

IIPS National Seminar 2023

75 Years of India's Demographic Changes: Process and Consequences

To commemorate the 75 years of India's independence, International Institute for Population Sciences (IIPS) and Institute for Social and Economic Change (ISEC) jointly organized the XXVII IIPS National Seminar 2023 on the theme of "75 years of India's Demographic Changes: Process and Consequences" at ISEC, Bengaluru during 23-25 Feb 2023. The seminar began with a welcome address by Prof. D. Rajasekhar, Director and HAG Professor, ISEC, Bangalore. Prof. K.S. James, Director and Senior Professor of IIPS presented on the genesis and relevance of the seminar theme. The seminar was inaugurated by Shri. T.K. Anil Kumar, IAS, Principal Secretary, Health and Family Welfare Department, Karnataka. The session was chaired by Padma Shri Prof. Sukhadeo Thorat, former chairman of the UGC and Chairperson of the Board of Governors, ISEC. The seminar also felicitated Prof. K. Srinivasan, who became the first Indian to receive the prestigious 2023 IUSSP Laureate Award. The inaugural session ended with the formal vote of thanks by Prof H Lhungdim, IIPS. The seminar brought together a diverse group of experts from all over India and seven foreign countries to discuss the demographic changes that have occurred in India and their implications. The seminar consists of 4 plenary sessions, 15 technical sessions and 2 poster sessions. The plenary sessions deliberated on four themes: a) 75 Years of India's

Demographic Change: Processes and Consequences, b) Nutritional Issues in Karnataka: Policies and Programmes, c) Maternal and Neonatal mortality transition framework in India and States, and d) Population Research Centre's Vision: Past to Future. In addition, a total of 84 papers were orally presented in 15 technical sessions touching upon various themes such as Demographic and Health Transition, Mortality Transition, Fertility and Family Planning, Child Health & Education, Morbidity and Quality of Life, Maternal Health, Internal Migration, South Asia Migration by SALAM, Findings from Swabhimaan Intervention Study, Nutrition & Health, Livelihood and Healthcare, Elderly Wellbeing and Health. Fiftyfive papers were presented in two poster sessions and the three best posters were awarded for each session. The seminar was successfully concluded on 25th February with a formal vote of thanks by Ms B. P. Vani on behalf of the organizing committee. The seminar was organized under the patronage of Prof. K.S. James Director & Sr. Professor, IIPS and Prof. D. Rajasekhar Director, ISEC. Coordinators of the seminar from IIPS were Prof. H. Lhungdim Prof. Archana K. Roy Prof. Dhananjay Bansod Dr. Dilip T.R. Dr. Pradeep Salve from IIPS and from ISEC were Prof. T. S. Syamala Dr. Lekha Subaiya Ms. B. P. Vani.
