS - CDG		“Gendered Interpretation of the Causes of Cancer” at IIPS by Dr Lauren Houghton	August 11, 2023	IIPS
D. A. Nagdeve			Training of Transforming Healthcare Service Delivery at Pimpri Chinchwad Municipal Corporation	January 20-25, 2024	New Jijamata Hospital, Pimpri
Dhillon P.,	Dhillon P., S.K. Singh, Laxmikant Dwivedi, Vasishtha G.		Data Visualization and Interactive Dashboards using Microsoft Power BI	May 8-12, 2023	IIPS Mumbai
	National Family Health Survey-6		Main Survey Training of Trainers (1 st Phase)	March 31-April, 2023	Goa
	National Family Health Survey-6		NFHS-6, Mapping and Household Listing Training of Trainers (2 nd Phase)	August 26-31, 2023	Lonavala
	National Family Health Survey-6		Main Survey Training of Trainers (2 nd Phase)	November 19-December 17, 2023	Varanasi
Dwivedi L.K.	K S James, S.K. Singh, A Singh, DW Bansod, Laxmi Kant Dwivedi , H. Sahoo, S. Pedgaonkar, P. Dhillon and Reshmi R S	MoHFW, New Delhi	Main Survey Training of Trainers (ToT) for Phase-I States of NFHS-6	March 31-April 19, 2023	Goa
	S.K. Singh, Laxmi Kant Dwivedi , P. Dhillon and Guru Vasishtha	Dept. of Survey Research and Data Analytics, IIPS, Mumbai	Data Visualization and Interactive Dashboards using Microsoft Power BI	May 8-12, 2023	IIPS, Mumbai
	Laxmi Kant Dwivedi and P. Dhillon	MoHFW, Govt. of India and C-DAC, Mumbai	Workshop on Developing Field Check Tables for Monitoring Real Time Data Quality in NFHS-6	May 15-19, 2023	IIPS, Mumbai

	S.K. Singh, A Singh, DW Bansod, Laxmi Kant Dwivedi , H. Sahoo, S. Pedgaonkar, P. Dhillon and Reshmi R S	MoHFW, New Delhi	Main Survey Training of Trainers (ToT) for Phase-II States of NFHS-6	November 29-December 17, 2023	Varanasi, Uttar Pradesh
D. Govil	International Institute for Population Sciences, Mumbai	Department of Statistics, BHU, Varanasi	XXVIII IIPS National Seminar 2024 on Tracking progress of Sustainable Development Goals with a focus on Uttar Pradesh	February 12-13, 2024	Varanasi
Guru Vasishtha	IIPS		XXVIII IIPS National Seminar: Tracking Progress of Sustainable Development Goals with a focus on Uttar Pradesh	February 12-13, 2024	Varanasi
	IIPS (Dept. of Survey Research & Data Analytics)		Data visualization and Interactive Dashboard using Power BI	May 8-12, 2023	IIPS, Mumbai
Suresh Jungari	Dr. Abhishek Singh Dr. Kaushalendra Kumar Dr. Reshmi R.S Dr. Suresh Jungari	IASP	Pre-conference Workshop		NIT Rourkela
H. Lhungdim	SK Singh, H. Lhungdim , Abhishek Singh, D. Bansode, LK Dwivedi, H. Sahoo, S. Pedgaonkar, P. Dhillon and Reshmi RS	MoHFW	NFHS-6 ToT Workshop for Phase 2 Field Agencies on Mapping & Listing of Households	August 25-27, 2023	Khandala, Maharashtra.
	SK Singh, H. Lhungdim , Abhishek Singh, D. Bansode, LK Dwivedi, H.	MoHFW	NFHS-6 Main survey ToT Workshop for Phase 2 Field Agencies	November 28 – December 06, 2023	Varanasi, U.P.

