4. Any other information

The M.A. in Population Studies programme through distance course by International Institute for Population Sciences (IIPS), Mumbai is unique and highly specialized. IIPS is the only institution not only in India but also in the entire Asia Pacific Region which is offering M.A. in Population Studies programme. The programme is highly intensive and technique based offering more practical and hands-on exercise in various demographic techniques, use of various data handling softwares and writing innovative independent research papers. Our learners are from various diverse background starting from top, middle and lower level executives and administrators, IAS, ISS, IES, Doctors, Engineers, Academicians, Development Sectors, International Organizations, UN Organizations. This is a highly demanding and market driven course as many of our learners get promotion in the respective jobs after completing the course.

4. Any other information

The M.A. in Population Studies programme through distance course by International Institute for Population Sciences (IIPS), Mumbai is unique and highly specialized. IIPS is the only institution not only in India but also in the entire Asia Pacific Region which is offering M.A. in Population Studies programme. The programme is highly intensive and technique based offering more practical and hands-on exercise in various demographic techniques, use of various data handling softwares and writing innovative independent research papers. Our learners are from various diverse background starting from top, middle and lower level executives and administrators, IAS, ISS, IES, Doctors, Engineers, Academicians, Development Sectors, International Organizations, UN Organizations. This is a highly demanding and market driven course as many of our learners get promotion in the respective jobs after completing the course.
