Report - NEP 2020 Booth / Help Desk

On 17 August 2026, IIPS extended a formal welcome to its incoming batch of students, marking the commencement of the 2026–2027 academic session. The orientation brought together [Number of Students] students from across India, enrolled in Master of Arts/Science (M.A./M.Sc.) in Population Studies, Master of Science (M.Sc.) in Bio-statistics and Demography, Master of Science in Survey Research and Data Analytics, and Ph.D. programmes. The day's schedule included programme-specific briefings led by the respective course coordinators. The orientation also covered sessions on anti-ragging measures, provisions under the POSH Act, 2013, and the mental-health support services available to students. Dr. Kunal Keshri coordinated the inaugural proceedings.

As part of the NEP SAARTHI initiative, Dr. Kunal Keshri, NEP SAARTHI Coordinator, along with NEP SAARTHI volunteers Mr. Suyog Mishra, Ms. Pooja Yadav, and Mr. Swaraj, and Mr. Ankit Gupta, a member of the Student Grievance Redressal Cell, facilitated a set of interactive activities to familiarize the new cohort with the objectives of NEP 2020:

- Map Your Roots
- NEP Theme-Based Speak Up
- One-Day Memory Capsule Card
- Selfie Booth

These activities were designed to build familiarity with NEP 2020 among new entrants, encourage interaction across disciplinary backgrounds, and reflect the policy's emphasis on inclusive and holistic education. Selfie points highlighting the thrust areas of NEP 2020 were also installed at the venue. These installations offered students a visual and interactive point of engagement with the policy's key themes.