	Sahoo, S. Pedgaonkar, P. Dhillon and Reshmi RS				
	H. Lhungdim, Nandita Saikia, and S. Goli	Directorate of Women and Child Development , Assam	Training Workshop for Field investigators of “A study of early marriages in Assam (ASEMA)” project	February 19-23, 2024	Khanapara, Guwahati, Assam
Nandita Saikia	Prof Nandita Saikia	Prof Stéphane Helleringer Professor New York University - Abu Dhabi United Arab Emirates	Organised conference on “Population Dynamics in India, the World’s Most Populous Country” and Book Launch program of the book “ Adult Mortality in India: Trends, Socio- economic Disparities and consequences	May 10-11, 2023	New York University, Abu Dhabi
	Prof Nandita Saikia and Dr Illias Sheikh	-	Virtual interaction session for distance learners	May 19, 2023	IIPS, Mumbai
	Prof Nandita Saikia and Dr Illias Sheikh	-	Personal contact programme for M.A distance learners	June 14 - 24 , 2023	IIPS Mumbai
	Prof Nandita Saikia and Dr Illias Sheikh	-	Center for Internal Quality Assurance (CIQA) annual meeting	August 18, 2023	IIPS Mumbai
	Prof Nandita Saikia and Dr Illias Sheikh	IIPSAA	IUSSP: The World Community of Popula Specialists, its Relevance for Indian Scientists	September 15, 2023	IIPS Mumbai
	Prof. Sayeed Unisa, Prof. R. Nagarajan, and Prof. Nandita Saikia	IISAA	Five-Day Workshop o Hands-on Training of S Basics to Advance” 20 April, 2023	April 26-30, 2023	IIPS Mumbai
Pedgaonkar. S.	National Family Health Survey-6		Phase 1 States- Training of Trainers	March 31-April 19, 2023	Goa
	National Family Health Survey-6		Phase 1 State Training of Trainers:	April 3-15, 2023	Goa

			Training of Clinical Anthropometry and Biochemistry (CAB) Component		
	National Family Health Survey-6		Phase 2 States- Training of Trainers	November 19- December 17, 2023	Varanasi
	National Family Health Survey-6		Phase 2 State Training of Trainers: Training of Clinical Anthropometry and Biochemistry (CAB) Component	December 4-13, 2023	Varanasi
	Zambia Demographic Health Survey 2023	ICF	Zambia DHS-23 Main survey Biomarker training	November 24- December 2, 2023	Lusaka, Zambia
	Zambia Demographic Health Survey 2023	ICF	Zambia DHS-23 Pre-test Biomarker training	August 26- September 19, 2023	Lusaka, Zambia
Mohanty. S.K.	IIPS	Department of Statistics, BHU, Varanasi	XXVIII IIPS National Seminar on “Tracking progress of Sustainable Development Goals with a focus on Uttar Pradesh”	February 12-13, 2024	BHU, Varanasi
Reshmi R. S.	National Family Health Survey-6		Phase 1 States- Training of Trainers	March 31- April 19, 2023	Goa
	SALAM, IIPS, Mumbai		International Conference on “Labour Migration and Sustainable Development in Asia: Opportunities, Challenges, and Way Forward”	June 1-3, 2023	IIPS, Mumbai, India.
	Prof K C. Das Prof Archana. K Roy Dr Reshmi R S Dr Kunal Keshri		Public lecture on “Migration Trends to Austria with a Focus on the Phenomenon of Mixed Migration: Economic and Political Aspects of current Migration	October 16, 2023	IIPS, India

			Debates” given by Prof. Friedrich Altenburg, Danube-University, Krems.

	National Family Health Survey-6		Phase 2 States-Training of Trainers	November 19-December 17, 2023	Varanasi
Singh. S. K.	IIPS	Department of Statistics, Banaras Hindu University, Varanasi	IIPS National Seminar	February 12-13, 2024	BHU, Varanasi
	IIPS	National Statistical System Training Academy (NSSTA) Ministry of Statistics & Programme Implementation on Greater Noida	Training of ISS Professionals	September 22-27, 2023	IIPS, Mumbai
	IIPS	Short Term Training Programme Cell at the International Institute for Population Sciences in Mumbai, the National Statistical Office of Nepal, and UNFPA.	The two week training of Nepal Officials on analysis of Census data	September 11-21, 2023	IIPS, Mumbai
	IIPS	MoHFW	4 th TAC of NFHS-6	April 18, 2023	Goa

