WORLD POPULATION DAY 2023

Health Challenges in the 21st Century

Date: 11th July 2023

Time: 10:30 am

The dawn of the 21st century has heralded an era of novel challenges and threats. The past three years bear testimony to the devastating effects of unforeseen health challenges. On the occasion of World Population Day 2023,

Dr.Soumya Swaminathan,
Chairperson of MSSRF and
former Chief Scientist at
WHO,

shall be expounding upon these Health Challenges that mark the hilt of the 21st century.

Dr Soumya Swaminathan
Chairperson, MSSRF
(Former Chief Scientist, WHO)

Venue:
Library Building, 3rd Floor

Organized by:
Publication Cell &
Short-Term Training Program, IIPS
