## About IIPSAA

A professional body of IIPS-trained population graduates, termed IIPS Alumni Association (IIPSAA), was engendered and registered by faculties and the alums of the Institute under the Society Registration Act 21, 1860 (Regd. No. 2893/2011/GBBSD) and the Charity Commission Act 1950 (Regd. No. F49222-Mumbai). The IIPS alums hold distinguished positions in several organizations such as Child Fund, Indian Institute of Health Management Research, International Centre for Research on Women, Population Council, Population Service International, Public Health Foundation of India, Tata Institute of Social Sciences, United Nations Population Fund, United Nations Children's Fund, World Health Organization, and National Council of Applied Economic Research. In addition, several IIPS alums are recruited in different national and international universities and colleges. IIPSAA vigorously organizes several activities, including lectures, workshops, and debates for students, encouraging them to connect with eminent personalities who are experienced professionals in various fields related to population sciences.

## Objective of the Workshop

The motivation behind this training session is to introduce the basics of SPSS to the **working professionals (Age above 35 )** who are interested in data analysis but need more computation and statistical analysis using the software. This course would benefit faculty members of colleges and universities, management executives, Industry training professionals, and research scholars who wish to enhance their understanding of this subject. Experts with knowledge of all aspects of the SPSS will train the participants on various statistical analysis topics, data mining, and interpretations. The workshop will focus on practical learning through case studies which will enable the participants to practice what they learn through the workshop.

## Certificate

The certificate will be given to the participants after successfully completing the course conducted by Resource persons and IIPSAA.

## Resource Persons

**Dr. C. P. Prakasam** is a retired Professor with over 30 years of experience in Demography. He has expertise in Public Health, Mortality, Bio-Statistics, and Computer Applications in Demographic Data analysis. He has published several research papers, supervised 10 Ph.D. students in Population Studies, and completed 35 research projects funded by various organizations. He has organized workshops on Population Data Bases and Development of Knowledge assets through e-books. Dr. Prakasam has been involved in NFHS, POPIN, POPLINE, and PO-ENVIS projects and has visited several countries for teaching and training programs. He is an ex-President of IASSH and ex-Vice President of IASP, and shares his knowledge on SPSS and Population Studies through his YouTube channel and blog.

**Dr. Sulabha Parasuraman** is a retired Professor and Head of the Department of Population Policies and Programmes at the International Institute for Population Sciences in Mumbai. She holds a post-graduate degree in Statistics and a Ph.D. in Demography from Mumbai University. Dr. Parasuraman has guided several M.Phil. and Ph.D. students' dissertations and was actively involved in constructing the Population Clock of IIPS. After retirement, she served as a consultant with UNICEF, NAANDI Foundation, and Tata Institute of Social Sciences. She was also a member of various committees constituted by the Ministry of Health and Family Welfare, with her areas of interest being evaluation of health and family welfare programs, population projections, and large-scale sample surveys.

**Dr Sayeed Unisa** is currently working as a Professor at the International Institute for Population Sciences (IIPS), Mumbai. She holds PhD degree from IIPS, Mumbai and two Master's degrees from Osmania University, Hyderabad (Statistics and Education). Her research interests are nutrition, gender, infertility, health and education. She carried out cross-sectional, impact evaluation and longitudinal studies in most of the states of India with funding from UNICEF, WHO, World Bank, Ford Foundation and the Government of India. Prof Unisa has published more than 100 articles in refereed journals and six books. Dr Unisa is the recipient of prestigious awards in population studies.

**Dr. Kunal Keshri** is an Assistant Professor at the Department of Migration and Urban Studies at the International Institute for Population Sciences in Mumbai. He holds a Master's Degree in Geography from Delhi School of Economics, and an M.Phil. and Ph.D. in Population Studies from the International Institute for Population Sciences. Dr. Keshri's research interests include migration and development, urbanization and environment, public health, nutrition, maternal and child health, and population ageing. He has published extensively in international and national journals and edited books, and has served as a consultant to UNFPA and the Population Council. Currently, he is involved in several research projects funded by ICSSR, and University of Aberdeen, UK.

**Dr Illias K. Sheikh** is trained as a demographer with interest in demographic data & methods, large scale surveys, fertility, family planning, reproductive health, maternal & child health, maternal mortality and ageing. Dr. Sheikh has been affiliated as an Assistant Professor with IIPS, Mumbai. Much of his work is focused on reaching the poorest and most vulnerable populations with interventions and evaluating national efforts to improve maternal and child health. Dr. Sheikh has more than 30 publications. He has received a number of fellowships and awards throughout his academic career from various national and international organizations, including 'Best Young Researcher Award' in 2019. Dr. Sheikh has also been associated with several professional associations such as the IUSSP, France; WPHNA, UK; ACAMH, UK; IAPHS, US etc.

## Important Dates

- Date of Training : **26th - 30th April, 2023**
- Last Date to Receive Application : **20th April, 2023**
- Date For Sharing the Final List of Participants : **21st April, 2023**
- Last date payment: **25th April, 2023**

## Organizing Committee

### Workshop Coordinators

Prof. Sayeed Unisa  
Prof. R. Nagarajan  
Prof. Nandita Saikia

### IIPSAA Management Team

**Patron:** Prof K S James  
**President:** Prof. Irudaya Rajan S.  
**Vice-President:** Prof. Sayeed Unisa  
Prof. R. Nagarajan  
**General Secretary:** Prof. Nandita Saikia  
**Joint Secretary:** Dr. A. M. Guntupalli  
**Treasurer:** Prof. Dhananjay W. Bansod  
**Joint Treasurer:** Dr. Dilip T. R.

#### Members:

Prof. A. K. Sharma  
Dr. Bashir A. Bhat  
Dr. Sucharita Pujari  
Dr. Kunal Keshri  
Dr. Sandhya R. Mahapatro  
Dr. Illias Kanchan Sheikh

## Registration & Course fee

### Registration/ Course fee for this workshop:

- IIPSAA Member- 2000
- Non-Member- 3000

Note: The registration fee includes the workshop kit, Lunch and evening Tea (every day). Limited accommodation is available at the IIPS hostel at a nominal price. Participants are supposed to pay themselves for the accommodation. Breakfast and dinner can be taken from the IIPS hostel mess by paying the daily coupon price.

**Fill Google form on or before 20th April, 2023. The final list of participants will be decided by the IIPSAA and selected participants will be informed by 21st April, 2023.**