Roy Archana K	SALAM Team	SALAM,IIP S, ILO, IOM, UNWomen,	International Seminar on Labour Migration and sustainable development in Asia: Issues, challenges and way forward"	June 1-3, 2023	IIPS, Mumbai
	Archana K Roy, Suresh Jungari, Laveena, Sheetal, Chandan and, Komal	IIPS	Orientation programme for newly joined students, faculty and Staff of IIPS on Prevention of Harassment against women at workplace” through movie screening followed by Lecture and Q & A session by Harish Sadani and Adv. Monica Sakrani.	July 24, 2023	IIPS, Mumbai
T.V. Sekher	T.V. Sekher	SRM University, Chennai	Faculty Development Program and Workshop on Longitudinal Ageing Study in India: Scope, Methodology and Data Analysis	March 12-15, 2024	Chennai
	T.V. Sekher	Centre for Ageing Studies, IIPS	Symposium on International Day for Older Persons	October3, 2023	Mumbai
	T.V. Sekher and Dipti Govil	ORGI, Govt. of India	Training program for the ORGI officers on “Demographic Concepts and Techniques”	April 03-08, 2023	Mumbai
Sahoo. H		IIPS	Training of Trainers of Mapping and Household Listing of NFHS 6 (Phase 2 States)	August 26-31, 2023.	The Hotel 7 Apples, Lonavala
Sunil Sarode	Dr. Sunil Sarode, Dr. Suresh Jungari, Dr. Kunal Keshari, Prof. Archana K Roy		Training on qualitative research	March 13-14, 2024	IIPS
Udaya S Mishra	Udaya S Mishra	IIPS	One-week training	22-27 Jan 2024	IIPS,

	and Srinivas Goli		programme Population and Demographic Methods for the 45th batch of the Indian Statistical Service (ISS) Probationers		Mumbai
Udaya S Mishra	Udaya S Mishra and Srinivas Goli	IIPS and UNFPA Nepal	Two weeks Training for Nepal Census Officials on Demographic indicators (direct and indirect estimates), life tables, projection and SDG indicators derived from population data	11-23 Sep 2023	IIPS Mumbai

B. LECTURE DELIVERED/CONSULTANCY PROVIDED BY FACULTY/RESEARCH STAFF

Chattopadhyay A. (2023) Yusuf Hamaid faculty fellow, Key Speaker, “Gender Issues in India, Columbia University”, 21st April, Masters in Public Health, Columbia University USA.

Chattopadhyay A (2023) Yusuf Hamaid faculty fellow, Invited Speaker, “Air Pollution in India and its Association with Respiratory Ailments with Special Reference to COVID-19”, Columbia University, April 18, Environmental health Science, Columbia University USA,.

Chattopadhyay A (2023) Yusuf Hamaid faculty fellow, Invited Speaker, “Work and health profile of 45+ in India: Evidence from LASI”, Center of Aging studies, Columbia University, Columbia University USA,

Chattopadhyay A (2023) GATI under STEMM, JMI, GoI, Speaker, “Linking Gender and Development in India: Hopes and Paradoxes,” organized by the Department of Geography, Jamia Millia Islamia, New Delhi, under the Gender Advancement for Transforming Institutions (GATI) Jamia Milia Islamia online

Chattopadhyay (2023) A Yusuf Hamaid faculty fellow, Key Speaker, “Environmental Pollution and Health of Population in India”, Columbia University, Yusuf Hamaid lecture, April 19, Columbia University, USA,

Chattopadhyay A (2024) CDG, IIPS, Speaker, “Gender Studies: Theory & Empirics” organized at the North Bengal University, Darjeeling in collaboration with Centre of Demography of Gender North Bengal University, 4th Jan, North Bengal University, West Bengal.

Chattopadhyay A (2024) CDG, IIPS Key speaker, “Air, Water and Health in India: Emerging Gender Issues” at Indian Statistical Institute, Kolkata by Prof. Aparajita Chattopadhyay, Indian Statistical Institute, Calcutta, 5th Jan 2024, ISI, Calcutta,

Dhillon P. (2023) “Introduction to Big Data Analytics and Infographics” in workshop on “Data Visualization and Interactive Dashboards using Microsoft Power BI Lecture”, 8 May, IIPS Mumbai

Dhillon P. (2023) Invited lecture, “z test t test and Chi Square Test and their Applications” in FDP on "Research Methodologies for Science, Management and Engineering Projects", NITTTR, Chandigarh, 12 October, Online mode

Dhillon P. (2023) Lecture on “Projections and hands on training: Nepal Census Training Programme, 20th September, IIPS Mumbai

