

Brief of workshop organised by Centre of Demography of Gender in collaboration with North Bengal University, Darjeeling

Centre of Demography of Gender (CDG), International Institute for Population Sciences, Mumbai in collaboration with The Department of Economics, Department of Women's Studies, and Department of lifelong learning & Extension of North Bengal University (NBU) organized one-day workshop entitled "Gender Studies: Theory & Empirics" at NBU, Darjeeling on 4th January 2024. Prof. Aparajita Chattopadhyay and Dr Kaushalendra Kumar were invited as expert members for the workshop. Prof. Chattopadhyay took the session on gender inequalities in India: concept and empirical evidences. Dr. Kaushalendra Kumar conducted the session on using data to understand gender indices and inequalities.

The workshop was attended by 63 students and 6 faculties of different departments from 11 AM to 6 PM. It was widely appreciated by the faculties and students. They are looking forward for future collaborations with the Centre of Demography of Gender.

Dr. Aparajita Chattopadhyay