Dhillon P. (2024) Lecture and hands on training “Population Age-Sex Structures: Quality of Data and Adjustments” in “One-week training Programme on Population and Demography Statistics for 27 officer trainees of ISS 45th Batch”, 23 January, IIPS Mumbai

Dilip TR (2023) Provision of technical support to “WHO-SEARO for STEPs Survey in Timor-Leste Sampling of households and pre-testing of survey tools”, 9th-15th August, Dili, Timor-Leste

Govil D. (2024) Resource person for Faculty Development Program and Workshop on “Longitudinal Aging Study in India (LASI): Scope, Methodology and Data Analysis”, Organised by School of Public Health (SPH), Centre for Statistics (CFS), Faculty of Science & Humanities (FSH) of SRM Institute of Science and Technology, Kattankulathur, Chennai in association with International Institute for Population Sciences (IIPS), Mumbai, 12-15 March

Govil D. (2024) Resource Person for Seventh batch of Online Course on qualitative Research Method - “Introduction to NVivo and Analysis Using NVivo”, IIMAD, 16-17 February,

Govil D. (2023) Roundtable on improving gynaecological services to prevent unnecessary hysterectomy in Madhya Pradesh (trends in hysterectomy in MP), organized by Prayas, FOGSI Bhopal and NHM MP with support from UNFPA. 21st December, Bhopal.

Govil D. (2023) Resource Person for Ph.D. coursework for Research Scholars under the Faculty of Commerce Management by Neville Wadia Institute of Management Studies & Research, Qualitative Research – Introduction, Designs, In-depth interviews, Focus Group Discussions, 9th November

Govil D. (2023) Resource Person for Sixth batch of qualitative methods training at the IIMAD- “Introduction to NVivo and Analysis Using NVivo”, 22-23 November

Govil D. (2023) Resource Person for Online Faculty Development Program on Qualitative Data Analysis, organized by International Institute of Migration and Development for Banarsidas Chandiwala Institute of Professional Studies (BCIPS), 25-30 September, Delhi

Govil D. (2023) Resource Person for fourth batch of qualitative methods training at the IIMAD – “Introduction to NVivo and Analysis Using NVivo”, 27-29 April

Govil D. (2023) Resource Person in One- week Training Programme for ORGI Officers on “Demographic Concepts and Techniques”, Evaluation and Adjustment of Age-Sex Data, 03 - 08 April, IIPS Mumbai

Guru Vasisththa (2023) Trainer, “Two-weeks Demographic Training for Nepal Census Officials” on Demographic indicators (direct and indirect estimates), life tables, projection and SDG indicators derived from population data and Standardization of Rates and Ratios, Hands on exercise with Nepal census sample dataset, September 18, IIPS, Mumbai

Guru Vasisththa (2024) Trainer, “One-week training Programme on Population and Demography Statistics for 27 officer trainees of ISS 45th Batch (2023 batch)”, Graphic Representation of Demographic Data using Microsoft Excel (Practical), January 25, IIPS, Mumbai

Guru Vasisththa (2023) Trainer, “One-week training program for ORGI officers”- Population estimations & Projections: Spectrum & Mortpak, 03 - 08th April, IIPS, Mumbai

Guru Vasisththa (2023) Facilitated on day field visit of MIT world peace university to IIPS on November 30

Guru Vasisththa (2023) Facilitated on day field visit of Gulbarga University, Karnataka to IIPS on November 7

Guru Vasisththa (2023) Facilitated field visit of Shri Shivaji college of Arts, Commerce and Sciences, Akola to IIPS on August 22-23

Guru Vasisththa (2023) Organized Chandayan Utsav on September 28, 2023 at IIPS, Mumbai.

Laxmi Kant Dwivedi (2023) Resource Person for “Generalized Linear Models” for Master and PhD Students, 1st April, Department of Demography, University of Kerala, Thiruvananthapuram

Laxmi Kant Dwivedi (2023) Multi-level Models, Resource Person: Master and PhD Students, 2nd April, Department of Demography, University of Kerala, Thiruvananthapuram

Laxmi Kant Dwivedi (2023) Resource Person: “One Week Capacity Building Workshop in Research Methodology for Faculty and Research Scholars” -An Overview of Large-scale Data Research including NSS, NFHS & LASI and Estimation of Sample Size, 10th May, School of Research Methodology, Tata Institute of Social Sciences, Mumbai

Laxmi Kant Dwivedi (2023) An Overview of Sampling Design of NFHS-5 Presented in the Meeting with Secretary, Ministry of Statistics & Programme Implementation (MoSPI), New Delhi, 6th July, IIPS, Mumbai

Laxmi Kant Dwivedi (2024) Editor article published in PLOS ONE Journal, Thangaraj JWV, Prosperi C, Kumar MS, Hasan AZ, Kumar VS, Winter AK, et al. (2024) post-campaign coverage evaluation of a measles and rubella supplementary immunization activity in five districts in India, 2019–2020. PLoS ONE 19(3): e0297385. <https://doi.org/10.1371/journal.pone.0297385>

Mohanty SK (2024). “Multidimensional Poverty in India: Moving from N-estimates to S-estimates”. Invited Key Note lecture in National Seminar on “Development Paradigm in India: A Study of Poverty, Inequality and

Discrimination”, Organised by Department of Economics, Banaras Hindu University, Varanasi, during 22-23rd March

Mohanty S K (2024). Invited Guest Lecture on “Use of large-scale survey in Public Health Research” for research scholars, ICSSR Sponsored Training Programme, at 19th UPUEA Organized by Babasaheb Bhimrao Ambedkar University, Lucknow, 13-15th April

Mohanty S K (2024) Resources Person on MDP Executive Programme on Demographic and health Scenario in Odisha: Data Visualization, Organised by the Department of Public Health, TISS, Mumbai on 1st February

Mohanty SK (2023) “Resources Person on Research methodology Course on Quantitative Method” Organised by “Center for Social studies, Surat”, during 11-20th December

Mohanty SK (2023) Delivered Invited lecture on “Demographic Trends of Odisha: Implications for Policy”, at Center for Youth and Social Development, Bhubaneswar, during 22-23rd June

Mohanty SK (2023) Delivered Invited lecture on “Demographic Trends of Odisha: Implications for Policy”, at Center for Youth and Social Development, Bhubaneswar, during 22-23rd June

Mohanty SK (2023) Invited lecture on “Demographic Module for Training”, at Center for Youth and Social Development, Bhubaneswar, during 28-29th August

Mohanty SK (2023) Invited lecture in “Population Dynamics in India, Organised by NYU, Abu Dhabi and IIPS, Mumbai, during 10-11th May

Nagarajan, R. (2023) Delivered the lecture on Population and Development to the participants of “Training Programme for ORGI Officers” at IIPS on April 08, IIPS, Mumbai

Pradhan MR & Dipti Govil (2023) Resource person, Qualitative Research Methodology, 5-7th July, AIIMS, New Delhi

Pradhan MR (2023) Resource person, Content Analysis through Software, 2nd August, FMU, Balasore, Odisha, Online

Pradhan MR (2023) Resource person, “Data collection, Data analysis and Writing Research article” 29th Nov, Karnataka Higher Education Academy, Dharwad, Karnataka

Pradhan MR (2024) Resource person, Qualitative Data Analysis using NViVo software, 30th Jan, IASSH, Pondicherry

Pradhan MR (2024) Resource person, Qualitative Data Analysis using Atlas.ti software, 21-22 March, IIHMR, New Delhi, Online

Pradhan MR (2024) Resource person, Qualitative Data Analysis using NViVo software, 28th March, MIT Art Design & Technology University, Pune, Maharashtra, Online

Reshmi R S (2023) Delivered lecture on “Exploring NFHS data through gender lens”, Pre-conference workshop on “Understanding data through gender lens” organized by Centre of Demography of Gender, IIPS in collaboration with IASP, 7th November, NIT, Rourkela, Odisha

Reshmi R S (2023) Delivered lecture on Migration and Urbanization – Basic Concepts and Measures “Two-weeks Demographic Training for Nepal Census Officials on Demographic indicators (direct and indirect estimates), life tables, projection and SDG indicators derived from population data, 11th to 21st September, IIPS, Mumbai

Reshmi R S (2023) Delivered lecture on Technical Measures of Migration, Population and Demography Statistics for the 45th batch of the Indian Statistical Service (ISS) Probationers, 22nd to 27th January, IIPS, Mumbai

Reshmi R S (2024) External examiner for PhD thesis evaluation and conducted Ph D Viva voce examination in TA Pai Management Institute, Manipal Academy of Higher Education, Manipal, 15th February
